*PREAMBLE*

This agreement entered into this 6<sup>th</sup> day of February 1978, by the Board of Education for Independent School District #4, City of Bixby, Oklahoma, hereinafter called the "Board", and the Bixby Education Association, hereinafter called the "Association."

**WITNESSETH:**

WHEREAS, the Board and Association recognize and declare that providing a quality education for the students of Independent School District #4 is their mutual aim and that the character of such education depends predominately upon the quality and morals of the teaching service and,

WHEREAS, the members of the teaching profession are particularly qualified to advise in the formulation of policies and programs designed to improve educational standards and,

WHEREAS, the Association is the professional organization organized to represent a majority of the professional educators employed by and serving in the district within the meaning of the law of the State of Oklahoma and, particularly, Title 70, Okla. Stat., Sec. 509.1 et seq, and,

WHEREAS, it is the duty and obligation of the Board and the Association, pursuant to the law of the State of Oklahoma hereinabove referred to, to negotiate in good faith on items affecting the performance of professional services and,

WHEREAS, the parties have reached certain understandings and agreements one with the other and wish to confirm the same by reducing them to writing as part of this agreement,

Now, THEREFORE, in consideration of the covenants herein contained, it is agreed by and between the parties as follows:

**PROVISIONS**

This agreement shall become part of the contract entered into between the Board and the individual members of the Association. Any individual contract between the Board and an individual teacher, heretofore or hereafter executed, shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with the Agreement, this Agreement, during its duration, shall be controlling. If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions of applications shall continue in full force and effect. All matters not agreed upon in this document remain the responsibility of the Board subject to negotiation between the Board of Education and the Bixby Education Association. Copies of the Agreement shall be printed by the Board within thirty (30) days after the Agreement is signed and presented to all teachers now employed or hereafter employed by the Board. The cost of the printing and distribution shall be shared equally by the Association and Board of Education.

**NEGOTIATION PROCEDURE**

This Agreement shall not be modified in whole or in part except by an instrument in writing duly executed by both parties.

**SECTION I**  
**NEGOTIATIONS PROCEDURAL AGREEMENT**

**A. STATEMENT OF PRINCIPLE**

The Board of Education of Bixby Public School District I-4 hereinafter called the Board, and the Bixby Education Association, hereinafter called the Association, appreciates the separate and distinct responsibilities allocated to them by Oklahoma state laws and by moral and ethical obligations to each other, to the youth, and to the community. They are also aware that these same responsibilities require communication channels through which these separate responsibilities merge into a united professional relationship. Both parties recognize the desirability of establishing procedures for resolution of differences and that there should be a free and open exchange of ideas and views between all parties in deliberations leading to amicable settlement of differences. However, the Bixby Board of Education is legally responsible under Oklahoma state laws to provide educational opportunity for every child, and this agreement shall in no way infringe upon the duties and responsibilities, both legal and implied, of the Board of Education and Superintendent of Bixby School. The Board and the Association recognize their responsibilities toward each other in seeking agreement upon matters of mutual concern and pledge to conduct professional negotiations in good faith. Be it therefore resolved that the Board and Association agree on the following procedure.

**B. RECOGNITION**

1. The Board recognizes the Association, a professional organization affiliated with the Oklahoma Education Association and with the National Education Association, as the agency through which the teachers of the Bixby School District develop and represent their considered opinion on matters of educational concern to them.
2. The Board recognizes the Association as the exclusive bargaining representative for the bargaining unit consisting of all employees who are required by the position for which they are employed to be licensed or certified teachers, and who do not hold supervisory authority with respect to other teachers of Bixby Public Schools. (2002-03)
3. The Board agrees to give due consideration to proposals and representations made on behalf of the Association through the Association's negotiations team.

**C. PURPOSE**

The purpose of this procedural agreement is to establish an orderly process by which both parties can present items for negotiation. The Board and the Association recognize the importance of establishing lines of communication between employers and employees and realize that in order for the teaching personnel to communicate with the employer in a more effective way, a procedural agreement for negotiations should be established. The Board and the Association further recognize the process of negotiation as the process for resolving differences between their respective groups. This agreement will enable both the Board and the Association to establish procedures for negotiation on items that will improve the educational system and enhance public relations.

**D. PROCEDURE**

1. The Association shall designate a five (5) member negotiation team, hereinafter called the Association Team, from the membership of the Association.

2. The Board and Superintendent of Schools shall be represented by a committee, appointed by the Superintendent and hereinafter called the Administration Team, consisting of not less than three (3) and not more than five (5) members.

3. Neither the Association nor the Board and administration shall endeavor to establish any control over the other's selection of a team to represent them.

4. Meetings shall be conducted between the Administration Team and the Association Team with each team designating its own spokesperson and/or chairperson. Neither team shall endeavor to establish any control over the other team's selection of a spokesperson, its organization, or its use of consultants.

5. The negotiations process for the following school year will begin no later than June 15<sup>th</sup>. The specific dates, times, places, and agenda of meetings will be established by mutual agreement of the spokespersons/chairpersons of the parties. (1988-89)(2011-12)

6. Emergency meetings of the teams may be requested by either team. The submission of a written request along with a proposed agenda of items to be negotiated will be sent to the chairperson or the other team. The time and place of such meetings will be worked out by the two chairpersons. The meeting shall take place within two (2) days of the request unless otherwise agreed upon.

7. As a tentative agreement is reached, the teams shall prepare a statement of the tentative agreement in duplicate and both chairpersons shall sign and date it. When tentative agreements are reached on all items, the Association Team shall then take the tentative agreements back to the Association for ratification and the Administration Team shall present the tentative agreements to the Board of Education at the next meeting if Board action is required.

#### E. IMPASSE

##### Between Board and Association

If the parties reach an impasse or if they reach an agreement but such agreement is not ratified by both parties within thirty (30) days, a special committee will be formed to recommend a resolution of differences to the Board and the Association. The special committee shall be made up of three (3) individuals. The Board shall name one person and the Association shall name one person. The first named people shall select the third member, who will serve as chairperson, from a list provided by the State Superintendent of Public Instruction. This committee shall meet with the Administration Team and the Association Team for the purpose of fact finding. Subsequently, the committee shall make recommendations to the Board and the Association within twenty (20) days of the conclusion of the meeting (hearing) with the parties. If either party or both parties object to any of the recommendations of the committee, the objecting party (ies) shall so state its (their) objection(s) in writing within seven (7) days of receipt of the committee's written recommendations. Unless mutually agreed otherwise, the parties shall resume negotiations on the unresolved issue(s). Fourteen (14) days after resuming negotiations, either party may discontinue negotiations on the unresolved items. If the effort to resolve differences is unsuccessful, the local board of education shall forward to the State Department of Public Instruction, in writing, its final disposition of the negotiations impasse within thirty (30) days of the effective date of the implementation. Each party will pay the expenses of its own representative on the committee. However, the expense of the chairperson will be borne equally by the parties.

#### F. REVISION IN PROCEDURE OR IN PREVIOUS AGREEMENTS

Except for annual compensation agreements, this and other agreements when adopted and signed by both parties, shall remain in effect for successive fiscal year periods and either party desiring changes in an agreement shall notify the

other party in writing as specified in section D-5 of this document. Such changes as are desired will then be negotiated with changes agreed upon by the Teams to be approved by both the Board and the Association.

## O. POLICIES CREATING A SICK LEAVE BANK

There is hereby created at Bixby Public Schools a Sick Leave Bank for the purpose of permitting certified employees of the school district to voluntarily transfer some of their sick leave to the Sick Leave Bank for the purpose of benefiting other certified employees who may be stricken with a catastrophic illness or accident and who may need additional sick leave because of such illness or accident. The following policies shall apply to the Sick Leave Bank:

### Creation and Administration of Sick Leave Bank

1. Participation by certified employees in the Sick Leave Bank will be voluntary. Each certified employee will be assessed one day of his/her sick leave immediately upon the creation of the Sick Leave Bank. Any certified employee who desires to be exempt from participation in the Sick Leave Bank must inform the Superintendent of schools in writing of his or her request to be exempt before October 1 of their initial year of employment and in the absence of such written notification to the Superintendent of Schools, all certified employees shall be conclusively presumed to be participating in the Sick Leave Bank. Any certified employees requesting exemption from participation in the Sick Leave Bank will not be entitled to receive benefits from the Sick Leave Bank Program.
2. Subsequent to the formation of the Sick Leave Bank, all new employees will be assessed one day of his or her sick leave and the assessment will occur at the time of his or her employment, unless the new employee requests in writing to be exempt from the Sick Leave Bank Program, as described above.
3. The minimum number of sick leave days in the Sick Leave Bank at any time shall be 180. When the number of days in the Bank falls below 180, each certified employee participating in the Sick Leave Bank will be assessed one additional day from his/her sick leave. Provided, however, that the certified employees shall not be assessed more than one day of his/her sick leave during any given school year.
4. The maximum number of sick leave days in the Bank at any given time shall be 480.
5. Each certified employee may donate up to 5 additional days to the Sick Leave Bank in May of each year, provided, however, that if the number of sick leave days already assigned to the Sick Leave Bank will not permit each certified employee to donate the maximum number desired by the certified employees, then such donations shall occur in alphabetical order with the even numbered years starting with the letter "A" and odd numbered years starting with the letter "M". *(2001-02)*
6. Persons experiencing a catastrophic illness or injury and qualifying to receive a transfer of sick leave days from the Sick Leave Bank will not be required to replace these sick leave days except as a regular participating member in the Sick Leave Bank.

## Qualifications and Procedures to Receive Sick Leave Days from the Sick Leave Bank Program

1. A certified employee may qualify to receive additional sick leave days from the Sick Leave Bank only if such employee experiences a catastrophic illness or accident which results in the employee's disability to engage in his or her occupation at Bixby Public Schools by reason of any medically determinable physical or mental impairment which, in the opinion of the primary attending physician, is expected to result in death or which is expected to result in the disability to the employee for a continuous period of more than 30 days, and qualifies under the additional criteria found herein.

2. If a certified employee experiences a catastrophic illness or accident, a written request for sick leave time from the Sick Leave Bank shall be presented to the Sick Leave Bank Screening Committee. The written request may be presented by the employee or by any other person who is acting with the permission of the employee.

3. A Sick Leave Bank Screening Committee (hereinafter referred to as "Committee") is hereby established as follows: seven members composed of three administrators and four teachers. When the Committee receives a written request for a transfer of sick leave days from the Sick Leave Bank, the following procedures will be followed:

(a) The Committee shall conduct as many meetings as it determines to be necessary to review the written request and determine whether the request should be accepted or denied. The date and time of the first meeting will be determined by the Superintendent or his/her designee and the date and times of any subsequent meetings will be determined by the Committee. (2011-12)

(b) After reviewing the request for a transfer of sick leave days from the Sick Leave Bank, the Committee shall determine by a vote of its members whether the request is to be accepted or denied. If a majority of the members of the Committee vote in favor of accepting the request for the transfer of sick leave days from the Sick Leave Bank, then the recommendation of the Committee shall be communicated to the Superintendent who will, in turn, present the recommendation of the Committee to the Board of Education. The Board of Education will then accept or reject the request for the transfer of additional sick leave days from the Sick Leave Bank. Any additional request for additional days from the Sick Leave Bank by the same individual must follow the same process as stated above. (1996-97)

(c) In the event that a majority of the members of the Committee do not vote to accept the written request, then the request shall be deemed to be denied and the employee will be so notified in writing.

(d) In order to qualify to receive benefits under the Sick Lave Bank Program, the employee must experience a catastrophic illness or injury and such an illness or injury to other members of the employee's family does not qualify the employee to benefits hereunder. (1995-96)

(e) Additional sick leave days from the Sick Leave Bank shall not be transferred until the employee has exhausted his or her sick leave benefits with the Bixby Public School system.

(f) The maximum number of sick leave days which may be transferred to an employee as a result of a catastrophic illness or accident from the Sick Leave Bank is 60 days for each such separate catastrophic illness or accident. (1996-97) The employee may submit a request to the Committee for additional days, to total no more than 120 days. (1996-97) If regular sick leave benefits have been exhausted and a member of the teacher's immediate family (spouse, child, parent) experiences a catastrophic illness or injury the teacher will be entitled to use up to fifteen (15) days from the Sick Leave Bank, subject to the approval of the Sick Leave Bank Committee. (1995-96)

(g) The School Board may, at its option, require the requesting employee to undergo a medical examination and evaluation by a physician chosen by the School Board and such examination and evaluation will be at the expense of the School District. *(August 5, 1987)*

#### ARTICLE IV: TEACHER EMPLOYMENT

##### A. REEMPLOYMENT

The Board of Education shall consider reemployment of certified teachers on or before the first Monday in June. (2011-12)

##### B. ASSIGNMENT

The Superintendent of Schools shall place any certified teacher where he or she is the most qualified and will render the most valuable service. All career teachers teaching assignments shall be based on certification, years of service to the district, and the needs of the district. Career teachers shall be secure in their teaching assignment and newly hired employees shall not usurp a career teacher's assignment unless the career teacher involved is consulted regarding the rationale behind the change. *(1987-88)*

##### C. REASSIGNMENT/TRANSFER AND VACANCIES

A teacher is free to ask for a change of assignment or transfer, and such a request, accompanied by a statement of the reasons for the request, should always be submitted in writing to the Superintendent along with a request to be interviewed for any vacant position matching the desired assignment or transfer. Assignment must be acceptable to the receiving principal. A transfer initiated by the administration will be made only after a meeting between affected teacher and the appropriate member of the Superintendent's staff.

When a reduction in the number of teachers in a building is necessary, qualified volunteers shall first be reassigned; then, reassignment shall be made on the basis of school district needs. Teachers with most tenure shall receive greater consideration in choice of assignment.

The Board of Education and the Association recognize the value of professional growth and experience within the system. Therefore, when a vacancy in a professional area occurs, certified applicants within the system will be given primary consideration. (Teachers who desire a transfer or promotion for the ensuing school year are to file a request with the Office of Human Resources prior to May 30 during the term of this agreement). *(2001-02)* Teachers who request, in writing, a teaching assignment change before May 30 will be contacted by the building principal if a position becomes available in their area of certification. *(1990-91)*

Any vacancy shall be publicized by a notice posted on the district website for at least five (5) calendar days, exclusive of vacation, in advance of filling such vacancy. Within five days (5) following the initial posting of the vacancy, any teacher who desires to fill any such vacancy shall file his application with the Office of Human Resources in writing.

The administration will post all certified vacancies at the school sites and the administration building as they become vacant. All elementary teaching positions will be posted as elementary positions and not grade level. *(1990-91)*

Information regarding vacancies and impending vacancies should be available upon request to teachers desiring reassignment, so that they may express their preference as to a new assignment.

## E. RESIGNATION

Any staff member intending to terminate his service is expected to notify the Superintendent prior to the first Monday in June. A written resignation must be presented to the Superintendent with a copy to the Principal.

## F. CURRICULUM COMMITTEES

The District will consider placement of certified personnel on open district wide committees. The Association may recommend personnel to serve on curriculum committees when appropriate.

## G. NON-TEACHING DUTIES

The Board and the Association acknowledge that a teacher's primary responsibility is to provide learning experiences and that his energies should be channeled into this responsibility to the fullest extent. Therefore, they agree:

1. That every effort will be made to assure that all full-time elementary teachers shall be provided with no less than one 30-minute period per day for planning and preparation.
2. That every effort will be made to assure that a teacher's planning period is used for its intended purpose.
3. Elementary teachers will have an uninterrupted 30 minute duty free lunch period. Every effort will be made to provide all other teachers with 30 minute, but not less than 25 minute duty free lunch period. (2009-10)
4. Every effort will be made to relieve and/or make equitable extra assignments to be performed before or after school.
5. Every effort will be made by administrators to assign aides and clerical help to relieve teachers of non-teaching duties as:
  - (a) non-professional assignments, including but not limited to milk distribution, supervision of cafeterias, sidewalks, bus loading, or unloading or playgrounds.
  - (b) collecting money from students, and
  - (c) inventorying and storing books, delivering books to classrooms, duplicating instructional and other materials, keeping registers and cumulative record cards, and other clerical and/or custodial functions.

## H. REDUCTION IN FORCE

It is the policy of the Bixby Board of Education that, in the event it becomes necessary to reduce the professional staff of this school district, reduction-in-force at any level may be based on the following conditions:

- Decrease in revenue,
- Decrease in student enrollment,
- Changes in educational programs or curriculum,
- Cancellation of programs, or
- Any other circumstances determined by the board.

In the event of such a situation, effort will be made to accomplish the necessary reduction by attrition, voluntary resignation, or voluntary retirement. Otherwise, reduction-in-force will be made according to the following procedures:

1. The position will be the determining factor in a reduction, not the teacher occupying the position.
2. The order of termination will be as follows:
  - A. A licensed teacher in an eliminated position will be terminated first.
  - B. A probationary teacher in an eliminated position will be terminated second. However, if a probationary teacher is certified for a position held by a licensed teacher, the probationary teacher will be reassigned to that position, and the licensed teacher will be terminated.

C. A career teacher in an eliminated position will be placed in a retained position in which the teacher is, at the time of the presentation of the recommendation to reduce force, certified by standard certification, provided the position is occupied by a probationary or licensed teacher.

D. If a career teacher is qualified for standard certification in a position held by a probationary or licensed teacher but does not have such a certificate, then such career teacher must have evidence of eligibility for such certification on file in a personnel file in the office of the superintendent at the time of the presentation of the recommendation to reduce force.

E. If there is more than one career teacher assigned to a position that is subject to being eliminated, the following criteria, in this order, will be used to determine which of the career teachers will be retained:

1. Certification in a retained teaching position which is open. A career teacher with standard certification for the retained position will be retained over a career teacher with provisional certification, and a teacher with provisional certification will be retained over a teacher with temporary certification or a license.

2. Seniority in continuous, full time, contracted, certified employment in the district.

3. If certification and seniority are the same according to the above criteria, the determining factors in order of importance are:

a. Years of teaching experience in the retained position in the local school district.

b. Academic degree status: A teacher with a doctor's degree will be retained over a teacher with a master's or a bachelor's degree; a teacher with a master's will be retained over a teacher with a bachelor's degree.

c. Recommendations of principal and/or superintendent.

F. If there is more than one probationary teacher or more than one licensed teacher in the position being reduced, the criteria listed in E, 1 through 3, will be used in determining which probationary teacher or licensed teacher will be retained.

Recognizing the importance of having qualified personnel to conduct extracurricular activities, the Board reserves the right, notwithstanding any other provision of this policy, to retain up to twenty percent (20%) of all teachers on any type of extra-duty contract.

The board reserves the right to select and employ all administrators regardless of factors listed above in determining which employees are to be reduced.

Personnel whose employment is terminated under the provisions of this policy shall be given priority for reemployment to fill subsequent vacancies in positions for which they have standard certification. Teachers whose employment is terminated from the district under the provisions of this policy shall be placed on a recall list for a period of 18 months in positions for which they have standard certification. Such employment shall be in reverse order of their termination.

- 1 Teachers shall be notified of recall by certified letter, restricted delivery, return receipt requested. From the date of the receipt of the recall notice, the teacher shall have ten (10) calendar days to respond by certified mail of his/her intention to return to employment. Failure to respond within the specified time shall constitute a rejection of the notice of recall.
- 2 The terminated teacher shall have the responsibility to continuously inform the district of any new areas of standard certification.
- 3 The teacher shall have the responsibility to keep the district informed of a current mailing address.
- 4 A teacher shall remain on the recall list for the time period specified above unless the teacher:
  - a. Does not accept recall within ten (10) calendar days from the date of receipt of a recall notice;
  - b. Waives recall in writing;
  - c. Fails to comply with paragraphs 2 and 3 above ; or
  - d. Fails to pick up or claim the certified letter referenced in paragraph 1.

When returning to work after recall, the teacher shall be placed on the appropriate step on the teacher salary schedule earned, and retain seniority status as of the date of the reduction. (2002-03) ( 2013-14)

## ARTICLE V: STUDENT TEACHERS

1. The quality of teaching done in any classroom is determined in large measure by the kind of preparation the candidate for a certificate receives. Since his practice teaching experience in an actual classroom situation under the guidance of a competent, experienced teacher is basic in his success, the Bixby Schools will cooperate in providing such opportunities to practice teachers of colleges whose teacher-training programs are approved.

2. Only those teachers in the Bixby Schools who desire to serve as supervising teachers in such a program will have student teachers assigned to them.

3. Supervising teachers shall have priority in receiving tuition credits from institutions which offer such credit. Funds available for tuition and continuing education will be disbursed on an equal basis for all certified personnel. Information regarding these funds will be posted on the bulletin board in each building. Tuition hours received from universities for intern teachers will be distributed as follows:

- (a) The cooperating teacher
- (b) The department or grade level
- (c) The building site
- (d) On a first request basis (Teachers will receive three hour blocks if available).
- (e) Teachers receiving free tuition must provide proof of attendance upon completion of college course. (1990-91)

## ARTICLE VI: PROCEDURES FOR HANDLING STUDENTS

### A. DISCIPLINE

The Oklahoma School Code empowers Boards of Education with the responsibility to set policy for the control and discipline of all children attending public school. Such policy shall provide options for the methods of control and discipline of students and shall define standards of conduct to which students are expected to conform. If corporal punishment is permitted, it shall be conducted in accordance with Board policy.

### B. SUSPENSION OF STUDENTS

When a student becomes a disruptive element that violates the regulations of the school, threatens the morale, or affects the welfare of other students, he may be suspended under the Board of Education Policy; “the teacher recommends suspension from class to the Principal who is the authorized authority to suspend from school or reassign to another class.” The affected pupil shall be readmitted to the classroom only after consultation with the teacher and the Principal or his designee.

## ARTICLE VII: PROTECTION OF TEACHERS

### A. ASSISTANCE IN ASSAULT CASES

All cases of assault suffered by teachers in connection with their employment shall be reported in writing by the teacher to the Principal who shall transmit the report to the Superintendent. The Superintendent shall acknowledge such reports to the Principal and teacher. The teacher shall send a copy of the report to the President of the Association.

In any case of assault upon a teacher or a complaint or suit by a third party, as a result of action taken by the teacher while performing his duties, the Board shall render assistance to the teacher in connection with handling of the incident by the law enforcement and judicial authorities.

### B. LEGAL COUNSEL

If criminal or civil proceedings are brought against a teacher alleging that he committed an assault in connection with his employment, such teacher may request the Board to furnish legal counsel to defend him.

### C. COMPENSATION FOR LOST TIME

If an assault on a teacher results in loss of time, the teacher shall be paid in full for such time and such absence shall in no event be deducted from any sick leave to which such teacher is entitled.

## ARTICLE VIII: COMPENSATION

The Board of Education shall deduct tax-sheltered annuities as provided by state law and regulations.

### B. FEDERAL WITHHOLDING

## ARTICLE IX: PROFESSIONAL COOPERATION

The Bixby Education Association will meet with the Superintendent or his/her designee prior to December 15 and make recommendations concerning the school calendar and payroll periods for the ensuing school year.

## ARTICLE X: TEACHING CONDITIONS

The following teaching conditions shall be in effect:

- A. The teachers work day shall be seven hours and forty minutes (7 hours 40 minutes) including authorized lunch time referred to in Section G “Non Teaching Duties” of this agreement. (2006-07) (2012-13)
- B. Telephone facilities shall be made available to teachers with privacy of conversation when desired. Building principals will strive to increase phone privacy for teachers, where needed. (1998-99)
- C. A conference room shall be made available for parent-teacher conferences.

At the time of removal, the teacher may request that the pupil not be returned to that classroom until a conference is held between the teacher and the designated authority.
- G. Building staff meetings should generally be utilized to inform employees of significant matters which require considerable explanation or discussion. Great care should be taken to conserve time by avoiding discussion of matters relating to only a few staff members, especially with large and diverse staff. It is good practice to inform employees well in advance of general staff meetings so that plans can be made accordingly.
- H. Bixby Public Schools will have two days during the regular school year, with no students, on which to have required Parent/Teacher Conferences. (1990-91) Parent-teacher conference time is scheduled as one of the 175 teaching days required by the State Department of education. All teachers are required to be at work during these times unless assigned to other school related duties. (1995-96)

- J. The standard teacher contract work year for 10 month employees shall correspond with the official Bixby Public School Academic Calendar, but shall not exceed 178 paid days and one teacher check out day. (2016-17)
