**UNION CLASSROOM TEACHERS' ASSOCIATION**

---

---

The following is a revision of the Negotiation Procedures Agreement entered into the 12th day of March, 1973, between Independent School District #9 of Tulsa County, Oklahoma ("the Board"), and the Union Classroom Teachers' Association, ("the Association"). This Negotiation Procedures Agreement supersedes all previous procedural agreements and understandings, whether oral or written.

The Board and the Association agree that the welfare of the children of the Union School District and the professional welfare of the teachers are of paramount importance in the operations of the Union School District and shall be promoted by both parties. The District expects that all employees shall treat one another with respect and dignity at all times during their professional endeavors. Both parties further recognize the desirability of establishing procedures for resolution of differences and the necessity for open exchange of ideas and views between all parties in deliberation leading to amicable settlement of differences.

Be it therefore resolved that the Board and the Association agree on the following procedures.

**SECTION I - RECOGNITION**

Since March 12, 1973, the Board has recognized the Association as the exclusive and sole representative for collective negotiation for all certified personnel whether under contract, on leave, or employed or to be employed by the Board. The Board agrees not to negotiate with or recognize any teacher or group other than the Association for the duration of this Agreement, unless otherwise required to do so by law.

The representation by the Association shall exclude the Superintendent and any Assistant Superintendents, Principals, Assistant Principals, Directors, Assistant/Associate Directors, other certified administrators and Curriculum Specialists. Additional positions may be excluded when a memorandum of understanding is concluded between the Association and the Board. For certified employees working in the Community Action Project of Tulsa County (CAPTC), Carrera, or other grant program where federal, CAPTC, Carrera, or other grant requirements conflict with UCTA Master Contract provisions, federal, CAPTC, Carrera, or other grant requirements will supersede the UCTA Master Contract.

The term "teacher" when used within this Agreement shall refer to all certified personnel represented by the Association in the negotiation unit as defined above. Certified personnel are those persons who are employed by the School District and who hold certificates as public school teachers.

Those certified personnel who desire not to be represented by the Association must so state in writing to the Board and the Association.

This Agreement shall remain in continuous force and effect unless superseded by a written agreement executed by the parties or unless altered by operation of law, except that the Agreement terms and conditions may be suspended in the event of a "Level 1" or higher disaster as outlined in the Union Disaster Recovery Plan. Agreement terms and conditions would remain suspended for the duration of the declared disaster.

**SECTION II - PURPOSE**

The general purpose of this procedural agreement is to provide a framework of procedures and to designate an orderly process by which agreements may be negotiated between the parties on items affecting the wages, hours, fringe benefits, and other terms and conditions of employment of the certified personnel of the Union School District. All rights and privileges granted to the Association under the terms and provisions of this Agreement are for the sole and exclusive use of the Association.

**SECTION III - PROCEDURES**

Matters to be negotiated pertaining to wages, hours, fringe benefits, and other terms and conditions of employment may be initiated by the Association or the Board on or before May 1 of each year. As soon as practical thereafter, the parties shall schedule a meeting to begin the negotiations process. Information discussed during the negotiations process is confidential. Negotiations sessions may be taped by either team and may be prepared in writing. Copies shall be provided to both teams. Any tentative agreements reached during the process shall be disclosed with the mutual written consent of both parties. Should the need arise for the Administration team to discuss issues with the Board or for the UCTA team to discuss issues with teachers during the negotiations process, the teams will provide notification to each other of the specific issues to be discussed. If neither party requests negotiations by May 1, there shall be no collective bargaining between the Association and the Board for that year. The current contract shall remain in force until completion of a newly negotiated agreement.

The Board and Superintendent shall furnish the Association's representatives, when requested in writing, such readily available information on financial matters on the Union School District and any other appropriate information that may be of assistance in negotiation on items affecting wages, hours, fringe benefits, and other terms and conditions of employment. The Association shall furnish the Board and Superintendent any similar readily available information.

Nothing in this agreement shall be interpreted as denying the right of any member of the Association to appear before the Board on matters relating to his own employment relations with the Board. In the event the Association timely notifies the Board that it believes that any decision rendered by the Board as to an individual employee's employment relations will affect other Association members, the Association shall have the right, prior to the final decision of the Board, to express their judgment through their elected representatives to the Board.

All communications between the parties which occur because of this Agreement, shall be directed to the Superintendent and the Board, or a committee thereof. All communications from the Board or Superintendent shall be channeled through the elected representatives of the Association and the Association shall notify each Association member concerning the communication.

#### **SECTION IV- IMPASSE PROCEDURES FOR ITEMS ON WHICH AGREEMENT CANNOT BE REACHED**

If the parties reach an impasse, or if they reach an agreement, but such agreement is not ratified by both parties within fifteen (15) days thereafter, a special committee may be formed from each of the two groups (the Board and the Association)- to recommend a resolution of differences to the Board and the Association. If negotiations are not successfully concluded by the first day of school, impasse shall exist. At any earlier time, either party may declare impasse. Upon reaching of impasse, the items causing the impasse shall be referred to a three member committee.

This committee shall consist of:

1. one member who shall be selected by the representatives of the organization within five (5) days after the reaching of impasse;
2. one member who shall be selected by the local board of education within five (5) days after the reaching of impasse; and;
3. one member who shall be selected by the first two members within fifteen (15) days after selection of the other two members. The member selected by the first two members shall serve as chairman of the committee.

Within five (5) days after the selection of the chairman, the representatives who have been negotiating for the Board and for the Association shall meet to exchange written language on each item at impasse. The exchanged documents shall also be furnished by each party to the chairman and other members of the committee.

The chairman shall convene the committee for fact finding. This committee shall meet with the representatives of both parties. Within twenty (20) days after the chairman is selected, the committee shall present written recommendations to the local Board and to the Association.

If either party decides it must reject one or more of the committee's recommendations, said party must, within seven (7) days after the committee has presented its recommendations, request a meeting of the representatives who have been negotiating for the Board and for the Association. The parties shall meet within seven (7) days of the request, unless both parties deem it unnecessary. At such meeting, the representatives shall exchange written statements expressing each party's rationale for rejecting each recommendation found unacceptable and shall attempt to clarify any remaining differences. The representatives shall then resume good faith effort to resolve the remaining differences; provided, after fourteen ( 14) days after the exchange of the written statements, either party may discontinue such effort.

These impasse procedures shall be utilized solely for the purpose of attempting to resolve differences which exist between the parties on items of negotiation affecting the wages, hours, fringe benefits, and other terms and conditions of employment and for no other purpose.

#### **SECTION V - GRIEVANCE PROCEDURE**

##### **5.1 DEFINITIONS**

- A. A **"grievance"** shall mean a claim by a teacher or the Association on behalf of the teacher: (1) that there has been as to him/her a violation or inequitable application of any of the provisions of the employment contract or Association privileges, or (2) that he/she has been treated inequitably by reason of any act or condition which is contrary to established School District Policy or practice governing or affecting employees, except that the term "grievance" shall not apply to any matter as to which the School District is without authority to act.
- B. A **"grievant"** is a teacher who is filing the grievance.
- C. A **"party in interest"** is the grievant making the claim or any person who might be required to take action or against whom action might be taken in order to resolve the claim.
- D. The term **"days"** when used in this article shall, except where otherwise indicated, mean working

(not summer) school days; thus weekend or vacation days are excluded.

- E. A “**representative**” for levels one, two and three shall mean a UCTA representative or OEA area representative (non-attorney). An attorney shall only be allowed as the representative at level four. This is not intended to exclude teacher-employees who may also be attorneys.

## 5.2 PURPOSE

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise, that are proper grievable items as defined above. Both parties agree that grievance proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

## 5.3 PROCEDURES

- A. Any grievance must be filed within ten (10) days of the aggrieved act or it shall be deemed forever waived by the grievant.
- B. Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum, and every effort should be made to expedite the process.
- C. In the event a grievance is filed on or after the closing of the school year, which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the parties agree to make a good faith effort to reduce the time limits set forth herein so that the grievance procedure may be exhausted as soon as is practicable.
- D. Nothing herein contained will be construed as limiting the right of any grievant having a grievance to discuss the matter informally and confidentially with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association; provided the adjustment is not inconsistent with the terms of this grievance procedure.
- E. Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself, or, at the grievant’s option, by a representative selected or approved by the Association. In any event the Association shall have a right to have a representative present and to state its views at all stages of the grievance procedure.
- F. **Oral Informal Discussion with Principal or Immediate Supervisor**  
A grievant with a grievance must first discuss it informally with the principal or where the grievant is not under the direct supervision of a principal, with the grievant’s immediate supervisor. The principal/immediate supervisor shall prepare a written memo of the discussion noting the date of the aggrieved act, the date the complaint was first made and the date of the discussion with the grievant. The principal/immediate supervisor shall forward a copy of this memo to the Executive Director of Human Resources.
- G. **Level One - Written Formal Grievance to Principal**  
If the aggrieved party is not satisfied with the disposition of the grievance by the principal or immediate supervisor, the grievant may file a written grievance with the principal/immediate supervisor on forms provided by the School District and the Association within five (5) days of the informal conference or ten (10) days of the aggrieved act, whichever is longer. The principal shall communicate the decision in writing to all parties in interest within ten (10) days after receipt of the grievance. The decision shall include supporting reasons therefor.
- H. **Level Two - Executive Director of Human Resources**  
Within ten (10) days of receipt of the decision rendered by the principal/immediate supervisor, any party in interest may appeal the principal’s/immediate supervisor’s decision to the Executive Director of Human Resources on forms provided by the School District and the Association. The appeal shall include a copy of the Level One decision and the grounds for regarding the decision as incorrect. Within ten (10) days of receipt of the appeal, the Executive Director of Human Resources shall communicate a decision in writing to all parties in interest. The decision shall include supporting reasons therefor.
- I. **Level Three - Superintendent**  
Within ten (10) days of receipt of the decision rendered by the Executive Director of Human Resources, any party in interest may appeal the Director’s decision to the Superintendent, or designee, on forms provided by the School District and the Association. The appeal shall include a copy of the decisions of Level One and Level Two and the grounds for regarding the decision as incorrect. Within ten (10) days after receipt of the appeal, the Superintendent, or designee, shall communicate the decision in writing to all parties in interest. The decision shall include supporting reasons therefor.
- J. **Level Four - Board of Education**  
Within ten (10) days of receipt of the decision rendered by the Superintendent, any party in

interest may appeal the Superintendent's decision to the Board of Education on forms provided by the School District and the Association. The appeal shall include a copy of decisions of Level One, Level Two, Level Three and the grounds for regarding the decision as incorrect. Within ten (10) days after receipt of the appeal, the Board of Education shall set a hearing for the grievance and shall forward written notice of the time and place of the hearing to all parties in interest. Within fifteen (15) days of hearing of the appeal, the Board of Education shall communicate its decision in writing to all parties in interest. The decision shall include supporting reasons therefor. The decision of the Board of Education shall be final.

- K. Failure at any step of this procedure to communicate the decision in writing on a grievance within the specified time limits shall permit any party in interest to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
- L. No reprisals of any kind will be taken by the Board of Education or any member of the administration against any party in interest or any other party involved directly or indirectly in the grievance procedure.
- M. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the permanent central office files of the participants.
- N. Forms for processing grievances will be printed by the Board of Education and the Association and given appropriate distribution by the parties so as to facilitate operation of the grievance procedure.
- O. Every effort will be made by all parties to avoid interruption of classroom activities and to avoid the involvement of students in all phases of the grievance procedure.
- P. If in the judgment of the Executive Director of Human Resources and the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly and the processing of the grievance shall be commenced at Level Three.
- Q. All parties in interest are required to exhaust the grievance procedure set forth in this article before seeking alternative remedies.
- R. If any party in interest elects to pursue any legal or statutory remedy for any grievance, such election will bar any further or subsequent proceedings for relief under the provisions of this procedure.
- S. It is appropriate at each level of the grievance process to determine whether such grievance is a proper grievable item as defined herein. If at any level it is determined that the grievance is not a proper grievable item, then that determination should be noted in the decision rendered.

This Agreement, and all items agreed on pursuant to this Agreement, when adopted and signed by both parties, shall remain in effect for so long as the Association is recognized as the lawful representative of the certified personnel of the Union School District or until modified by the parties in writing. Either party desiring changes in this Agreement shall notify the other party in writing at least thirty (30) days prior to any regular meeting of the negotiations committee. Any changes in this Agreement must be made by a majority consent of both the Board and Association.

If any provision or application of this Agreement shall be found contrary to law, such provision or application shall have effect only to the extent permitted by law.

## **Stipend**

---

Non-recurring, one-time 2017-2018 funds have been accrued through employees' conscientious efforts to control spending and to collect revenue due to the district. The accrued funds were allocated to the UCTA, USPA and administrator/associate employee groups with the primary intention of utilizing the funds for employee retention. Any stipend paid to any employee eligible for membership in the bargaining unit from the 2017-2018 fiscal year funds shall be paid for that fiscal year only. In addition, any stipend paid to any employee eligible for membership in the bargaining unit from the 2017-2018 fiscal year shall NOT be included in the definition of "salary" or "salary level" or "benefits" or "compensation" in determining any employee's salary or salary level or benefits or compensation under any statute of the state or under any current or future collective bargaining agreement between the parties. Applicable teachers' retirement and all other legally required withholding and matching payments will be made on all stipends paid. The one-time stipends will be payable from the appropriate 2017-2018 General, Building and/or Child Nutrition funds.

For temporary employees for which Human Resources has not received the rehire HR-100 for the 2018-2019 school year by June 25, if the HR-100 to rehire the temporary employee is received in the Human Resources Department by August 20, the employee can file an appeal in writing to the Executive Director of Human Resources no later than August 24, 2018.

The district administration and/or Board of Education reserve the right to change the total dollar amount and/or percentage allocated for the 2017-2018 stipend and associated benefits for UCTA, USPA and administrative/associate employees by June 30 as necessary to accommodate changes in anticipated revenues or expenditures for fiscal year 2017-2018. The change to the total dollar amount and/or percentage allocated may be either increased or decreased. Any changes made to the total dollar amount and/or percentage allocated for year-end stipends will be reallocated proportionately.

Checks issued in 2018 for the one-time, non-recurring 2017-2018 stipend which are not cashed by September 26, 2018, will be cancelled and not reissued.

Recommendations for 2017-2018 one-time stipends for the UCTA employee group are as per the following requirements:

A one-time stipend of 5.0 %, the amount of which will be calculated for work performed during 2017-2018, will be distributed on specified dates in July 2018. For 2017-2018 full-time certified teachers who qualify as per the requirements below, the stipend will be calculated on the 2017-2018 BASE teacher salary schedule. For teachers who qualify but were hired after July 1, 2017, but before February 15, 2018, the stipend will be calculated on the contract time worked during 2017-2018 as per the base teacher salary schedule. The base teacher salary excludes any extra-duty contract pay, retirement, adjustments, extra days or hours, or stipends received (except National Board Certification stipends). The one-time, non-recurring stipend will be distributed on certain specified dates in July 2018, to employees who must meet all the following requirements:

- For the one-time 2017-2018 stipend, the certified employee must sign in and attend an additional professional development session on the date and time scheduled by the employee's principal or director in 2018, and such extra-duty work time must be outside regular contract days, or attend and sign in at an approved make-up session prior to June 15, 2018.
- The certified employee must (1) be on active, full- or part-time employment status with Union during the 2017-2018 school year, (2) received a 2017-2018 paycheck dated June 2018, and (3) complete their contract through and including the date of the end of their annual primary 2017-2018 contract, and (4) intend to return to Union Public Schools for the 2018-2019 school year.. Individuals who otherwise qualify but who are on approved military leave, FMLA, or Workers' Compensation leave qualify.
- The stipend will be calculated on the BASE salary on the current 2017-2018 teacher salary schedule, and for less than full-time teachers, the stipend will be calculated on their percent of full-time employment in 2017-2018.
- The stipends for National Board Certification for National Board Certified teachers will be included in the base pay calculation.
- Employees who meet the above criteria, except who started full-time or part-time employment with Union on or after February 15, 2018, do not qualify to receive the 2017-2018 stipend.
- Employees who otherwise qualify but retire through ERI or TRS must complete their scheduled 2017-2018 contract work calendar and attend the extra-duty professional development session in 2018 in order to receive a stipend.
- Administrative interns are considered teachers on special assignment and qualify for the stipend under the UCTA agreement if they meet all of the other stipend requirements.
- Employees who resign or are not returning for the 2018-2019 school year are not eligible for the 2017-2018 retention stipend. Employees who are going on LOA for 2018-2019 are not eligible for the 2017-2018 stipend.
- The stipend payment for an employee who otherwise qualifies as an eligible paid employee but is deceased at the time of distribution will be paid to the employee's estate.
- The base pay used for the March 10 paycheck is used to calculate the stipend base pay.
- Prior to receiving their 2017-2018 retention stipend, eligible employees will sign an employment contract obligating them to return for the 2018-2019 school year and must sign an agreement to pay back the stipend if the employee resigns prior to September 30, 2018. This agreement will also authorize payroll deduction of the stipend amount from any remaining paycheck(s) if resignation\* occurs prior to September 30, 2018. Other payment methods may be arranged if there is no paycheck from which to deduct the stipend amount.
- The district is not obligated to accept an employee resignation during the contract year and will only release an employee from his/her contract at the district's discretion. If a release from contract is granted prior to September 30, 2018, the employee will be required to pay back the retention stipend. If the district does not agree to release a certified employee from contract, and the employee signs a contract with another school district, under Oklahoma law, the State Department of Education can revoke the employee's certification for the remainder of that school year.
- All eligible employees must pick up (in person), show ID, and sign for the one-time stipend at the designated payroll pickup at the Education Service Center during business hours on the following dates in July 2018: Wednesday and Thursday, July 11 and 12, and Monday through Thursday, July 16-26. -Stipend checks will not be mailed except for retirees. Any current Union Public Schools employee who has a special situation preventing him/her from picking up his/her stipend check on one of these specified July dates may request authorization for a later pickup date by submitting his/her explanation in writing to the Executive Director of Human Resources by July 27, 2018. Any stipend checks not distributed prior to August 1, 2018, will be voided and the individual will have forfeited receipt of the stipend, other than checks for active employees or retirees who have received authorization for late pickup. If the employee does not come by the date authorized as the late pickup date by the Executive Director of Human Resources, the stipend check will be voided and the individual will have forfeited receipt of the stipend.

Any employee wishing to file an appeal regarding receipt (or other aspect) of the stipend, must do so in writing to the Executive Director of Human Resources, and the written appeal must be received by the Executive Director of

Human Resources no later than 5:00 p.m. on August 24, 2018. If an appeal is granted, TRS contributions may be adversely affected for reissued checks.

If an error has been identified regarding the list of individuals qualifying for the one-time stipend, the Executive Director of Human Resources has the authority to specifically delete, add or modify an individual's name or amount on the list and will notify the UCTA President of changes.

## **Health, Dental, Short-Term Disability, Long-Term Disability & Life**

---

Beginning with the health insurance premiums in June of 2009 for health insurance coverage for the 2009-2010 fiscal year, the district will pay up to the differential between the State flexible allowance amount and the single premium rate of the district's Self-Insured Medical Indemnity Plan (PPO) towards the full-time certified employee's choice of a district-offered health insurance plan. The district will also pay the single premium for dental and vision insurance for full-time certified employees. For certified employees who are at least half-time certified employees, the district will pay one-half of the amount that the district pays for full-time certified employees towards health, dental and vision insurance. The district will pay the full premium for life insurance and disability for full-time and at least half-time certified employees.

### **Life Insurance**

If at termination the employee elects to convert his/her term life to a personal policy at his/her own expense, such election must be made in writing and premium submitted within 31 days of termination.

### **State Flexible Monthly Allowance (State FBA-A & B)**

For the school year, the state shall pay to the district a monthly flexible benefit allowance, State FBA-B, in the amount of \$69.72 per full-time and half-time certified employee to be used to offset the cost of each full-time and half-time certified employee's individual insurance coverage. In addition, the state is expected to pay the district a second monthly flexible benefit allowance, State FBA-A, which will only be granted to full-time employees who have district-offered health insurance. The dollar amount of the second State FBA-A is set by the State of Oklahoma. The district will pay the State FBA-A to the employee in the form of a monthly stipend. For the school year, the state is expected to pay to the district a monthly State FBA-B in an amount not to exceed \$69.72 for each certified employee. In accordance with the elections made by the district's employees with respect to the district's plan under Section 125 of the Internal Revenue Code (the "125 Plan"), the district will apply \$69.72 of the monthly State FBA-B toward the payment of health, dental or vision coverage premiums for those employees who have elected district health, dental or vision insurance coverage. Any portion of the

monthly State FBA-B \$69.72 which such employees do not apply for the purchase of health, dental or vision insurance coverage under the district's 125 Plan will be paid to the employees as additional cash compensation, subject to all applicable withholdings. Employees enrolled in district health, dental or vision coverage must apply the State FBA-B toward the cost of coverage through the district's 125 Plan. The remaining portion of the single health, dental and vision coverage paid by the district, for full-time and at least half-time employees, shall be paid by the district directly to the insurance plan. The monthly State FBA-A or B does not qualify as compensation for retirement purposes. The bill requires the money be pretaxed if it is used for insurance so the district can use state's money to pay the insurance.

An employee hired or reassigned after the beginning of the school year shall be notified by the appropriate supervisor of the evaluation procedures including the criteria for evaluation and instruments used for required observation in effect. No required observation shall take place until such orientation has been completed. A traveling teacher will be evaluated by the principal at his/her designated home site, providing each administrator has input and signs the evaluation form. If concerns are noted on the evaluation by an administrator other than the home site administrator, that administrator will attend the evaluation conference.
2. Evaluation(s) of teachers shall be made in accordance with the Tulsa Model for Teacher Observation and Evaluation, "the Tulsa Model" (with any modifications that may be approved between the UCTA and administration. Career teachers receiving a rating of "superior" or "highly effective" under the TLE will be evaluated once every three years.
3. For evaluations where observations are conducted by the principal, the principal shall make formal classroom visitations at a time mutually agreeable with teacher and principal prior to completion of the Tulsa Model evaluation report. The observation shall be nonintrusive and shall not interrupt normal classroom procedure. If classroom visitation notes are maintained in the principal's file after the post-evaluation conference, the original notes should be signed and dated by both parties as an acknowledgment of the existence of the notes and a copy given to the teacher.
4. The Tulsa Model evaluation report must be signed by the principal as the evaluator and the teacher acknowledging only that a post-evaluation conference was held, that the teacher is aware of the contents of the evaluation report and that it has been thoroughly discussed with the teacher. Signatures may be accomplished electronically. The teacher may submit for retention with the evaluation additional information in the form of support material or response.
5. If the teacher feels the appraisal is inaccurate or incomplete, he/she has the right to appeal the evaluation complaint through the grievance procedure.
6. Signed (i.e., electronically signed) copies of the Tulsa Model evaluation report shall be provided for the teacher.
7. Any non-reoccurring unsatisfactory evaluation will be removed upon request of the employee anytime after five years from the date of the evaluation.

### B. GENERAL

1. The evaluation report will be considered confidential between the teacher, site administration, assistant principal intern, the Human Resources Department, Director of Elementary and/or Secondary Education, Assistant or Associate Superintendent, and the Superintendent except as required by the State, and except when a teacher is applying for a transfer within the district and when applying for employment in another school district, and when the Board of Education is asked not to renew the teacher's contract or to discharge him/her. The Board shall review the evaluation report to ascertain whether or not the teacher has been fully advised of his/her weaknesses or shortcomings. The teacher's

representative shall have access to the evaluation report upon presentation of written consent of the teacher. The teacher may, at his/her discretion, notify the UCTA President for additional assistance in matters regarding the evaluation process.

2. Aspects of the evaluation instrument that are not mandated by law may be modified by mutual agreement of the Board and the Association through a joint committee established by the UCTA and the administration to modify the evaluation instrument as needed. Additionally, the committee shall meet to develop procedures for assistance for teachers placed on a plan of improvement. The recommendations of this committee shall be brought back to the negotiation table for finalizing. The evaluation process will comply with state law and State Department of Education guidelines.

## EMPLOYEE RIGHTS

---

---

### A. ACADEMIC FREEDOM

The employer and the Association agree that academic freedom is essential to the fulfillment of the purposes of the Union School District and acknowledge the fundamental need to protect employees from censorship or restraint which might interfere with their obligation in the performance of their professional duties.

### B. COMPLAINTS

A teacher shall be shown any written, signed complaint against him/her, and any verbal complaint, which will be recorded in written format, if the complaint is of such a serious nature that it could affect the non-renewal of the teacher's contract. In the event the administrator determines it would be inappropriate to show the written complaint, the teacher will be informed of the complaint. The teacher shall have the opportunity to respond if he/she chooses.

Only complaints investigated and substantiated will be placed in the teacher's personnel file.

For disciplinary action including, but not limited to, push pins, PDPs, and letters of admonishment, teachers will be given information with sufficient details to know the basis of the discipline. Administrators will include only information that has been investigated and documented.

### C. ENFORCING PUPIL BEHAVIOR POLICIES

1. Board Support and Assistance - The Board recognizes its responsibility to give all reasonable support and assistance to employees with respect to the maintenance of control and discipline in the school from the time the child is in attendance or in district-sponsored transit to or from the school or any other school function authorized by the school district or in a classroom presided over by the teacher. The Board recognizes that the teacher in the classroom should not be expected to assume the ongoing responsibility for social work or psychotherapy. Whenever it appears that a particular pupil requires the attention of special employees, special counselors, social workers, law enforcement personnel, physicians or other professionally trained persons, the principal will make a decision to pursue special assistance with respect to such student.

The district shall develop policies for the following student offenses:

- a. assault (verbal or physical) toward a teacher
  - b. weapons or explosives of any kind brought to school
  - c. illegal/non-authorized drugs
  - d. threats against teacher or property
  - e. acts resulting from bigotry or prejudice
  - f. harassment
2. Conference - When, in the judgment of the teacher, a student requires the attention of the principal, assistant principal, counselor, psychologist, physician or other specialist, the teacher shall so inform his/her principal or immediate supervisor. The principal, immediate supervisor or teacher may arrange as soon as possible for a conference among the student's parents, the teacher, the principal and/or the appropriate specialist to discuss the problem and to decide upon appropriate steps for its resolution.
  3. Board Policies - Each employee in the bargaining unit shall be provided with copies of the employer's policies, guidelines and regulations concerning pupil behavior and the duties, responsibilities and relationships of all personnel regarding enforcement. Each building shall develop a discipline policy which follows the guidelines established by the Board of Education.

- 
- 
4. Exclusion from Class - Provisions of such policies, guidelines and regulations notwithstanding, any employee may exclude a pupil from the classroom when the employee judges the pupil's behavior to be disruptive of the instructional program. Prior to the student returning to the classroom due to severe disruptions, the teacher may communicate recommendations to the principal/designee for expected student behaviors. A behavior contract signed by the student may be appropriate before the child returns to class.

In the event of an appeal process, the principal will gather information, including teacher input, to determine if alternative placement options are appropriate.

5. Physical Force - Employees may use such reasonable force/restraint as is necessary to enforce pupil behavior policies, to exclude pupils from a classroom, to protect themselves, to protect other persons or property, to quell a disturbance, or to obtain possession of weapons or other dangerous objects.

**D. LEGAL ACTION AGAINST AN EMPLOYEE**

Whenever any legal action is brought against an employee resulting from the performance of duties within the law and Board policies, the Board shall provide the employee with defense and indemnification.

**E. HEALTHFUL WORKING ENVIRONMENT**

The district shall strive to provide a healthful working environment.

**F. RIGHT TO REPRESENTATION**

Regarding personnel or disciplinary matters including, but not limited to, where a verbal warning, pushpin, or Professional Development Plan (PDP) is being issued or is expected, supervisors will notify teachers as to the purpose prior to the meeting. Teachers have the right to request a UCTA representative or other non-attorney representative to be present regarding any personnel matter.

## REDUCTION-IN-FORCE

Section 1. Definitions. For the purpose of this policy, the following terms having the meanings indicated:

- (a) “Teacher” means any person holding a valid certificate or license who is employed to serve as classroom teacher, counselor, librarian, school nurse, or in any other certified instructional capacity.
- (b) “Financial Exigency” means any significant decline in the Board of Education’s financial resources that is brought about by decline in enrollment or by other action or events that compel a reduction of the school’s current or future operating budget.
- (c) “Program Change” means any elimination, curtailment, or reorganization of a curriculum offering, program, or school operation or a reorganization or consolidation of two or more individual schools or school districts that is unrelated to financial exigency.
- (d) “Declining Enrollment” means any significant decrease in the school district’s enrollment which may affect the school district’s allocation of funds in future years and/or the necessity of maintaining certain class sections or offerings.

Section 2. General Grounds for Non-Reemployment. Reemployment may be denied when the Board decides that due to (i) a financial exigency, or (ii) a program change for institutional reasons, or (iii) a decline in enrollment, the Board cannot enter into contractual obligations to one or more teachers for a future school year.

Section 3. Notification of Association. When the Board of Education determines reduction-in-force is possible, it will notify the Association president in writing that reduction-in-force is being considered.

Section 4. Superintendent’s Recommendation. Upon receipt of the Board’s preliminary determination regarding the necessity of a reduction-in-force, or upon his/her own volition, the Superintendent shall submit to the Board a written recommendation for terminating the employment of particular teachers. In making this recommendation, he/she shall not be limited to considering only teachers in the areas or programs designated by the Board in its initial resolution. He /she shall not make this recommendation until he/she has consulted with each principal in whose school or unit a termination is proposed. A recommendation of the Superintendent shall take into consideration the criteria set out herein. In the absence of a recommendation from the Superintendent pursuant to this section, or when the Board of Education chooses not to accept the Superintendent’s recommendation the Board may act without such recommendation.

Section 5. Criteria. For affected teachers, the primary consideration in effectuating any reduction-in-force, i.e., a reduction in the number of certified positions, shall be the ratings of teachers, calculated to the hundredth percentile, as measured pursuant to the OKTLE. Secondly, the Superintendent shall consider the priority of programs and the maintenance of a sound and balanced educational program that is consistent with the functions and responsibilities of the school district.

If normal attrition does not sufficiently reduce the staff and after considering the primary and secondary considerations above, the determination to non-renew the employment of certified employees shall be based on the following criteria:

- \* Probationary Teachers
  - Certification
  - Years of Service in the District
- \* Career Teachers
  - Seniority in the District
  - Length of Service in Current Assignment
  - Total Number of Years Teaching Experience
  - Academic and Professional Preparation beyond Minimum Certification Requirements

\* Superintendent's Recommendation

If the application of the above criteria does not identify the employee for RIF, then the Superintendent shall review the records contained in the official personnel files to identify the employee for RIF.

Section 6. Notice to Individual Teachers. Notice to affected teachers will be accomplished according to applicable Oklahoma law as outlined in UCTA 4050 in the section entitled "Procedure for Dismissal or Nonreemployment - Hearing and Appeal Rights."

Section 7. Reemployment or other Employment. Probationary and career teachers who are released because of a reduction-in-force will have priority in filling vacancies and new positions for which they are qualified and have teaching experience. Teachers who are reduced from the staff shall be automatically placed on the recall list for a period of one (1) year with the option to be continued on the list for a second year. A recalled teacher may refuse one offered position and remain on the recall list; however, a second refusal will result in the individual's being dropped from the recall list. To remain on the recall list for the second year, the individual must so notify the Superintendent, or the Superintendent's designee, by registered mail, return receipt requested, on or before May 1 of the first year that the employee is on the list. Reemployment of teachers will be in reverse order of dismissal following the criteria under Section 5 of this policy to the extent possible.

Section 8. Publication of Policy. This policy and any amendments to this policy shall be distributed to all "teachers" as defined in Section 1 above.

Principals shall attempt to provide equivalent planning time for each teacher within each building considering the overall needs/goals of the school.

## **DISTRICT EMPLOYEE SICK LEAVE BANK AND INDIVIDUAL SICK LEAVE DONATION PROGRAM**

---

---

A Sick Leave Bank consisting of sick leave days donated by employees of the district shall be established. The guidelines for administering this bank shall be established and carried out by the Sick Leave Bank Committee.

The Sick Leave Bank Committee shall maintain records and submit a report by the end of each fiscal year to the Chief Financial Officer which provides an accounting of the number of days donated, number of days authorized for use and remaining available balance of the bank. The report shall also list the names of the bank members.

### **PURPOSE**

To provide a bank of sick leave days from which qualifying members of the sick leave bank may request donations for extraordinary or severe illness, injury, impairment or physical or mental condition or pregnancy or recovery from childbirth that has caused or will cause the employee to exhaust all accumulated sick leave earned pursuant to the School Laws of Oklahoma.

### **MEMBERSHIP**

All full-time and part-time district employees (certified, support, associate and administrative) may become members of the sick leave bank upon employment, provided they contribute days to the bank. Members may not access sick bank days until the employee has been a member of the sick bank for one (1) year.

1. The committee will notify all new full-time and part-time employees of this benefit.
2. Employees are responsible for initiating the sign-up process and may enroll in the sick leave bank within sixty (60) days of employment date or at annual insurance open enrollment signup period.
3. Full-time employees shall contribute at least one (1) day of sick leave upon becoming members of the sick leave bank. Part-time employees must contribute five (5) hours of sick leave upon becoming members of the sick leave bank. Employees (full-time and part-time) may not contribute more than ten (10) days per year to the bank.
4. The minimum number of days in the bank shall be one hundred (100). Should the number of days drop below this minimum, each member shall be required to contribute another day in order to remain a member of the bank. Any member of the sick leave bank who has no sick leave days accumulated when these days are assessed may remain a member of the sick leave bank for the remainder of the current school year and shall contribute two (2) days at the beginning of the next school year.
5. Days contributed or assessed become the property of the sick leave bank and no longer count toward the individual member's accumulated or current sick leave. Days contributed shall remain in the sick leave bank until exhausted.
6. Contribution and/or assessment to the sick leave bank shall not affect incentive pay.
7. Only qualifying members of the sick leave bank may receive donations under this policy.

### **OPERATION**

1. The operation and administration of the sick leave bank shall be by the Executive Director of Human Resources (or the Associate Director of Human Resources), the UCTA President (or delegate), the USPA President (or delegate), Benefits Manager or Specialist and a registered nurse. Such individuals shall constitute the Sick Leave Bank Committee. The Executive Director of Human Resources (or the Associate Director of Human Resources) shall be the Chairman of the Sick Leave Bank Committee.
2. Eligibility for donation and number of sick leave days shall be decided by a majority vote of the Sick Leave Bank Committee. In the case of a tie vote, the Chairman of the committee shall make the final decision.

- 
- 
3. Sick leave bank days cannot be used until all paid sick leave days, sub-deduct days and personal days have been exhausted by the employee. Employees may not be reimbursed for sub-deduct costs under this policy.
  4. Application must be made in writing to the Sick Leave Bank Committee through the Executive Director of Human Resources. Employees who are eligible to be members of UCTA or USPA should send a copy of the application to the appropriate union president. An employee may be eligible to receive donations if the Committee determines the employee meets the criteria described in this policy and the employee has followed district policies regarding the use of sick leave.
  5. In order for the Sick Leave Bank Committee to evaluate whether an application for donation for sick leave bank days qualifies under this policy, the employee must sign a release stating that members of the Sick Leave Bank Committee will be authorized to receive information regarding the nature and extent of the applicant's condition or the condition of the household member for which leave is requested. Applications for sick leave donation from the bank will not be considered until a release has been received from the employee. The Sick Leave Bank Committee members will be required to sign an agreement to keep all such information confidential.
  6. The employee will be required to submit a medical certificate from a physician verifying the severe or extraordinary nature and expected duration of the condition and may be required to produce additional certifications to verify the continued severe or extraordinary nature of the condition and expected duration. "Severe or extraordinary" may include severe conditions resulting in non-elective surgery, as well as life-threatening conditions, but does not include ongoing or sudden conditions that are not severe, extraordinary or life-threatening and does not include routine or non-life-threatening chronic conditions.
  7. Sick leave received by the bank will be paid at the daily rate of the receiving district employee. The sick leave received by a district employee from the bank will be designated as donated sick leave and will be maintained separately from all other sick leave.
  8. Sick leave received by an employee pursuant to an application for donation from the bank can only be used for the condition verified by the physician pursuant to that particular application and any unused days will be returned to the bank.
  9. Pursuant to State Law, members who have not abided by district policies regarding the use of sick leave are prohibited from utilizing sick leave days.
  10. Use of Days:
    - a. The maximum number of days granted per application shall be limited to the equivalent of the employee's thirty (30) work days donated from the bank per school year.
    - b. In case of extreme or unusual circumstances, the employee may appeal to the Sick Leave Bank Committee for consideration to extend beyond the thirty- (30-) day per school year limit.
    - c. During his/her employment with the district, the employee shall be limited to the equivalent of the employee's ninety (90) work days donated from the bank.
    - d. Donations from the bank will not be permitted for employees who have been released to work for any portion of the workday.
    - e. A qualifying employee who has exhausted his/her availability of donated leave under the Sick Leave Bank policy may utilize sick days donated by individual employees as per the Individual Sick Leave Donation Program below.
    - f. As of the effective date an employee is approved for payment(s) under the long-term disability policy provided by the district, the employee will cease to qualify to utilize sick bank days.

---

---

All donated sick leave must be given voluntarily. No employee shall be coerced, threatened, intimidated, or financially induced into donating sick leave for purposes of this program.

This policy shall be reevaluated and/or revised annually by the Sick Leave Bank Committee.

### **INDIVIDUAL SICK LEAVE DONATION PROGRAM**

This program provides a method for full-time and part-time employees who have been employed with the district for three (3) consecutive years to receive donations for extraordinary or severe illness, injury, impairment or physical or mental condition or pregnancy or recovery from childbirth that has caused or will cause the employee to exhaust all accumulated sick leave earned pursuant to the School Laws of Oklahoma. Requests for donations under this program must be submitted to the Sick Bank Committee for review to determine if employee qualifies for donation under this policy. A USPA/UCTA representative will, if request for donation is approved, distribute information to facilitate donations under this policy.

In order for an employee to donate sick leave to another employee under this program, the donating employee must meet the following conditions:

4. The donating employee must submit a signed, dated form to Human Resources, after designating the number of days he/she agrees to donate and the naming individual to receive the donation. The donating employee will further agree, by signing the form, that he/she will donate any days not used by the individual to the sick leave bank. Any days donated to the sick leave bank become the property of the bank and will remain in the bank until exhausted. If the donating employee does not agree to donate the days unused by the individual to the sick leave bank, sick days cannot be donated to the individual.
5. The donating employee may only donate sick leave to employees qualifying under this policy. An employee may receive donations after the Sick Leave Bank Committee determines that the employee meets the criteria described in this policy and the employee has followed district policies regarding the use of sick leave.

In order to qualify to receive donations of sick leave from an individual, an employee must meet the following conditions:

Days not utilized by the receiving employee will not be retained by the employee for future use.
8. During his/her employment with the district, the employee shall be limited to the equivalent of the employee's ninety (90) workdays of sick leave donations from individual(s) under this program.

## SICK LEAVE POLICY - CERTIFIED EMPLOYEES

---

---

1. Sick leave benefits are strongly endorsed by the Board of Education of the Union School District to provide a degree of individual and family security.
2. Accumulated sick leave may be used by certified employees for absence from their regular duties as a result of personal accidental injury, illness, pregnancy, or accidental injury or illness in the immediate family. The immediate family includes spouse, parent, parent-in-law, child (including foster children or children of guardianship), legal dependent, or persons who currently reside in the employee's household. Accumulated sick leave may also be used for the serious illness of a sibling, grandparent, or grandchild.
3. Certified employees shall earn sick leave determined by length of contract at the beginning of each school year. Ten- (10) month employees shall accrue ten (10) days per year, eleven- (11) month employees shall accrue eleven (11) days per year and twelve- (12) month employees shall accrue twelve (12) days per year. Sick leave shall accrue at the beginning of the school year. Accumulated sick leave credit will be reduced by one day for each day on which the employee is absent for reasons covered by the sick leave policy.
4. Sick leave shall be cumulative up to 120 days.
5. Payment for sick leave shall be made on the basis of the current salary rate then in effect for the employee entitled to the payment.
6. If any employee has exhausted his/her accrued sick leave due to personal accidental injury, illness, pregnancy, or illness of the employee's minor child and is unable to return to his/her duties because of such reasons, the employee will be entitled to an additional 20 days per year at the employee's full salary rate less the amount determined by the Board of Education to pay a substitute teacher for the additional period of 20 days. Additional days granted at substitute deduct must be taken in conjunction with the absence, due to causes listed, which prevents the employee from returning to work.
7. If an employee is unable to return to his/her duties after exhausting all sick leave, the employee may be placed on leave of absence without pay until the end of the contract period or until the employee is able to return to his/her duties during the contract year. Leave shall be extended if requested by an employee and approved by the Executive Director of Human Resources with no discrimination shown to any employee.
8. If an employee who has exhausted his/her sick leave and has been placed on a leave of absence without pay returns to duty during the following August term, and if the employee is qualified to perform his/her duties, the employee shall be restored to such position or to a position of like seniority, status and incentive pay.
9. As of the effective date an employee is approved for payment(s) under the long-term disability policy provided by the district, the employee will cease to qualify to utilize sick leave.
10. Any employee who abuses the sick leave policy is subject to disciplinary action as determined by the Superintendent. An employee may be required to submit appropriate evidence concerning the cause of his/her absence in order to qualify for sick leave benefits. An employee who seeks to return from a leave of absence may be required to submit appropriate medical evidence of fitness for work.

General Leave of Absence without pay may be granted for a period of up to one (1) fiscal year by the Superintendent or the Executive Director of Human Resources as authorized by the Board of Education provided it is considered to be in the best interests of the school and/or the individual requesting this type of leave. Teachers must have completed at least three (3) full years of employment with the district in order to be eligible for general leave. Teachers on temporary contract are not eligible for general leave.

Teachers may remain on the group health insurance plan while on leave through COBRA. The employee shall be entitled to continue participation in all COBRA-qualifying benefits at the employee's expense during the leave period.

Requests of employees for a General Leave of Absence may be granted for reasons of health and illness of an immediate family member, which includes spouse, parent, child, legal dependent or persons who currently reside in the employee's household. Requests for medical leave shall be accompanied by a doctor's certification verifying need for medical leave. Employer may periodically request recertification of medical necessity for leave. Said requests shall be submitted in writing at least one (1) month prior to the date requested setting forth the reason for leave, the length of such leave and the expected date of expiration of General Leave. Requests of employees for General Leave of Absence for the entire school year may also be granted for reasons of child rearing, educational certification, vocationally related travel/work experience or other legitimate requests provided such requests must be submitted in writing to the Superintendent by May 1 for the next school year. Requests for General Leave of Absence for child rearing must be submitted in writing to the Superintendent or designee by May 1 for leave beginning in the fall semester of the next school year or by October 1 for leave beginning in the spring semester of the school year in progress. All such leave requests will be in effect for the remainder of the school year. Said written request shall state the reason for leave. Employees shall not return from leave prior to the date of expiration specified on the leave request without district approval. General leave is not intended for employees seeking a teaching position elsewhere.

### B. TEMPORARY LEAVE

Union Public Schools shall provide Temporary Leave with pay for time necessary to appear in legal proceedings affecting the school system, school business, or to participate in school services. The Superintendent or designee shall request such leave at least three (3) days prior to the date of leave.

### C. RENEWAL OF LEAVE OF ABSENCE

A second full fiscal year leave of absence may be granted: (1) to employees who enter a graduate program. Such graduate program must be verified at the end of the first year leave of absence (March 1) before the second year leave is granted; or (2) to employees who have extended personal or immediate family illnesses. Such illness must be verified by a physician's statement at the end of the first year leave of absence (March 1) before the second year leave is granted.

For any leave of absence type, a second full fiscal year Leave of Absence may be granted if the first year leave begins after March 1 of the current school year.

A request from an educator of Union Public Schools on leave to renew his/her leave of absence must be received by the Board of Education/Administration on or before March 1 of each year or the employment of the employee with the district will be terminated.

### D. RETURN FROM LEAVES OF ABSENCE

The Board of Education in granting a leave of absence indicates its intent to re-employ the educator at the end of the leave period.

---

---

The educator must notify the Board of Education/Administration on or before March 1 of his/her intent to return to work. Failure to notify the Board of Education/Administration of such intent to return will result in termination of employment.

Request to return from leave of absence granted for health reasons or temporary disability must be accompanied by a physician's statement certifying the employee is ready to return to work.

1. Certified employees who are on leave for one (1) year or less shall be guaranteed their same position upon return provided the employee complies with all requirements of his/her re-employment and returns on the first day of the ensuing school year (subject to the exceptions below). Employees granted leaves of absence for health reasons may return during the school year to their same position (subject to the exceptions below).
2. If a position vacated by an employee during his/her leave of absence is eliminated due to curriculum, enrollment, funding or redistricting, the employee shall be guaranteed a position upon his/her return provided the employee meets the other requirements of this policy. Additionally, any position that is considered by the district to be a position that is difficult to fill may be filled during an employee's leave of absence (subject to FMLA provisions), and the employee will be guaranteed a position upon his/her return provided the employee meets the other requirements of this policy. The district will notify the employee of "difficult-to-fill" status before the position is filled, and the employee will be given an opportunity to rescind his/her leave request.
3. Certified employees returning from a leave at any time other than the first day of the ensuing school year shall be guaranteed a position provided the employee complies with all requirements of his/her reemployment.

**E. EXPIRATION DATE**

All leave of absences expire automatically on June 30 of each year and may be extended through a second year upon written request and Board approval for unusual circumstances.

## PERSONAL LEAVE

---

All certified employees shall be granted a total of three (3) days per year for personal leave at no substitute deduct.

Unused personal leave for the previous fiscal year may be carried forward to the following year (banked) as personal days up to a maximum accumulation of five (5) personal days. Any additional personal days will be cancelled on June 30 and an equivalent number of sick days added to the employee's sick leave accrual. Teachers shall not take more than three consecutive personal days during State testing (as determined by the principal) or days immediately before and/or after winter break, spring break, or fall break.

Personal Leave may be used at the discretion of the certified employee except that personal leave taken the day before and after fall holidays, Thanksgiving break, winter and spring breaks, or one week after the beginning and one week prior to the end of school or on staff development days would require that a leave be requested through the online leave system at least five (5) working days in advance of the date taken.

Upon application to and approval of the Superintendent or Executive Director of Human Resources, certified employees may be granted up to two (2) additional day(s) of leave for the purpose of taking a trip. Please note per current TRS rules, if a request for unpaid leave is granted, the employee will be required to sign a form acknowledging that unpaid days will negatively affect the employee's Teachers' Retirement including EESIP (Education Employees Service Incentive Plan). Employee will receive only a partial year of service credit from TRS when unpaid day(s) are taken.

## **REIMBURSEMENT FOR UNUSED SICK LEAVE - CERTIFIED EMPLOYEES**

---

---

Upon retirement, resignation, severance or other termination, certified employees who have been continuously employed in the Union School District in a sick leave qualifying position for the last ten (10) years are eligible to be paid for unused sick days in accordance with this policy.

1. Sick leave payout for qualifying, terminating certified employees will be automatically initiated at a regular payroll processing date as part of the final payout process of the Payroll Department.
2. The Board will pay all qualifying, terminating certified employees at the rate of \$50.00 per day for unused sick leave up to 120 days accumulated while employed at Union Public Schools. Only days accumulated while continuously employed at Union Public Schools will be eligible for payment. Transferred-in sick leave days from any source, including sick leave accumulated from prior service with Union Public Schools, will not be eligible for payment.
3. The Board of Education will pay all qualifying, terminating certified employees at the rate of \$65.00 per day for unused sick leave accumulated in excess of 120 days. Only days accumulated while continuously employed at Union Public Schools will be eligible for payment. Transferred-in sick leave days from any source, including sick leave accumulated from prior service with Union Public Schools, will not be eligible for payment. These days in excess of 120 will be maintained by the district until employment ends and will not be available for employee sick leave or donation leave use.
4. Any qualifying, terminating certified employee who wants to retain sick days for the purpose of transferring the sick days to another school district for the next school year, (rather than having the days automatically paid out), must request in writing to the Director of Payroll that sick days be retained (for the purpose of allowing the employee to transfer the sick days to another school district for the next school year). The written request to retain sick days must be received by the Director of Payroll no later than thirty (30) days after the employee's notice of retirement, severance, resignation or other termination is received by the Human Resources department.
5. The transfer of sick days to another school district must be initiated by the employee by submitting the appropriate form (obtained from the receiving district) to the Payroll Department. By law, such transfer of unused sick days to another district must occur for the next school year after the employee terminates employment with Union Public Schools.

Current sick leave balance could include the cap of 120 days, plus ten (10) sick days for the current school year, plus any unused personal leave days from the previous year.

Only days currently accumulated while continuously employed at Union Public Schools will be eligible for payment. A leave of absence granted by the Union Board of Education shall not be considered as an interruption of employment.

## **EARLY RETIREMENT INCENTIVE PROGRAM - CERTIFIED EMPLOYEES**

---

---

### **PURPOSE:**

The purpose of the Early Retirement Incentive (ERI) program is to serve the needs of this school district. Benefits that may come to an individual employee are, in fact, incidental to the program. The provisions of this program are therefore purposely restrictive and intended to favor the needs of the district, rather than the prospective retiree. The Board may or may not elect to offer a plan in any given school year.

Teachers may request early retirement. Subsequently the district will review the terms of and financial impact for the proposed term of the program. The policy will be reviewed, revised if warranted and implemented only if the district's economic status will benefit from the program. The analysis detailing all long-term implications shall then be submitted to the Board for approval.

### **CONDITIONS FOR PARTICIPATION:**

1. A. Applicants must be eligible for full service retirement benefits with 80 points (for members who joined TRS before July 1, 1992) or 90 points (for members who joined TRS after June 30, 1992) or approved disability retirement through the Teachers' Retirement System of Oklahoma, be at least on Step 20 of the salary schedule, and have worked a minimum of the last ten consecutive years as a full-time certified employee of the district. In order to receive benefits under this policy, the participant must retire under TRS. All of these qualifications must be met by June 30 of the fiscal year in which the teacher is requesting participation in the ERI program.
- B. Applicants who have not met the 80 or 90 points, but who have met all other qualifications for full service retirement under TRS due to reaching the age of 62 or 65 whichever is legally applicable under TRS rules for full, unreduced retirement through the Teachers' Retirement System of Oklahoma, and are at least on Step 20 of the salary schedule, and have worked a minimum of the last ten consecutive years as a full-time certified employee of the district. In order to receive benefits under this policy, the participant must retire under TRS. All of these qualifications must be met by June 30 of the fiscal year in which the teacher is requesting participation in the ERI program.
2. In order to receive benefits under this policy a participant must retire under TRS at the conclusion of the fiscal year. All paperwork must be completed and turned in to TRS before the end of the fiscal year.
3. Eligibility for participation is only available to those whose retirement date is planned to coincide with completion of the eligible designated district semesters.
4. A written request from employee to participate in the ERI program, beginning in August of the next fiscal year must be received by the Office of Human Resources no later than February 1. It is the employee's responsibility to confirm request was received by Human Resources by February 1. Contingent upon any necessary Board approval prior to the end of the fiscal year, the Superintendent may waive the provisions of this section if it is determined to be in the best interest of the district. The Superintendent has the discretion to move ERI participation request to a December 1 deadline, instead of the February 1 deadline, when early planning for budget and staffing is in the best interest of the district. Employees will be notified by Human Resources if the deadline is changed.
5. To receive benefits under this program, applicants for the ERI program must sign the ERI release and waiver agreement acknowledgement provided by the Human Resources Department and return these signed documents to the Human Resources Department by the deadline stated in the agreement. The release and waiver/acknowledgement document will outline the applicant's legal rights and the timeline to review the documents and deadline to revoke (if the applicant should choose to revoke).
6. If a request to participate in the program has been received by February 1, the request may not be revoked (pending Board approval of the ERI program) unless the applicant revokes his/her requested participation

in writing to the Human Resources Department by the deadline stated in the ERI release and waiver/ acknowledgement. After the revocation deadline, the employee may appeal to the Superintendent to waive the obligation to retire.

7. In the event of death prior to the end of the maximum benefit period, all benefits will cease immediately.
8. Benefits will permanently and immediately cease if participants accept employment with any school district in the State of Oklahoma except that employment shall be permitted at Union Public Schools as a certified substitute, a certified provisional employee, or in any school district at a non-certified position which meets the following condition. The condition is that the non-certified employment must be qualified with the Teachers' Retirement System as a position and at a salary level that could continue to qualify for Teachers' Retirement payments. This condition must be met even if the individual is not collecting Teachers' Retirement. Without prior approval from the Superintendent, a retiree will not be rehired as a certified employee at Union Public Schools nor transfer from a non-teacher position into a certified position (other than substitute teacher).
9. An ERI participant under this policy who returns to work in the district in a capacity that qualifies the employee for paid insurance, forfeits the insurance benefit under the ERI. However, the Teachers' Retirement System payment to the district which goes toward the retiree's health insurance premium will still be required.
10. In the event participants become employed where health insurance is provided as a benefit, the Union Public Schools' health care program will become the secondary carrier of health care benefits. Failure to notify the district of health insurance provided by other employers will result in the revocation of all health care benefits provided by this program.

#### **MINIMUM BENEFITS:**

1. Insurance - Premiums will be paid up to the full cost of single PPO health, dental, vision, and district-provided life insurance\* up to twenty-four (24) consecutive months beginning in August of the retirement year. Medicare eligible retirees can choose to select Medicare Supplement plans offered through Union Public Schools in lieu of the district health plans, and those premiums will be paid up to the cost of the single PPO amount. Disability insurance and Flexible Benefits are excluded.

The employee shall have the option to continue dependent insurance coverage that is in force at the time of retirement. The cost of dependent coverage will be the responsibility of the employee, and retirees will be required to sign up at each annual open enrollment to maintain eligibility. The cost of this coverage is subject to change annually but will reflect coverage that is available to all eligible employees of the school district.

**NOTE:** When participants in Union's health insurance plans ("plan members") turn 65, Part A of Medicare is available at no cost from the federal government. When plan members are both 65 AND retired (or on ERI), they must activate Part B of Medicare with the federal government and pay the associated premium to the federal government in order to avoid a late penalty. If plan members do not activate Part B when they are first eligible, they could be penalized. These rules also apply to a dependent on the member's plan.

When plan members retire and are 65, Medicare A & B will pay primary to any Union Schools plan, regardless of who is paying the premium for the insurance and regardless of whether you have Early Retirement status or not. If plan members do not activate Medicare Part B, Union plans will only pay what they would have paid if Part B had been activated.

If a plan member remains on one of Union's HMO or PPO plans, he/she does not need to activate Part D for prescriptions. Union's HMO and PPO plans have creditable coverage and

satisfy the government requirements. However, should the plan member move off those plans to a Retiree Medicare Supplement, he/she will need to activate Part D Prescription Drug Coverage. For further information or clarification, please contact the Social Security Administration and/or Medicare.

Annual Payment - For employees who qualify under 1A above, the minimum benefit will begin in August of the retirement year and be paid up to twenty-four (24) consecutive months beginning in August of the retirement year. ## WORKERS' COMPENSATION

---

---

The District shall provide the benefits established under the Oklahoma "Workers' Compensation Act" to all district employees who are injured in on-the-job accidents.

All regular employees who are injured in on-the-job accidents shall receive statutory benefits including medical expenses, temporary compensation and benefits for permanent disability or death.

The election to receive sick leave/personal leave benefits shall not limit the payment of medical expenses under the provisions of the "Workers' Compensation Act" while the employee utilizes accumulated sick leave.

At the option of the employee, temporary total disability benefits shall be supplemented by any sick leave/personal leave or fraction thereof available to the injured employee, to the extent that the injured employee shall receive full wages during the employee's temporary absence. The sum of all temporary total disability payments and sick leave/personal leave shall in no case combine to exceed one hundred percent (100%) of the employee's net pay as it existed prior to the injury.

### Impact to Oklahoma Teachers' Retirement

Upon return to work, the employee must contact Oklahoma Teachers' Retirement System (TRS) if he/she wishes to pay back any TRS payments missed during the workers' compensation absence. TRS deems the employee responsible for all payments associated with back-paying TRS for workers' compensation.

# WORKERS' COMPENSATION/SICK LEAVE ELECTION FORM

I suffered an on-the-job injury on \_\_\_\_\_, 20\_\_\_\_, while working for the Union School District. As a result of the injury, I am entitled to receive temporary disability compensation according to the Workers' Compensation laws of Oklahoma. I understand that I am entitled to receive such compensation until I am released by a physician to return to work. I have accumulated certain sick leave benefits, because of my employment, which are available to me when I am away from my employment because of illness or injury.

I would prefer to have:

**Sick Leave Compensation** -- Number of days \_\_\_\_\_ (To be filled in by a Human Resources representative.)

I understand that by choosing to be paid my accumulated sick leave instead of the temporary disability provided by law I will be paid my sick leave until I return to work or the number of sick leave days I have are exhausted.

I understand that after the number of specified sick leave days are exhausted, I will receive temporary disability compensation for the remainder of time off the job.

I understand that my accrued sick leave benefits will be decreased by those days I use as a result of making this election. I further understand that in order to be paid my sick leave benefits, that I will be required to endorse and tender to the Union School District any temporary disability payment I receive during the time I am receiving sick leave benefits.

**OR**

I would prefer to have:

**Workers' Compensation** -- Workers' Compensation Temporary Benefits

Under the Workers' Compensation Act, temporary benefits begin the fourth day off work due to an on-the-job injury. The first three days are considered a waiting period and are not paid, but I understand that I will be paid my accrued but unused sick leave to cover these three days. I understand that by making this election, I will not be paid any sick leave benefits beyond the first three days of the waiting period.
