Procedural Agreement
Midwest City - Del City Board of Education
Mid-Del Support Employees Association

The Midwest City-Del City Board of Education (herein referred to as Board) and the Mid-Del Support Employees Association (herein referred to as Association) hereby enter into the following agreement regarding negotiations:

1. **Recognition:** The Board hereby recognizes the Association as the negotiations representative for the bargaining unit consisting of all employees who are not required by their job description to be a principal, licensed or certified teacher, superintendent or other administrator excluding the secretary to the superintendent, secretaries to the assistant superintendents, non-contracted hourly employees, and treasurer's clerk. Any person who desires not to be represented by the Association may so state in writing to the Board.
2. **Individual Rights:** All support employees have the right to join and participate in and support the Association as well as to refrain from such activities. No support employee shall be discriminated against by the Board or any administrative officer of the District nor by the Association or its officers, agents or representatives because of his membership, participation, support or non-membership, participations or support of the Association. The Association shall not discriminate against any support employees within the bargaining unit based upon the payment or nonpayment of dues.
3. **Scope of Bargaining:** The scope of bargaining shall be limited to wages, hours, fringe benefits and other terms and conditions of employment. There shall be no negotiations on inherent managerial policy, including but not limited to: programs, facilities, job descriptions, organizational structure, selection of personnel, assignment, equipment and supplies, matters affecting the budget or expenditures, and standards of service. The Board and the Association shall abide by all applicable state and federal statutes, rules and regulations. This agreement shall not abrogate, limit or restrict the legal rights, obligations and powers of the Board, including its power to make policy, as long as that policy is not inconsistent with the Negotiated Agreement.
4. **Negotiation Team:** No more than five (5) designated representatives of the Board will meet with no more than five (5) representatives of the Association elected by the bargaining unit for the purpose of

negotiations. Neither party shall attempt to exert influence over the other party's selection of representatives. All negotiations shall take place exclusively between the designated representatives of the parties. Negotiations shall be conducted in closed sessions and shall remain confidential until tentative agreement is reached and the ratification process is commenced. Press or new releases or statements will be made only jointly and by agreement of both parties.

5. **Opening Negotiations:** Upon request of either party, between May 1 and May 31, to commence negotiations, a mutually acceptable meeting date shall be set no more than thirty (30) calendar days following such request. All Association proposals for negotiations shall be presented in writing at the first meeting. All Board proposals for negotiations shall be presented in writing at the second meeting. All meetings shall be held outside the regular work hours at times and places mutually agreed to unless otherwise set forth by mutual agreement.
6. **Exchange of Information:** Upon reasonable specific written request, the parties shall provide each other with available information regarding negotiations. When budget material is made available to the Board, it will be made available to the Association upon written request to the Board's representative. With majority approval, individuals possessing data pertinent to both parties may be invited to provide requested information during negotiations sessions.
7. **The Agreement:** When agreement is reached on any item, it shall be reduced to writing, and signed and dated by the spokesperson of each team. When agreement is reached between the negotiating teams on all proposals, the proposed agreement shall be reduced to writing and submitted first to all support employees of the District for ratification. After ratification by the support employees, the agreement shall be submitted to the Board's spokesman who shall make all recommendations and presentations to the Board, if at all possible, at the next Board meeting. If approved by the Board, the terms of the agreement shall be implemented.
8. **Mediations:** In the event that an agreement cannot be reached on items being negotiated, either party may declare that an impasse exists and further negotiation efforts are futile.

The Association representatives shall, within five (5) days after declaration of impasse, specifically designate, in writing, each item to be presented to the mediator by the Association and provide same to the other party. The Board representatives shall, within five (5) days of receipt of the Association's designation, specifically designate, in

writing, the items to be presented to the mediator by the Board and provide same to the other party. The parties shall mutually request the mediation services of the Federal Mediation and Conciliation Service.

No undesignated items will be presented or considered by the mediator and any item not tentatively agreed upon in negotiations or submitted for mediation, shall be considered withdrawn from negotiations. If the mediator is unable to resolve the differences and an agreement cannot be reached, either party may call for fact finding to be implemented.

9. **Fact Finding:** Within ten (10) days of any request for fact finding, the Board and Association representatives shall each designate one (1) member of the fact finding panel. The third member shall be selected by the first two (2) members as follows: The parties shall notify the State Superintendent of Public Instruction that a fact finder is needed and request a list of potential fact finders from the State Superintendent. If no name on the list is agreeable to both parties, a coin toss shall occur with the party winning the toss having the right to strike a name from the list. The parties will then continue alternately striking names from the list until only one name remains. The person whose name remains on the list will serve as the chairperson of the fact finding committee.

Within five (5) days after selection of the chairperson, the representatives of the parties shall meet to exchange written language on each item at impasse. The exchanged documents shall be furnished to the chairperson and other members of the committee. Each item being submitted to fact finding shall show the last position taken by each negotiating team. All items not submitted to impasse or tentatively agreed upon in negotiations will be considered as withdrawn.

It shall be the responsibility of the majority of the panel to issue a recommendation on all items at impasse, but such recommendation will be advisory in nature and nonbinding on either party.

The cost for the services of the chairperson, including per diem expenses, if any, and actual and necessary travel expenses, shall be shared equally by the Board and the Association. Each party will be responsible for the expenses and cost for services of its member on the fact finding committee.

The fact finding committee shall have authority to establish procedural rules, conduct investigations, and hold hearings during which each party shall be given an opportunity to present its case with supporting evidence.

All hearings by the fact finding committee shall be conducted in closed session.

The chairperson shall convene the committee for fact finding. The committee shall meet with the representatives of both parties and, within twenty (20) days after the fact finding meeting shall present its written recommendation to the Board and the Association. The report shall set forth findings of fact and recommendations on the issues submitted.

If either party decides it must reject one or more of the committee's recommendations, said party must, within seven (7) days after the committee has presented its recommendations, request a meeting of the representatives who have been negotiating for the Board and the Association. The parties shall meet within seven (7) days of the request, unless both parties deem it unnecessary. At such meeting, the parties shall exchange written statements expressing each party's rationale for rejecting each recommendation found unacceptable and shall attempt to clarify any remaining differences. The representatives shall then resume a good faith effort to resolve the remaining differences; provided, after fourteen (14) days after the exchange of written statements, as provided for by this section, either party may discontinue such effort.

The Board shall file a copy of the fact finding report with the office of the State Superintendent of Public Instruction. If the effort to resolve differences is successful, the parties shall draft a written agreement and present the agreement to both parties for ratification, and upon ratification such agreement shall also be forwarded to the State Superintendent. If the effort to resolve differences is unsuccessful, the Board shall forward to the State Superintendent in writing its final disposition of the negotiations impasse process within thirty (30) days of the effective date of implementation.

10. **No Strike Pledge:** It shall be illegal for the Association to strike or threaten to strike as a means of resolving differences with the Board. Any member of the Association engaging in a strike shall be denied the full amount of his/her wages during the period of such violation. If the Association or its members engage in a strike, then the Association shall cease to be recognized for not less than one (1) year as representative of the support employees and the Board shall be relieved of the duty to negotiate with the Association or its representatives. It shall further not be permissible for the Association or any of its members to use sick, personal, holidays or any other leave days to participate in slowdowns or any concerted effort that impairs the normal operation of the schools.

11. **Savings Clause:** If any provision of this Agreement shall be found contrary to law, it shall be severed from the Agreement, and all other provisions or application of the Agreement shall continue in full force and effect.

12. **Duration of Agreement:** Pursuant to the Procedural Agreement between the Board of Education, ISD 52, and the Mid-Del Support Employee Association, the Negotiated Agreement is entered into between the Board and Mid-Del Support Employee Association this 20th day of August, 2016.

This Agreement shall continue in effect for successive fiscal year periods unless notice is given, in writing, between January 1 and January 31 of any year, by either party that the party desired to modify, amend, or terminate this Agreement. Once such notice is given, negotiations related to changes in this Agreement shall commence on a mutually agreeable date within thirty (30) days of such notice.

- 9.1 When schools are closed due to inclement weather, the following procedure will be carried out: All twelve (12) month employees will be expected to report to their assignments and remain there during regular school hours, unless notified otherwise by the office of the Superintendent. When the district has been closed due to inclement weather and make-up days are not scheduled for students, but are scheduled for employees, employees may use any type of leave or compensatory time available to not attend such make-up days.
- 9.2 Nine (9), ten (10), and eleven (11) month employees are not expected to work when school is dismissed due to inclement weather. However, such personnel will be required to make up the day at a later time, as determined by the Board of Education.

ARTICLE 10

Workweek - Overtime - Substitution

- 10.1 An employee in the bargaining unit shall not be required to work in excess of forty (40) hours a week, without compensation of time and one-half that of the employee's hourly rate of pay as required by the Fair Labor Standards Act (FLSA). Compensatory time in lieu of payment may be authorized and granted by the employee's supervisor. Compensatory time in lieu of payment may be granted upon the request of the employee provided that such compensatory time is used within a time as approved by your supervisor and does not unduly disrupt the operations of the district. Such compensatory time will be at the rate of time and one-half for each of the overtime hours worked. If an employee works 40 hours prior to the completion of a work week he may be given time off, as a work week adjustment, for the balance of that work week. Overtime hours are permitted only on prior written approval of the supervisor, except in emergency situations. In emergency situations, an employee may be permitted to work overtime hours or hours exceeding eight per day with the verbal approval of his supervisor. In such emergency situations, the supervisor will verify the verbal approval in writing the next workday. No compensatory time shall be carried over into the next fiscal year.

- 10.2 Support personnel may be employed in more than one position provided the total regularly scheduled hours in the several positions does not exceed 40 hours per week. The rate of pay for additional positions shall start, upon assumption, at the base rate (step 1) for that position. Leave accrual will be commensurate with the schedule for the aggregate term worked.
- 10.3 A support employee may temporarily substitute, when so designated, to fill a vacant authorized position provided the total scheduled work does not exceed forty (40) hours per week. The rate of pay will be fifty cents (\$.50) per hour above the District's Minimum Wage Rate. No leave will accrue.

ARTICLE 11

Salary

- 11.1 **Compensation:** For the 2016-2017 school year, each eligible employee will advance one step on the appropriate salary schedule. An additional stipend will be added to each person's compensation at an amount equivalent to the difference between the last two steps on each salary schedule.

Employees required to report for work after the completion of their normal contract year, shall be compensated at their regular hourly rate of pay.

All support personnel who are in a position that requires the employee to meet the Highly Qualified requirement of No Child Left Behind and meets those conditions, will be paid \$350 per year in addition to their regular salary. If HQ status is achieved after the beginning of a contract, the employee will receive a prorated share of the \$350.

Any support employee who obtains an Associate's degree while employed by the District shall receive a one-time stipend of two hundred dollars (\$200.00). Any support employee who obtains a Bachelor's degree while employed by the District shall receive a one-time stipend of four hundred dollars (\$400.00).

- 11.2 **Paraprofessional:** A Paraprofessional is one who has completed certification training provided by the State Department of Education and is on the register of certified Paraprofessionals maintained by the State Department of Education.
- 11.3 **Travel:** Employees whose position requires them to travel in a personal vehicle to two or more assigned sites during the work day shall receive a flat rate of \$500.00 payable through the normal monthly payroll.
- 11.4 **Child Nutrition Incentive Pay Plan:** Each Mid-Del Schools Child Nutrition employee who becomes certified by the School Nutrition Association (SNA) beginning with the 2011-2012 fiscal year will be entitled to the credential incentive pay subject to annual approval by the Child Nutrition Department and subject to availability of funds as determined by the Director of Child Nutrition.

Certification may be obtained no later than the end of February, 2017 for the 2016-2017 fiscal year with the certification present to the Director of Child Nutrition as soon as possible. Upon receipt of certification, the Director of Child Nutrition will process the per hour incentive pay for the next appropriate payroll. The per hour incentive pay will not be retroactive, but will begin on the date that the employee has presented the certification information to the Director of Child Nutrition. Each year that the incentive is in place, the employee must maintain renewal of the certification subject to the conditions outlined or the per hourly rate will revert back to the appropriate schedule.

The following graduated scale is as follows for the per hourly rate incentive pay:

- Level 1 Certification: Increase per hour rate = .10 per hour
- Level 2 Certification: Increase per hour rate = Additional .10 above the Level 1 Certification rate
- Level 3 Certification: Increase per hour rate = Additional .10 above the Level 2

Child Nutrition employees are identified as Cafeteria Supervisors, Cafeteria Supervisor Trainees, Cooks, and Cafeteria Assistants. Employees must be employed a minimum of 4 hours or more daily and meet SNA certification requirements starting at Level 1.

The incentive pay will be paid monthly to the child nutrition employees by child nutrition funds. Certification is valid for one year from the date of an approved application. To maintain your certification and qualify to receive the incentive pay each year, each employee will receive a letter from SNA and a renewal form. It will be the employee's responsibility to renew the certification on time to avoid certification being canceled and the hourly rate reverted back to the rate on the appropriate schedule as of the next payroll. It will also be the employee's responsibility for any initial and renewal fees for certification. Each employee must complete the required number of Continuing Education Units (CEUs) during the annual certification period(s). CEUs must be completed or earned within the certification renewal period. Employees cannot complete certification requirement on district time.

All certification requirements must be met and SNA approve before incentive pay is paid to the employee. All payments are subject to the school district's fiscal year.

ARTICLE 12

Reduction in Force

- 12.1 When the Board of Education determines that it is necessary to declare a Reduction in Force to reduce the number of support employees because of a lack of funds or a lack of work in a particular area, the following procedures will govern such releases. This policy is applicable to all employees in the bargaining unit.

12.2 Definitions:

- A. Temporary employee** - One hired on contract for a period of time to fill a specific or seasonal need.
- B. Part time employee** - One hired on contract whose workschedule does not meet the definition of full time.
- C. Full time employee** - One hired on contract to work the standard period of time which is customarily understood to constitute full-time employment for the type of services to which the employee is employed and such employment is for at least one hundred seventy-two (172) days per school year.
- D. Seniority** - The total length of uninterrupted service within the Mid-Del District.

12.3 Notice of Reduction - A reduction in force may be implemented by the Board of Education which shall designate the categories within which reduction will be made. If reduction becomes necessary, all notices shall be in accordance with the District's policy concerning suspension, demotion, termination and non-reemployment.

12.4 Notices and Hearing - Full time employees with more than one (1) year of service within the district shall be notified in compliance with state law and district policy pertinent to termination.

12.5 Use of Attrition to Reduce Staff - The number of employees affected by a reduction in force will be kept to a minimum by not employing replacements, whenever practical, for employees who resign, retire or vacate a position.

12.6 Order of Reduction - The order of reduction in designated categories shall be: First: Temporary employees with the last hired the first to be released; Second: Part time employees with the last hired the first to be released; Third: Full time employees with the last hired the first to be released.

The categories used in a Reduction in Force in the spring of 2003 were defined, by the District, as the individual salary schedules. The six divisions listed below, are agreed upon by both parties to constitute the categories referred to in the negotiated agreement.

- 1. Secretary-Clerical, 12 month
Schedules B, C, D, E, and G
- 2. Secretary-Clerical, site
Schedules I, K, L, M, and N
- 3. Custodians
Schedules O and R

4. Deaf Ed. Interpreters
Schedules HHII, HHIII
5. Media Assistants and Teacher Assistants (excluding LPN)
Schedule BB
6. Warehouseman
Schedule XIII

A Reduction in Force based on seniority within the categories listed above would be applied in the order listed and not in reverse order. Basically, if an employee's position is eliminated, an employee with more seniority in a higher paying position could replace the least senior person within that category.

12.7 Factors to be considered for Reduction - If the above order of reduction and seniority result in equal employee retention criteria, the date the contract was signed will be given priority. If equal, the decision will be jointly made by the employee's supervisor and superintendent.

- A. Non-certificated employees serving in supervisory positions serve at the pleasure of the Board of Education and thus are not subject to the prescribed order of reduction in force.
- B. Full-time and part-time employees whose positions are eliminated in one category shall be considered for a position in another category if they possess the required skills and training. (Category - refers to salary schedule placement.) Demonstration of skills and documentation of training may be required by the supervisor. The above consideration is not a guarantee of reassignment or of continued employment.
- C. Employees who accepted other employment in the district will be considered for vacancies that occur within one (1) calendar year. However, those for whom other district employment was not available will be given priority. During the first year after reduction, all employees will be placed on a recall list. Those on the list will be notified of vacancies for which they can demonstrate the required skills and qualifications.
- D. Employees placed on the recall list must respond in writing to notification of vacancies within ten (10) work days* or their names will be removed from the list. Those whose names are removed from the list may desire that their name be retained as candidate for rehire, with no priority accompanying such application. It shall be the responsibility of the employee to maintain, in writing, a current address in the office of the Chief Human Resources Officer.
- E. Should the Board of Education choose to request voluntary reductions in time worked in lieu of releases, employees accepting such alternative shall be offered full time employment as vacancies occur or funds become available.

* Work days will be defined as "Days which the administration office is open for normal hours of operation."

ARTICLE 13

Benefits

- 13.1 Paid Holidays** for all employees in the bargaining unit excluding, part-time Hourly employees, Temporary employees, Child Nutrition employees and Bus Drivers shall be: Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day and New Year's Day, if such holiday falls within the individual employee's contract year. Time off for holidays falling on Saturday will be observed on Friday and holidays falling on Sunday will be observed on Monday. An employee who qualifies for a paid holiday who is required to work shall receive the overtime rate for all hours worked, or the employee, upon request, will receive compensatory time.
- 13.2 Leave** will be granted all employees defined as full and part time. Leave will be prorated on the basis of the hours/day and months the employee works.

ARTICLE 14

Disciplinary Procedures, Suspension, Demotion, Termination and Non-Reemployment

14.1 Disciplinary Process

Statement of Intent:

The School District will strive to ensure that its employees will be dealt with fairly and receive all required due process. Disciplinary action will be taken by authorized administrative personnel after personally observing inappropriate behavior regarding an employee or after conducting a fair and thorough investigation concerning inappropriate behavior regarding an employee reported to them.

Disciplinary Actions:

1. Inclusive Disciplinary Action

The steps outlined below are guidelines that will normally be followed. The actual determination of which step of the process is appropriate will be made by the appropriate administrator after considering all the facts related to the incident. Disciplinary action may begin at any step within this process, up to and including termination, depending upon the severity of the cause for discipline.

2. Disciplinary Steps

a. **Verbal Warning/Reprimand** - The first step of disciplinary action will normally be in the form of a verbal warning or reprimand. The administrator will inform the employee of the inappropriate behavior and the desired level of behavior. As the lowest and most informal step in the disciplinary process, it is expected that the administrator and employee will reach a verbal understanding that will guide future behavior. Failure to reach such an understanding or the absence of adherence to the understood desired behavior will result in further disciplinary action.

b. **Written Reprimand/Admonishment** - The second step of disciplinary action will normally be in the form of a written, dated and signed reprimand/admonishment. The reprimand/admonishment will include narrative statements detailing the unacceptable conduct, the level of conduct required of the employee and the time line provided for achieving and demonstrating the required level of conduct. Also included will be an admonishment that informs the employee that

failure to comply with the direction of the reprimand/admonishment may lead to more severe disciplinary action.

The administrator is directed to discuss each segment of the reprimand/admonishment with the employee, assist the employee with a general understanding of its requirements and secure the employee's signature on the reprimand/admonishment document. The signature of the employee is not to signify agreement, but to verify the reprimand was received, read and understood. If the employee refuses to sign the reprimand/admonishment, the administrator is directed to document the refusal to sign. The refusal to sign will constitute an additional cause for disciplinary action.

c. Demotion or Suspension - The third step of disciplinary action will normally be in the form of demotion of the employee to a lower level of responsibility and pay, or the suspension of the employee from work for a specific period of time. The suspension of an employee may be administered with or without pay depending upon the totality of the circumstances.

d. Non-reemployment or Termination - The final step of disciplinary action is non-reemployment for the ensuing fiscal year or termination of employment during the current fiscal year, either of which will occur in accordance with all applicable law.

e. Written Response - An employee may respond in writing to any written reprimand/admonishment or other formal written disciplinary action within ten (10) *work days of the receipt of such disciplinary action. If provided by the employee, such response shall be maintained in the employee's personnel file along with the original written form of disciplinary action.

14.2 Right to Representation

A support employee shall have the right to be accompanied by a representative at a conference. The purpose of which is the disciplining of the support employee by formal written reprimand, suspension, demotion, non-reemployment or termination. The support employee shall be notified the day before the day the conference is scheduled, provided that more immediate action may be taken depending upon the severity of the cause for discipline.

14.3 Record of Action

When it is necessary to formally confer with an employee concerning his or her performance and/or necessary to document such performance, a record of the conference and/or documentation will be made and forwarded to the Human Resources Department and shall be placed in the employee's personnel file, and a copy given to the employee.

* Work days will be defined as "Days which the administration office is open for normal hours of operation."
