All assignments shall be made in order to best meet the needs of the students and the program needs of the district.

B. Lists of vacant positions shall be posted in each building during the school year, in the Central Office during the summer, and made available to the Association in order to afford qualified teachers an opportunity to apply for a reassignment or transfer as vacancies occur.

C. Teachers will be provided their tentative teaching assignment for the ensuing school year by the last day of the current school year, if possible.

Section 8: Complaints Against Teachers

The teacher shall receive a copy of said material, at no cost to the teacher, at the time of filing. The teacher shall have the right, within ten (10) days, to affix a written response to said material.

C. A teacher or, upon written authorization, the teacher's designee may review the contents of the teacher's files during normal business hours. The teacher is entitled to receive a copy of any documents contained therein, with the teacher paying the cost of reproduction.

D. Access to a teacher's official file will be limited to: the teacher or the teacher's designee, district employees who have a need to review the file in order to complete a job responsibility, members of the Board of Education, public agencies, upon official request, and otherwise as required by law.

Section 10: Reduction in Force

A. Needs of the School District and Students

(1) When the Board determines it is necessary to reduce the total number of certificated and/or licensed employees in the bargaining unit, the student and program needs of the district will be the primary criteria in establishing priorities for those to be released.

(2) In implementing a reduction in force, the position or positions to be eliminated will be determined by the Board first and, thereafter, the following procedures will be used to determine the teacher or teachers to be released as a result thereof.

B. Non-Renewal and Displacement Sequence

(1) A licensed teacher in an eliminated position will be released first.

(2) A probationary teacher in an eliminated position will be released second. However, if a probationary teacher is fully qualified and fully certified to replace and perform all of the assigned duties and assigned extra duties of a licensed teacher, the probationary teacher will be reassigned to that position, and the licensed teacher will be displaced and released.

(3) A career teacher in an eliminated position will be released third. However, if a career teacher is fully qualified and fully certified to replace and perform all of the assigned duties and assigned extra duties of licensed or probationary teacher, the career teacher will be reassigned to that position, and the licensed or probationary teacher will be displaced and released.

(4) Teachers must have on file in the superintendent's office, at the time of the presentation of the recommendation to reduce force, either the property certification or evidence of eligibility for such certification, in order for any displacement to occur.

(5) If there is more than one fully qualified and fully certified teacher in a position being eliminated, the following criteria, in priority order, will be used to determine which teacher or teachers will be displaced and released.

- (a) Certification: Standard, then Provisional, then temporary.
- (b) Seniority: Continuous, full-time, contracted teaching experience in the district.
- (c) Years of local district teaching experience in the position to be retained.
- (d) Written evaluations.
- (e) Academic degrees: Doctorate, then Masters, then Bachelors.
- (f) Recommendations of principal and superintendent.

C. Recall

(1) Teachers who are released because of a reduction in force will have priority, for one (1) school year, to fill subsequent vacancies in positions for which they are fully qualified and fully certified. Teachers will be offered reemployment in reverse order of release according to the provisions of this policy.

(2) Throughout the recall period, released teachers will be placed on a recall list. Teachers on this recall list will be notified by certified mail of position vacancies for which they have priority. A teacher shall remain on the recall list unless the teacher:

- (a) does not accept a position within ten (10) days from the mailing of notice of vacancy as provided above; or
- (b) waives recall in writing; or
- (c) resigns; or
- (d) refuses to accept a position offered to the teacher under the policy.

(3) It shall be the teacher's responsibility to see that the district has his/her current address on file, and that address will be used for recall purposes.

(4) Upon recall, teachers shall have restored all benefits, career status, if any, and salary schedule placement as was in place at the time of release.

Section 11: Teacher Evaluation

Each evaluation shall be based on the Tulsa Teacher and Leader Effectiveness Model (TLE) and evaluator's observation of the teacher while performing his/her classroom/worksite job function. All scheduling of preconference, observations, observation conferences, and PDP follow-ups, and implementation of the TLE shall follow the state statutes.

1. Probationary teacher shall be evaluated at least two (2) times per school year, once a semester. The first evaluation will be completed prior to November 30. Career teachers will be formally evaluated at least once during the school year, prior to March 30. If a Personal Development Plan is needed then two more observations will precede an additional evaluation. When circumstances allow, the PDP will be completed by the end of the current school year.

2. At the beginning of each year, the principal will conduct an evaluation orientation session for all new teachers to the building.

3. Formal classroom observations for the purpose of evaluation shall be conducted openly with the full knowledge of the teacher.

4. Each evaluation shall be based in part on the evaluator's observation of the teacher while performing his/her classroom/worksite job functions.

5. Each observation shall be at least twenty (20) minutes in length.

6. The principal's assessment of the teacher's performance during the observation must be recorded on the observation form. Observation shall not be conducted on the day immediately following an extended break in the instructional calendar year (whether scheduled or unexpected). Each observation must be followed by the observation conference no more than five (5) instructional days from the date of the observation. There must be at least ten (10) instructional days between an observation and the last observation conference. If a teacher requests a third observation promptly after the second observation, the principal must conduct a third observation prior to the evaluation.

7. A Personal Development Plan (PDP) may be issued if there is a ranking of "1-ineffective" or "2-needs improvement" on the observation. The administrator will use his/her judgment to determine if a PDP is required.

If a PDP is written, an additional conference is required in addition to the two standard observations. This additional conference will help monitor and track the progress of the PDP.

When the observation conference is held for a PDP, members of the bargaining unit shall have the right, if desired, to be accompanied by a representative.

8. Within ten (10) working days after the evaluation conference, the teacher may respond in writing and said response shall be attached to the evaluation. On a voluntary basis, a teacher may provide his/her evaluator with additional evidence of professional proficiency in the form of a portfolio of artifact file/binder for purposes of his/her evaluation.

9. Every career teacher shall be evaluated at least once each year, except for career teachers receiving a "superior" or "highly effective" rating under the TLE, who may be evaluated at least once every three (3) years at the evaluator's discretion.

5. No reprisals shall be taken against the grievant, or other participant in the grievance procedure, by reason of such participation.

6. Failure at any level of this procedure to appeal to the next level within the specified

7. Failure at any level of this procedure to communicate a written decision within the specified time limits shall permit the grievant to proceed to the next level.

8. All meetings, with the exception of those at Level IV, shall not be conducted in public and shall include only the parties in interest.

ARTICLE IV: LEAVES

Section 1: Sick Leave

A. Each teacher will receive ten (10) days of leave per year, without loss of pay, for personal illness, injury, or pregnancy, or illness or injury in the immediate family. Teachers working on eleven (11) month contracts will receive eleven (11) days per year. Teachers on twelve (12) month contracts will receive twelve (12) days per year. These days shall vest on the first day of the teacher's effective date of employment.

B. The immediate family is defined as father, mother, brother, sister, wife, husband, son, daughter, son-in-law, daughter-in-law, brother-in-law, sister-in-law, mother-in-law, father-in-law, grandmother, grandfather, grandchildren, and all above relationships by step relations.

C. If, after exhausting all sick leave, a teacher is absent from his/her duties due to personal illness, injury, or pregnancy, the teacher shall receive, for a period of not to exceed twenty (20) days, his/her salary, less the amount actually paid a certified substitute teacher if one is hired or normally paid to a certified substitute teacher if one is not hired, for each day utilized.

D. Unused sick leave shall be cumulative to a total of sixty five (65) days. Teachers who have accumulated sixty five (65) days prior to the commencement of the school year will be granted an additional ten (10) days at the beginning of the school year, but unused sick leave may not accumulate in excess of sixty five (65) days at the end of the year. Unused personal business leave, however, may accumulate as sick leave beyond this amount and will be used first in the case of illness.

E. The Board will inform teachers, by November one (1) of each year, of their individual sick leave accumulated as sick leave. If a teacher believes there to be a discrepancy in the amount of accumulation, that teacher must notify the Board of such discrepancy in writing by December one (1).

F. Upon a teacher's retirement from the district, the Board shall report to the Oklahoma Teachers Retirement System all days earned by that teacher, up to a maximum of one hundred and twenty (120) day

Section 2: Personal Leave

A. Each teacher shall be granted five (5) days of personal leave each year paid by the District. The leave shall be granted upon the request of the teacher, unless doing so on that particular date would work an undue hardship in the building and/or district.

B. At the end of each year, unused personal leave shall be added to the teacher's accumulated personal/sick leave.

Section 3: General Leave

A. Each teacher shall be granted (5) days of general leave each year. Teachers will be charged a full day's pay per day utilized. The leave shall be granted upon request of the teacher, unless doing so on that particular date would work an undue hardship in the building and/or district. Each day used will be reflected in the number of days worked on the Teachers Retirement System. This will cause the percentage of a full year's service to be reduced by the number of days utilized.

Section 4: Bereavement Leave

A. Teachers shall be granted up to five (5) days per year, at no loss in pay, to attend the funeral of a member of the immediate family. Two (2) of these five (5) days may be utilized for a death outside of the immediate family.

B. The immediate family is defined as father, mother, brother, sister, wife, husband, son, daughter, son-in-law, daughter-in-law, brother-in-law, sister-in-law, mother-in-law, father-in-law, grandmother, grandfather, grandchildren, and all above relationships by step relations.

C. In the event of the death of a family member not listed above but considered by the employee to be immediate family, upon approval of the building principal and the superintendent, the employee shall be granted immediate family leave within the five bereavement leave days.

D. With the approval of the building principal and superintendent, teachers may be excused from work on an hourly basis, at no loss in pay, to serve as pall bearers or take part in burial rites.

Section 5: Professional Leave

A. Upon application to, and approval of, the principal and superintendent, teachers may leave, at no loss in pay, to attend professional meetings, workshops, or conferences, and certification testing.

B. When required by the administration to attend professional meetings, workshops, or conferences, the district shall pay the teacher's normal travel expenses and registration fees, in addition to the teacher's normal pay.

C. Upon application to, and approval of the date requested, the principal and superintendent, teachers may receive one day of professional leave to be taken for National Board Certification Training.

Section 6: Legal Process Leave

Teachers shall be granted leave, with pay, to serve on a jury or as a witness subpoenaed in a criminal, civil, or juvenile proceeding.

Section 7: Sick Leave Bank

A. If, after exhausting all sick leave, a teacher is absent from his/her duties due to personal accidental injury, illness, or pregnancy, the teacher shall receive, for a period of not to exceed twenty (20) days, his/her full contract salary, less the amount:

- (1) actually paid a certified substitute teacher for his/her position if a certified substitute teacher is hired; or
- (2) normally paid to a certified substitute teacher for his/her position if a certified substitute teacher is not hired.

B. If, after exhausting the period of time in A. above, a teacher is absent due to personal catastrophic illness or injury, documented as such by a physician, the teacher shall be entitled to receive days from the Sick Leave Bank that have been donated by other teachers in accordance with the following procedures:

- (1) Each teacher in the district may initially donate up to one (1) day to the teacher drawing from the Bank. Should additional days be needed, each teacher may donate one (1) additional day.
- (2) The teacher drawing from the Bank may do so for a period of time up to the end of the current school year.
- (3) A teacher drawing from the Bank, and desiring to return to the ensuing year, must file a request by March 1. If no such request is filed by that date, the teacher will be deemed to have resigned his/her position, effective at the end of the current contract year.
- (4) Donated sick leave will be paid at the daily rate of the done, not the donor. The sick leave received by the done will be designated as donated sick leave and will be maintained separately from all other sick leave balances.
- (5) Donated sick leave not used by the done during an occurrence as determined by the Board shall be returned to the donating employee. The donated sick leave remaining will be divided among the donors on a prorated basis based on its original donated value, returned at its original donor value and reinstated to the annual leave balance of each donor.
- (6) The maximum total number of days that may be received as donations by any employee is one hundred (100) during his/her total District employment. An employee shall not be determined to be eligible for donations more than once during his or her term of employment by the District. Donations may be made only during the academic year (July 1 – June 30) in which the employee is determined to be eligible to receive donations.

- (7) Any contribution of sick leave by one employee to another is strictly voluntary. No employee shall be coerced, threatened, intimidated or financially induced into donating sick leave under this policy. Each contribution of sick leave must be confirmed in writing by the donor to the office of the Superintendent.

C. In order to utilize the leave provided in A. and B. Above, a teacher must provide the superintendent with a statement from a licensed physician, certifying that the teacher is physically and/or mentally unable to adequately perform the teacher's regular assignment.

Section 8: Family and Medical Leave

Teachers shall receive Family and Medical Leave as required by Federal Law.

Section 9: Leave of Absence

A. Leaves of absence may be granted by the Board of Education upon recommendation of the superintendent of schools. Leave may be granted for the remainder of the current school year or for a maximum of one full school year (August-May). All requests for leaves of absence must be made in writing directly to the superintendent of schools. The term of the leave of absence will be recommended at the board meeting and a letter stating the conditions of the leave will be given to the teacher with a copy being filed in the office of the superintendent. The duration of involuntary leave such as personal illness or military service can be given special consideration.

B. The Board of Education, in granting a leave of absence to a teacher, signifies its intention to reemploy him or her at the end of the leave period provided: (1) There is an existing vacancy for which he or she is qualified; and (2) The teacher complies with all requirements for re-employment.

C. The teacher who has been granted a leave of absence must contact the superintendent of schools in writing by April 1, if he/she desires to be reinstated for the ensuing year or if he/she chooses to resign.

D. While under approved leave, the teacher is eligible to continue under the district's group hospitalization insurance program provided the premium is paid by the teacher during the leave period and approval of the insurance company has been obtained. The participation will terminate on April 1, should the teacher not choose to return to teaching the following year.

Section 10: District "Play-off" Leave

Each teacher shall be granted one (1) day of leave per school year, without the loss of pay, to attend an OSSAA playoff event to include the district FFA competition in which their child is an active participant. The teacher shall request "Play-off" leave from the principal, who may grant the leave, unless doing so on that particular date would work an undue hardship in the building and/or district.

Section 11: Homecoming Leave

If Blackwell Public Schools in in session on Homecoming Day, each teacher will receive one half (1/2) to one (1) full day, based on dismissal time, of homecoming leave without the loss of pay for Blackwell Public Schools homecoming if:

- (2) The employee's spouse's class is being recognized.
- (3) The employee's family is directly involved; family being defined as: child, grandchild, sibling, or steps in any of these relations.

ARTICLE V: ASSOCIATION ACTIVITIES

Section 1: Information Distribution

The Association shall be permitted to distribute information related to the official business of the Association by placing such material in the individual school mail boxes of teachers and on a designated bulletin board at each school.

Such material shall not suggest, urge, or propose any action by a teacher to violate, ignore, or resist any terms of this Agreement, administrative regulation, or policy.

Political campaign material other than that directly related to the Association may not be distributed or posted by the Association.

Section 2: Use of Facilities

After scheduling with the superintendent, principal, or designee, the Association may use school facilities for meetings of the Association. Such meetings may only be held if they do not interfere with other scheduled activities of the district, and may only occur outside the teacher work day. If such meetings cause the district to incur any additional costs, including but not limited to, overtime pay for custodial staff, utility expenses, or additional security, the Association agrees to reimburse the district for said cost.

Section 3: Availability of Information

The Board shall make available to the Association, upon written request, any public information necessary for administering this Agreement. The Association shall reimburse the district for research, compilation, and duplication of such material, in accordance with Board policy.

Section 4: Association Leave
