**PROCEDURAL AGREEMENT
MIDWEST CITY - DEL CITY BOARD OF EDUCATION
MIDWEST CITY - DEL CITY ASSOCIATION OF CLASSROOM TEACHERS**

The Midwest City-Del City Board of Education (hereinafter referred to as the "Board") and the Midwest City-Del City Association of Classroom Teachers (hereinafter referred to as the "Association" hereby enter into the following agreements regarding negotiations:

1. **RECOGNITION.** Based upon evidence that was acceptable to the Board, that the Association represents the majority of the Professional Educators, the Board hereby recognizes the Association as the bargaining agent for all regularly employed teachers under regular contract, and excluding all administrative supervisory personnel, high school athletic directors, and curriculum coordinators.
2. **RIGHT TO JOIN OR NOT JOIN.** All regularly employed teachers under regular contract have the right to join, participate in, and assist the Association, and the right to refrain from such activities. The Board and the Association shall not discriminate against any person regardless of membership or non-membership in any teacher organization. Any person who desires not to be represented by the Association may so state in writing to the Board and the Association.
3. **SCOPE OF BARGAINING.** The scope of bargaining shall be limited to negotiating in good faith on wages, hours, fringe benefits and other terms and conditions of employment. To negotiate in good faith shall mean both parties must be willing to consider proposals in an effort to find mutually satisfactory basis for agreement and must be willing to discuss their respective contract proposals. If either party objects to the others contract proposals, the objecting party must support its objections with rationale. There shall be no negotiations on inherent managerial policy, including but not limited to: the functions and programs of the Board, standards of services, the Board's budget, class size, the organizational structure of the schools, and the selection of personnel. The Board and the Association shall abide by all applicable state and federal statutes, rules and regulations. No agreement shall abrogate the legal rights, obligations and powers of the Board, including its power to make policy.
4. **NEGOTIATION TEAM.** No more than six (6) designated representatives of the Board will meet with no more than six (6) representatives of the Association for purpose of negotiations. All negotiations shall take place exclusively between the designated representatives of the parties. Negotiations shall be conducted in closed session.
5. **OPENING NEGOTIATIONS.** Upon request of either party to open negotiations, a mutually acceptable meeting date shall be set no more than thirty calendar days following such request. Such request shall be made between April 1 and April 30. All Association proposals for negotiations shall be presented in writing at the first meeting.

When the parties, in any particular year, choose to utilize a collaborative, Interest-Based Bargaining process, the parties shall mutually exchange a list of negotiation issues, including a brief explanation of each issue, on a mutually agreeable date as provided in this section. Subsequent proposals/issues may only be submitted upon mutual agreement of the parties.

All Board proposals for negotiations shall be presented in writing at the second meeting. All meetings shall be held outside the teaching day if possible, at times and places mutually agreed to and shall not exceed three hours unless extended by mutual agreement. If meetings are held during the teaching day, the negotiators shall be released from their regular duties without loss of pay.

6. **EXCHANGE OF INFORMATION.** Upon reasonable request, the parties shall provide each other with available information regarding negotiations. When budget material is made available to the Board, it will be available to the Association upon request.
7. **THE AGREEMENT.** When agreement is reached between the negotiating teams on all proposals, the proposed agreement shall be reduced to writing and submitted and recommended first to the teachers for ratification. After ratification by the teachers, the agreement shall be recommended to the Board. Upon approval by the Board, the terms of the agreement shall be implemented.

8. **RESOLVING DIFFERENCES.** In the event that an agreement cannot be reached on items being negotiated, either party may declare that an impasse exists, but in any event, if negotiations are not successfully concluded by the first day of school, impasse shall exist. Time limits set forth herein may be extended by mutual agreement of the parties. A mediator will be chosen by mutual agreement of both parties. In the event that mutual agreement cannot be reached, the Federal Mediation and Conciliation Service will be asked to appoint a mediator. After ten (10) working days have elapsed following the first mediation session, there being no agreements, either party may call for the implementation of fact finding. The representatives of the Board and Association shall meet within five (5) days after fact finding has been declared to select the Chairperson of the Fact-Finding Committee. One (1) member shall be selected by the Association, and one (1) member shall be selected by the Board, within five (5) days. The third member shall be selected by the first two (2) members as follows: The parties shall notify the State Superintendent of Public Instruction that a fact finder is needed and request a list of potential fact finders from the State Superintendent. If no name on the list is agreeable to both parties, a coin toss shall occur with the party losing the toss striking a name from the list. The parties will then continue alternately striking names from the list until only one name remains. The person whose name remains on the list will serve as the chairperson of the Fact-Finding Committee.

Within five (5) days after the selection of the Chairperson, the negotiation teams shall meet and exchange written language on each item at impasse. The exchanged documents shall also be furnished to the members of the Fact-Finding Committee. The Fact-Finding Committee shall hold a hearing at which the representatives of the parties shall be given an opportunity to present their respective cases with supporting evidence. The Fact-Finding Committee shall have the authority to, and prior to the hearing shall, establish procedural rules and shall conduct the hearing in closed session, and within twenty (20) days after the Fact-Finding Hearing, shall present written recommendations to the Board and the Association. If either the Board or the Association decides to reject one or more of the Fact-Finding Committee's recommendations, said party must, within seven (7) days after the Fact-Finding Committee has presented its recommendations, request that the negotiation teams meet. The negotiation teams shall meet within seven (7) days of the request, unless both negotiation teams deem such a meeting to be unnecessary. At such meeting, the negotiation teams shall exchange written statements expressing their rationale for rejecting each recommendation found unacceptable and shall attempt to clarify any remaining differences. The negotiation teams shall then resume good faith effort to resolve the remaining differences; provided, after fourteen (14) days after the exchange of written statements, either negotiation team may discontinue such effort.

The Board shall file a copy of the fact-finding report with the office of the State Superintendent of Public Instruction. If the effort to resolve differences is successful, the parties shall draft a written agreement and present the agreement to both parties for ratification, and upon ratification such agreement shall also be forwarded to the State Superintendent. If the effort to resolve differences is unsuccessful, the Board shall forward to the State Superintendent in writing its final disposition of the negotiation's impasse process within thirty (30) days of the effective date of implementation.

The cost for the services of the mediator, including per diem expenses, if any, and actual and necessary travel expenses, shall be shared equally by the Board and the Association. The cost for the services of the Fact-Finding Committee, including per diem expenses, if any, and actual and necessary travel expenses, shall be shared in the following manner: The Board shall assume the expenses of its representative, the Association shall assume the expenses of its representative, and the expenses of the chairperson shall be shared equally by the Board and the Association.

9. **NO STRIKE PLEDGE.** It shall be illegal for the Association to strike or threaten to strike as a means of resolving differences with the Board. Any member of the Association engaging in a strike shall be denied the full amount of his wages during the period of such violation. If the Association or its members engage in a strike, then the Association shall cease to be recognized as representatives of the professional educators and the Board shall be relieved of the duty to negotiate with the Association or its representatives. Also, it shall not be permissible for the Association or any of its members to use sick, personal business, or emergency leave days to participate in professional holidays, slowdowns, or any concerted effort that impairs the normal operation of the schools.

10. DURATION OF AGREEMENT. This agreement shall continue in effect for successive fiscal year periods, unless notice is given in writing of intent to terminate, no later than 120 calendar days prior to the end of the fiscal year, by either the President of the Association or by the Board, through the Superintendent. However, the parties agree to complete negotiations for the coming fiscal year should agreement not be reached by June 30.

In witness whereof, the parties hereunto set their hands this 16th day of June, 1980.
