## Membership Authorization

I desire to enroll in the Association as a continuing member and will pay annual dues as set by Delegate Assembly. I reserve the right to revoke this authorization.

For Payroll Deducting Members: I hereby authorize the local Board of Education or the institution where I am employed to deduct from my paychecks, in approximately equal installments during the months agreed to by the local Board of Education or the institution and the local Association, dues for the Association as directed above, in accordance with the policies of the

local Association. This authorization shall continue for successive fiscal years unless revoked or employment is terminated.

I agree to hold the Board of Education or institutions harmless for said deductions. I understand that in the event any amount payable is not deducted from my paycheck it remains an obligation that is fully enforceable by the OEA. I further recognize that the benefits of membership, including but not limited to participation in group insurance programs and legal services, are contingent upon the continuance of membership.
