The Board and the Association further agree to comply with State and Federal Laws dealing with the operation of the school, including but not limited to laws dealing with Privacy and Equal Employment Opportunity.

I. GENERAL CONTRACT PROVISIONS

Article I-1

PROCEDURAL AGREEMENT FOR NEGOTIATIONS

A. Recognition

The Board recognizes the Noble Association of Classroom Teachers as the exclusive bargaining representative for licensed and certified teaching personnel employed by Noble Public Schools, whether under contract, on Board approved leave, or on a per diem or class rate basis. Such recognition shall be stated in 70 O.S. Section 509.2.

B. Scope of Bargaining

The Board and the Association agree to bargain in good faith on wages, hours, fringe benefits, and other terms and conditions of employment.

C. Bargaining Teams

The bargaining will take place exclusively between the designated representatives of the Board and the Association. Bargaining will be comprised of not more than six (6) members for each team. Each team shall be allowed to bring two (2) resource persons in addition to the members of the team. Alternates may be designated; however, alternates will attend meetings only when serving in the place of a regular team member. All bargaining will take place exclusively between the designated representatives of the Board and the Association. Bargaining will be conducted in closed sessions. Representatives for the Board and for the Association shall have the authority to make proposals, counterproposals, to compromise, and to make agreements subject to the ratification by both parties.

D. Initiating and Concluding Bargaining

Either party seeking to begin contract bargaining for a school year shall submit a written request from its President or designee to the President or designee of the other party on or before March 15. Upon receipt of the written request, the spokespersons for the respective teams shall select a mutually agreeable date, time, and place for an initial meeting. The initial meeting shall be held on or before April 1, unless postponed by mutual agreement of the respective spokespersons. After the initial meeting the parties agree to try to schedule meetings as often as needed to reach conclusion on non-money items prior to the last teacher day for the current school year.

Excluding proposals and/or counterproposals on which tentative agreement has been reached and proposals and/or counterproposals that have been voluntarily withdrawn by the initiating party, all other items still unresolved shall automatically be declared an impasse on the first day of school. Either party may make a written declaration that a state of impasse exists at any time. When a state of impasse is declared, the items causing the impasse will be subject to impasse resolution procedures hereinafter provided. Time lines stated herein may be extended by mutual agreement of the parties.

Should a special session of the state legislature necessitate bargaining, such bargaining shall begin as dictated by the end of the special session and will be conducted in accordance with this procedure.

E. Bargaining Procedure

At the initial bargaining meeting, representatives of the Board and of the Association will present to each other their proposed items to be bargained. Except by mutual consent of the spokespersons of both teams, no additional new items for bargaining may be introduced in a subsequent bargaining meeting for that particular contract year.

Bargaining meetings will be held at times and places mutually acceptable to both teams. The spokesperson for each team will speak for his/her team; however, by mutual agreement at the table, any team member may speak to any item. During bargaining meetings, either team is free to caucus at any time. Other meeting ground rules shall be set by agreement of the team members.

F. Tentative Agreements

Tentative agreements reached through bargaining between the representatives of the parties shall be reduced to writing, signed by the spokesperson or chairperson of each team, and shall have conditional approval pending ratification by the Board and the Association.

G. Impasse Resolution

Upon declaration of impasse, the items causing the impasse shall be submitted to impasse resolution procedures as provided in 70 O.S., 1992, Section 509.7.

H. Savings Clause

If any provision herein or application of said provision shall be found to be contrary to law, such provision or applications shall have affect only to extent permitted by law, and all other provisions or applications of this agreement shall continue in full force and effect. Said invalid provision shall be renegotiated at the request of either party beginning not later than thirty (30) school days subsequent to the request.

Article I-2

PREPARATION OF NEGOTIATED AGREEMENT

Within seven (7) working days of the Board's ratification of negotiations, the NACT President or his/her designees will prepare the final copy of the negotiated agreement. The Noble Board of Education or their designees will review such final copy before it is printed. Preparation will be done within seven (7) working days from time of review.

EVALUATION PROCEDURE**

The Noble Public Schools agree to evaluate certified personnel in accordance with current Oklahoma law and current Board policy. All certified personnel will be evaluated by certified administrative personnel designated by the Board.

The teacher may attach written and signed comments to the evaluation instrument within two weeks of the evaluation, provided that no additional statements or comments shall be attached without the teacher's knowledge. The teacher's signature on the evaluation instrument shall serve only to reflect the teacher's acknowledgment that an evaluation was conducted. A copy of the completed evaluation instrument will be provided to the teacher.

Except by order of a court of competent jurisdiction, evaluation documents and the responses thereto shall be made available only to the evaluated person, the board of education, the administrative staff making the evaluation, the board and administrative staff of any school to which the evaluated person applies for employment, and such other persons given consent by the teacher in writing, and shall be subject to disclosure at a hearing or trial de novo.

If the evaluation discloses any area(s) in which improvement can be reasonably expected and desired, the principal shall discuss such area(s) with the teacher and offer suggestions and recommendations as to how improvement may be achieved. Such recommendations shall be recorded on the evaluation instrument.

When the evaluating administrator identifies poor performance or conduct that the administrator believes may lead to a recommendation for the career teacher's dismissal or non-reemployment, the administrator will admonish the teacher in writing and make reasonable effort to assist the teacher in correcting the poor performance or conduct; and establish a reasonable time for improvement, not to exceed two months.

If the career teacher does not correct the poor performance or conduct cited in the admonition within the time specified, the administrator shall make a recommendation to the superintendent for the dismissal or non-reemployment of the teacher. A probationary teacher will receive a plan of improvement if inadequate teaching performance exists.

Upon mutual agreement of the teacher and the superintendent or his/her designee, any materials related to discipline or re-employment or any other negative materials may be removed from the personnel file, but in no manner shall these materials be maintained in the file beyond four (4) years from the date of issue.

**Article II-21
POSTING OF VACANCIES**

The Board will cause to be posted a notice of vacancies in current positions or new positions that are to be filled by certified/licensed personnel, including vacancies in all extra duty positions listed in the appendix of this contract (Article VI-3). Said notice will be posted on the Central Office bulletin board and at each site at the time the vacancy occurs. A copy of the material posted shall be provided to the NACT President at the time it is posted. During the time from April 10 to ten (10) days prior to the reporting date for teachers, this notice shall be posted for a minimum of five (5) working days before the vacancy is filled. From ten (10) days prior to the reporting date for teachers until the completion of the fifth day of classes, the vacancies may be filled without delay. For the remainder of the school year, this notice shall be posted on the Central Office bulletin board and at each site for a minimum of three (3) working days before the position is filled.

Teachers currently employed by Noble Public Schools who desire to be considered for vacancies that occur during the summer months when school is not in session may so state in a letter to the superintendent. Said letter shall specify the vacancy the person would be interested in and must give an address and telephone number where he/she may be reached during those months. This letter shall be filed with the superintendent on or before the last day of classes of the school year.

If a new position is created after bargaining is completed, representatives from the Association and the Board will meet to discuss salary for the position prior to Board consideration of the position.

**Article II-22
REDUCTION IN FORCE**

The Board will maintain a comprehensive plan of program needs for the District. When, due to declining student enrollment, insufficient funds, or change in program, the Board determines that a reduction in staff is necessary, said reduction will be implemented in the following order:

- A. A hiring freeze will be placed on the affected subject area
- B. By natural attrition
- C. If further reductions are necessary, the administration and Board of Education would determine positions to be eliminated, taking into consideration the following items:
 - 1. If a career teacher holding a position being eliminated is certified to teach in a position held by a licensed or probationary teacher, the licensed or probationary teacher will be terminated.

If a career teacher holding a position being eliminated is certified to teach in a position held by another career teacher, the following criteria will be used, in order, to determine who will fill the position.

- a. The teacher having the greatest seniority in the school district. (For the purpose of this policy, seniority will be computed from the date the employee first reported to work for the district. Leaves of absence granted by the Board of Education do not count as service or interruption of service.)
 - b. The teacher having the greatest total years of teaching experience.
 - c. Academic degrees.
 - d. Hours above degrees held.
- 2. If a probationary teacher holding a position being eliminated is certified to teach in a position occupied by a licensed teacher, the licensed teacher will be terminated. If a probationary teacher holding a position being eliminated is certified to teach in a position held by another probationary teacher, the criteria listed above (1. a-d) will be used to determine who will fill the position.
 - 3. If a licensed teacher holding a position being eliminated is licensed to teach in a position held by another licensed teacher, the criteria listed above (1. a-d) will be used to determine who will fill the position.

Teachers who are laid off shall be offered recall in reverse order of lay off to vacant positions which they are certified to fill.

Teachers who were previously assigned to full-time positions shall be recalled to full-time positions provided that such teachers shall have the option of accepting any part-time position that may exist without jeopardizing their recall status for any full-time position.

The district shall give written notice of recall from lay off by sending a certified letter to said teacher, at his/her last known address. It shall be the responsibility of said teacher to notify the Board of any change of address.

Any teacher so notified shall respond within two (2) week days from receipt of said notice whether he/she accepts or rejects the position. If said teacher rejects the position for which he/she is certified to teach and such position offered is consistent with the aforementioned provisions of this article, said teacher shall be considered to have resigned from the employ of the district and all his/her benefits shall cease.

No new or temporary appointments shall be made by the district while there are laid off teachers available who are certified to fill the vacancies unless said teachers refuse the appointments because they have secured other employment which has a longer duration than the new or temporary appointments. Said refusal shall not jeopardize their recall rights.

The district shall annually provide the Association with a current list of those teachers who have retained recall rights. The Association shall have the right to file a grievance for teachers who are not recalled if it appears that their re-employment rights have been violated.

All benefits, to which teachers were entitled at the time of their layoffs, including seniority, will be restored to teachers upon their return to active employment, and such teachers will be placed on the proper step of the salary schedule for the teacher's current position according to the teacher's experience and education. The above criteria are applicable to any teacher occupying a federally funded position.

Article II-23

REMOVAL OF STUDENTS

In the event that a student is to be removed from one assigned teacher's class to a different teacher's class other than scheduling changes, the administrator and teachers affected will confer before such a change is made.

If any payroll adjustment is to be made after the authorization form has been submitted, the affected teacher(s) will be notified prior to the time the adjustment is made. Since United Teaching Profession dues deduction information is not available at the time the payroll deduction form is signed, this information will not appear on the deduction form, but the deduction will be made on the basis of the authorization form(s) and/or list provided by NACT.

Article II-27

No teacher shall be subject to involuntary assignment, either during the school year or for the following school year, unless it is for just cause and he/she has been consulted by the building principal. Teachers in the Noble Public School System shall be given first consideration over outside applicants in assignment or reassignment of teaching duties. "First Consideration" is defined as "The currently employed teacher's application shall be reviewed and the teacher interviewed prior to considering outside applicants." If a currently employed applicant is not available for interview at the selected time, the principal may proceed to interview outside applicants.

The principal shall consider qualifications and teaching experience in Noble as a primary factor in determining assignment or reassignment of teachers.

The salary schedule is based on the regular teacher contracted work year. Teachers who are on an extended year contract shall be paid a pro rata daily rate for those days contracted for above the regular contract year. Teachers who are on a reduced year contract shall have a pro rata daily rate deducted from their contract salary for each day reduced from the regular contract year.

Teachers involved in extra duty assignments shall be compensated in accordance with the provisions of this Agreement, except for those persons paid according to a previous increment scale. Those persons' increments shall not be reduced as long as said persons continue to be assigned to the same extra duty. The term "emergency" may apply to leave within the following categories:

A. Emergencies involving personal or family property that require immediate attention.

B. Other reasons are subject to administrative approval.

Emergency leave may be approved for less than a full day.

Allowance for emergency leave will be granted through the Superintendent's office. For the purposes of emergency leave, the "immediate family" is defined as "spouse, children, parents or step-parents, grandparents, sister, or brother of the teacher or the teacher's spouse or any other relative who lives with and is the responsibility of the teacher."

**Article IV-5
LEAVE DAY DEFINED**

Sick leave may only be taken in increments of one-half (1/2) day and full day. If the teacher is able to arrange their schedule so as not to require a substitute, one-quarter (1/4) day may be used. One-fourth (1/4) day is limited to one class period or one hour or less, depending on whether it is at a secondary or elementary site. Three and one-half (3 and 1/2) hours or less will be considered a half day. Above 3 1/2 hours will be a full day. Site administrators will have the option to allow teachers to exchange planning periods to cover brief periods of absence.

**Article IV-6
LEAVE OF ABSENCE WITHOUT PAY FOR CERTIFIED PERSONNEL**

Leaves of absence without pay shall be granted only for reasons A – F and only after the certified employee has worked in the Noble School District for at least one full year as a full-time contract employee, except for involuntary military service. A leave of absence may be granted by the school board for one school year or less. Extended leaves of absence may be granted by the school board for more than the current school year. Leave of absence may be taken for the following reasons:

- A. Maternity, adoption of a child, or care of preschool child
- B. Personal illness
- C. Caring for sick member of immediate family
- D. Military service; may be extended for duration of involuntary obligation
- E. Further study, which is directly related to improve teaching performance and student learning
- F. Acquiring an office that will require full-time service. These positions must be education related and have the ability to improve teaching performance and student learning.

Employees failing to meet the provision of a specific leave shall not be entitled to reinstatement.

The teacher must notify the Board of Education by certified mail of his/her intent for the following school year by April 25. This notification must address one of the following:

1. Request for extension of leave of absence into the next school year
2. Intent to return for the next school year
3. Resignation

Accumulated sick leave may be used in conjunction with this leave. Unused accumulated sick leave will be available to the employee upon return to teaching service. Any absence not covered by accumulated sick leave or extended sick leave shall be without pay.

Teachers who qualify for leave time in accordance with the current Family and Medical Leave Act shall make application for that leave to the central office administration.

- A. Family and Medical Leave – The Board agrees to abide by the terms of the Family and Medical Leave Act of 1993. The Board reserves unto itself all rights, powers, and elections accruing to it under the act.
- B. Personal Illness – Request for leaves of absence for personal illness, requests to return from such leaves, or request to extend such leaves must be accompanied by a physician's statement. Teachers on leave of absence for personal illness will not be permitted to do substitute teaching.
- C. Caring for Sick or Incapacitated Member of Immediate Family – Requests for leaves of absence to care for a sick or incapacitated member of immediate family must be accompanied by a physician's statement.
- D. Military Service – Requests for leaves of absence for military service must be accompanied by a copy of the military orders that require the employee to report for an active duty assignment.

E. Sabbatical Leave – Sabbatical leave may be granted to any full-time certified personnel for approved courses of study for not less than 15 hours of credit for the school year. Teachers failing to comply with this requirement will not be entitled to leave of absence benefits. Courses of study must be approved in advance by the college in which the person is enrolled and the Superintendent.

F. Public or Professional Office – Employees may be granted a leave of absence of up to one year in order to run for public office. If elected, the employee may return to the Noble Public Schools after his/her term of office and be reinstated at the salary step to which he/she was entitled when the leave was granted.

Employees failing to meet the provision of a specific leave shall not be entitled to reinstatement.

G. When a regular teacher is placed on leave of absence, a “replacement” may be assigned to the position at the regular salary to which he/she would be entitled as a regular contract teacher during the year for which the leave is granted, the remainder of a school year, or for whatever portion of that time needed to replace the regular teacher. The contract services of the “replacement” will be designated in each such assignment for termination as of the date the regular is able to return. If such leave is extended by approval of written request into the following school year, the above provision shall remain in effect one calendar year from the effective date of the original leave, after which a permanent teacher may be assigned to the position. If, at any time during the calendar year of leave, the position of the teacher should be eliminated, he/she shall be returned to a substantially equivalent position for which he/she may be qualified, if such a position exists. If replacements are satisfactory, they will be given first priority to vacant positions for which they are qualified.

H. An employee on leave of absence granted by the Board will retain all those privileges of employment attained prior to the leave period upon their return, except that leave period shall not be applied to “time in service” as is applicable to the provisions of Title 70, Oklahoma Statutes, Section 6 – 122.

I. If an employee must request leave to commence during the course of a school year, only that “time in service so completed will be applied to the employee’s record.

J. An employee, whose absences from work, for whatever reason, have become excessive on a continuing basis, may be placed on automatic leave of absence, without pay, by the Board upon proper notice, and a hearing, if requested in writing by the employee in question, will be held before the Noble Board of Education.

A teacher returning from a leave of absence in the same school year shall be assigned to the same position he/she held before commencing leave if that position exists. If the position of the teacher should be eliminated or if the leave continues into another school year, then he/she shall be returned to a substantially equivalent position to which he/she may be qualified if such a position exists.

If replacements are satisfactory, they will be given first priority to vacant positions for which they are qualified.

This policy does not apply to any extra-duty assignment.

Article IV-7

LEGAL LEAVE

Certified personnel employed by the Noble School District shall be granted leave for jury duty or for service as a witness subpoenaed in a criminal, civil, or juvenile proceeding and shall pay the teacher during such service the full contract salary. (Note: Pay received for serving as a juror or witness will be paid to the District, or an equal amount will be deducted from the teacher’s salary.)

Article IV-8

PERSONAL BUSINESS LEAVE

The Noble School District provides for each licensed/certified teacher three (3) days for personal business leave, upon request of the teacher, without loss of salary. Individuals utilizing this leave must give formal written request to the building administrator at least 24 hours prior to commencement of leave. The Building Principal will respond in a timely fashion, and personal leave will be granted unless extenuating circumstances exist.

At the end of each school year, up to three (3) days of personal business leave not used by an individual shall convert automatically to accumulated sick leave.

**Article IV-9
PROFESSIONAL LEAVE**

Each licensed/certified teacher shall be granted one (1) day professional leave per school year to attend professional meetings and/or workshops without loss of salary. Unused professional leave may accumulate to a maximum of three days.

Individuals utilizing this leave must make a formal written request to the principal's office stating the purpose of the meeting/workshop at least two (2) days prior to commencement of the leave.

Professional leave will be granted if it is directly related to the teacher's current teaching or extra-duty assignment.

A teacher may request additional professional leave paid by the district. This additional leave may be taken upon approval of the administration after review of supporting documentation.

**Article IV-10
SICK AND/OR DISABILITY LEAVE**

The plan shall provide that teachers may be absent from their duties due to personal illness, accidental injuries, maternity, or illness in the immediate family, without the loss of salary, for a period not to exceed their accumulated sick leave. Leave will accrue at a rate of ten (10) days per school year and shall vest the first employee work day of the school year. In the case of a teacher who begins after the first day of school, sick leave shall be prorated on a 180-day basis.

When sick leave is exhausted, the teacher shall receive full contract pay, less the amount actually paid his or her substitute teacher for an additional twenty (20) days.

Each teacher is entitled to sick leave of ten (10) working days at full pay for each school year of service in the Noble Public Schools and shall have the right to accumulate unlimited sick leave without loss of salary. An employee may use his/her accumulated sick leave because of personal illness or illness in his/her immediate family. Each employee, upon request, shall receive notice of their accrued sick leave.

If an employee is believed to have taken unfair advantage of sick leave benefits, their case will be taken before the Sick Leave Committee to determine if action should be taken. The findings by the committee will then be submitted to the administration for appropriate action. An employee who takes unfair advantage of sick leave benefits will be subject to disciplinary action ranging from a forfeiture of a day's pay to potential termination of employment. Any employee may be required to submit appropriate evidence upon request by the school administration, concerning the cause of his/her absence in order to qualify for sick leave benefits.

If, because of sickness or other reasons, a teacher is temporarily unable to perform his/her regular duties, a substitute teacher for that position may be employed for the time of such absence. A substitute teacher shall be paid in accordance with the regulations of the Board.

Salary deductions, after leave benefits are exhausted, will be on a contractual per diem basis.

Accumulated sick leave may be transferred into the Noble Public Schools in accordance with state law and the policies and procedures adopted by the State Board of Education.

*NOTE: Teachers who are contracted for 220 work days will be entitled to eleven (11) sick leave days, and teachers who are contracted for 240 work days will be entitled to twelve (12) sick leave days.

**Article IV-11
DONATION OF SICK LEAVE**

A. When a certified employee has exhausted his/her Sick Leave in accordance with district policy excluding statutory twenty (20) days at replacement rate reduction pay, that employee may apply for one or more Donated Sick Leave Days. The application form for Donation of Sick Leave should be filled out, signed, and turned in to Central Office within ten (10) days of the time that the employee is physically able to do so. The application should include medical information from a licensed physician or health care practitioner verifying the severe or extraordinary nature and expected duration of the condition. (A physician's form and application will be available at Central Office and each school site.) The maximum amount of donated sick leave days an individual may receive during a school calendar year is 30 days. However, the sick leave committee, with the approval of the Superintendent, reserves the right to grant

additional days for catastrophic situations. Examples would be heart attacks, strokes, advanced cancer, severe car accidents and the like.

B. A committee consisting of one certified representative from each teaching site and one administrator shall rule on the validity of the application for the Donation of Sick Leave.

C. The committee will meet and make a decision within ten (10) school days from the date the application is submitted to Central Office. In order to vote, the committee must have the administrator member present and establish a quorum of certified personnel. A designee will be appointed if the assigned administrator is unable to meet within the time limit.

D. Upon approval of the committee a memo will be posted seeking donors. Donations will be accepted on a first-come, first-served basis until the number of requested days is reached. The employee is not able to make a profit from his/her illness by receiving additional compensation while using donated sick leave.

E. A district employee may donate Sick Leave to another district employee when the receiving employee has exhausted or will exhaust all accumulated Sick Leave, excluding the statutory twenty (20) days Sick Leave provision, due to pregnancy or recovery from childbirth, or any injury, illness, impairment, physical condition, or mental condition which is of a severe or extraordinary nature involving the employee, a relative of the employee or a household member, and the condition has caused or is likely to cause the employee to go on leave without pay or terminate employment.

As used in this section:

1. "Relative of the employee" means a spouse, child, stepchild, grandchild, grandparent, step-parent, or parent of the employee.
- 1.1 "Household members" means those persons who reside in the same home who have reciprocal duties to and do provide financial support for one another. This term shall include foster children and legal wards even if they do not live in the household. The term does not include persons sharing the same general house when the living style is primarily that of dormitory or commune.
- 1.2 "Severe" or "extraordinary" means serious, extreme, or life threatening; and
- 1.3 "District employee" means a teacher or any full-time employee of the school district.

G. The donating employee may donate any amount of Sick Leave, provided the donation does not cause the Sick Leave balance of the donating employee to fall below 30 days.

H. Any shared Sick Leave not used by the recipient during each occurrence as determined by the Negotiated Agreement shall be returned to the donors. The shared Sick Leave remaining will be divided among the donors on a prorated basis on the original donated value and returned at its original value and reinstated to the annual leave balance of each donor.

I. All donated Sick Leave must be given voluntarily. No employee shall be coerced, threatened, intimidated, or financially induced into donating Sick Leave for the purpose of the leave sharing program.

V. GRIEVANCE PROCEDURE

Article V

GRIEVANCE PROCEDURE

Definitions

A.. A "grievant" shall mean a teacher or group of teachers or their Association representative filing a grievance.

B. A "grievance" shall mean a claim by a grievant that a dispute or disagreement of any kind involving interpretation or application of the terms of this contract agreement, or of an existing Board rule, policy or practice, or that an employee has been treated inequitably, or that there exists a condition which jeopardizes employee health or safety.

C. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

D. "Days" shall mean teacher employment days, except as otherwise indicated. If the stipulated time limits are not met by the Board, the grievant shall have the right to appeal the grievance to the next level of the procedure. If the grievant fails to meet time limits, his grievance is dropped.

Individual Rights

A. Nothing contained herein shall be construed as limiting the right of any teacher having a complaint to discuss the matter via administrative channels and to have the problem adjusted without the intervention of the Association, (as long as such disposition is not inconsistent with the terms of this Agreement.)

B. A grievant may be represented at all stages of the grievance procedure by himself, or at his option, by an Association representative selected by the Association. At least one Association representative shall be present for any meetings, hearings, appeals, or other proceedings relating to a grievance which has been formally presented. If, in the judgment of the Association, a grievance affects a group of teachers or the Association, the Association may initiate and submit such grievance in writing to the Superintendent directly, and the processing of such grievance shall be commenced at Step II. The Association may process a class grievance through all levels of the procedure, even though there is no individual aggrieved person who wishes to do so. In matters dealing with alleged violations of Association rights, the grievance shall be initiated at Step II.

C. Any grievance shall be submitted not later than fifteen (15) school days after the grievant knew or should have known of the incident or happening.

Procedure: It is usually most desirable for an employee and his immediate supervisor to resolve problems through free and informal communications. When requested by the teacher, the building representative may intervene to assist in this resolution. However, should such informal processes fail to satisfy the teacher, then a grievance may be processed as follows:

A. Step I – The employee or the Association may present the grievance in writing to the employee’s supervisor who will arrange for a meeting to take place within five (5) days after receipt of the grievance. The supervisor must provide the aggrieved teacher and the Association with a written answer on the grievance within two (2) days after the meeting.

B. Step II – If the grievant is not satisfied with the disposition of his/her grievance at Step I, or if no decision has been rendered within seven (7) school days after the presentation of the grievance, the grievant may appeal to the superintendent. Such appeal must be filed with the superintendent within seven (7) days after completion of Step I, using the form in appendix VI. The superintendent shall arrange for a hearing with the grievant and/or the Association, to take place within ten (10) days of his receipt of the appeal. The parties in interest shall have the right to include in the representation such witnesses and counselors as they deem necessary to develop facts pertinent to the grievance. Upon conclusion of the hearing the superintendent will have four (4) days to provide his/her written decision, together with the reasons for the decision, to the grievant and/or the Association.

Step III – If the grievant is not satisfied with the decision at Step II, or if no decision has been rendered within ten (10) days, then the grievance may be appealed to the Board of Education. Such appeal must be filed with the clerk of the Board of Education within seven (7) days of the completion of Step II, using the form in Appendix VI. The Board will arrange for a hearing with the grievant and/or the Association to take place within ten (10) days of the receipt of an appeal. The Board and/or the grievant may request that the hearing be held in executive session. Within five (5) school days after the conclusion of the hearing, the Board shall render a decision in writing on the grievance.

No Reprisals

No reprisals will be taken against any teacher because of his/her participation in this grievance procedure.

Cooperation of Board and Administration

The Board and the Administration will cooperate with the Association in its investigation of any grievance, and further, will furnish the Association such information as is necessary for the processing of any grievance.

Release Time

Should it be agreed by Board and Association investigation or processing of any grievance required that a teacher or an Association representative be released from his regular assignment, he shall be released without loss of pay or benefits. Payment of substitute shall be paid by the Board or Association determined by which party asks for release time.
