EMPLOYEE WORK SCHEDULE

A. Definitions

1. **Regular Full-Time Employee:** A support employee who, on a set schedule, consistently works six (6) hours or more per day, five (5) days a week, totaling thirty (30) hours or more per week in the primary job. Other schedule configurations may be approved by the Executive Director of Human Resources.
2. **Regular Part-Time Employee:** A support employee who, on a set schedule, consistently works at least three (3) hours per day but less than six (6) hours per day, five (5) days a week, totaling at least fifteen (15) hours per week but less than thirty (30) hours per week in the primary job category assigned.
3. **Temporary Full-Time Employee:** A support employee in a temporary position allocated for one (1) full school year due to duration of need or funding basis who, on a set schedule, consistently works six (6) hours or more per day, five (5) days per week, totaling thirty (30) hours or more per week in the job category assigned. This group of employees does not qualify for benefits beyond those legally required or granted by the USPA Master Contract or Board Policy.
4. **Temporary Part-Time Employee:** A support employee in a temporary position allocated for one (1) full school year due to duration of need or funding basis who, on a set schedule, consistently works at least three (3) hours per day but less than six (6) hours per day, five (5) days a week, totaling at least fifteen (15) hours per week but less than thirty (30) hours per week in the primary job category assigned. This group of employees does not qualify for benefits beyond those legally required or granted by the USPA Master Contract or Board Policy.
5. **Provisional Employee:** A support employee who does not meet the definition of Regular Part-Time, Regular Full-Time, Temporary Full-Time or Temporary Part-Time Employee. This group of employees does not qualify for benefits beyond those legally required.

- B. On days when school is closed due to inclement weather, twelve-month and other necessary support employees are expected to work as advised by their supervisor(s). If any employee is not able to start work at the regular time, then the employee will be allowed to complete the proper number of hours of work within the pay period with approval of the employee's supervisor. If possible, make-up hours of work should be performed during the same work week as exchange time.
- C. All time worked by the employee must be recorded by a time clock unless time clocks are unavailable. All time not recorded on a time clock must be documented by a missed punch sheet or a time sheet.
- D. All overtime must be approved by the immediate supervisor in advance. Overtime shall be paid at the rate of one-and-one-half (1 1/2) times the employee's regular hourly rate of pay for all time worked in excess of forty (40) hours during the employee's work week. An employee may receive compensatory time at time-and-a-half per hour of overtime worked in lieu of overtime pay. All compensatory time must be used by fiscal year end or the employee must request payment on the time sheet by June 10. A record of all compensatory time earned and used will be maintained on the daily work record or timecard. Accrued compensatory time will be applied to any absence for which no leave is available.
- E. If the employee and immediate supervisor opt for exchange time off, a record of all exchange time earned and used will be maintained on the Employee Daily Work Record, time card or in the electronic timekeeping system. Exchange time must be used in the work week (Sunday through Saturday) earned hour for hour.

An example of exchange time is working one extra hour on day one of the work week (Sunday through Saturday) in exchange for missing one hour on day three of the same work week.

- F. For the purpose of determining the work week and calculating vacation, sick leave and personal leave, the following shall count as regular work days: holidays, paid sick days, paid personal days, paid vacation days and other paid leaves. Any paid leave day(s) shall not count toward the forty (40) hours necessary to be worked in one week to be eligible for overtime pay.
- G. Employees called back to work shall be guaranteed a minimum of four (4) hours' pay.
- H. If work is required by the supervisor on a district-granted paid holiday, the employee shall be paid at two (2) times the employee's regular hourly rate of pay or may choose equivalent compensatory time.
- I. When absence creates work overload, employees and supervisors will make a good faith effort to devise plans to distribute work equitably among those present.
- J. By May 15, the next year's support work calendar will be issued to nine-, ten- and eleven-month employees with their start and end work dates clearly indicated. No later than the first day of school in August, a schedule of days to be worked will be posted at the ESC and each school site.

2. The grievant is the support employee(s) making the claim. The USPA may file a grievance on behalf of the Association when it is alleged that the Association's rights have been violated.
3. Days shall mean work days of the employee. Outside the regular work year of the employee, days shall mean Monday through Friday, except when District offices are closed.
4. A party in interest shall mean the grievant and the administrator/supervisor involved.

C. Procedure

Steps shall be followed in sequence, subject to be discontinued by the grievant at any point in the procedure.

1. Informal Procedure

The grievant must discuss the alleged violation informally with his/her immediate supervisor/administrator in an attempt to reach a solution. No written record of the grievance shall be kept if the grievance is not pursued beyond the informal level.

2. Formal Procedure

The grievant must cite the article and section alleged to have been violated, and the specific remedy sought.
- (2) The supervisor/administrator shall schedule and hold a formal meeting with the grievant within five (5) business days after the receipt of the written grievance and shall transmit a written decision to the grievant within ten (10) business days of the Level One meeting.

b. Level Two

- (4) Each party shall be allowed to submit testimony and exhibits to the hearing officer.
- (5) The order of presentation of a Level Two hearing shall be as follows: opening statements, presentation of documentary evidence, calling of witnesses, cross-examination of witnesses and redirect, and closing statements. The grievant shall present his/her case first. Either party involved may waive any part(s) of its presentation.
- (6) The hearing officer shall limit the decision to the testimony of witnesses, exhibits, and any evidence as presented.

-
-
- (7) The hearing officer shall transmit a written decision to the parties in interest within ten (10) business days of the hearing.

8. Failure in any step of this procedure to appeal to the next level within the specified time limits shall be deemed to be acceptance of the decision at that level.
9. Failure to communicate the decision at any step of this procedure within the specified time limits shall permit the grievant to proceed to the next step.
10. Time limits at any level may be extended by mutual agreement, and such agreements shall be reduced to writing and placed in the record for that grievance.

On June 30 of each year, any sick leave balance exceeding the maximum will be reduced to 120 days for full-time employees and 690 hours for part-time employees. - F. Each fiscal year, after six (6) cumulative sick leave absences undocumented by a physician's slip, employee may be required to bring a physician's slip for each occurrence thereafter. If a physician's slip is not provided when required, requested leave will be changed by Human Resources to personal or vacation leave. After sick leave is exhausted, employee will be required to use compensatory time, vacation and/or personal leave or paydock for continued absence(s). One physician's letter may be submitted to cover related treatment absences. Special circumstances may be considered by the Executive Director of Human Resources if presented in writing.
- G. Twelve-month employees who need to utilize sick leave on a day when the school sites are closed due to bad weather or emergency are required to submit a physician's statement to verify the absence qualifies for sick leave. If a physician's statement is not provided, the employee will be docked a day of vacation, personal leave or compensatory time, or if the employee has no such leave available, the day will be unpaid.
- H. Sick leave records of balances up to and including 120 days, as well as records of days exceeding 120 days, shall be maintained by the district to allow eligible support employees to receive credit for one (1) year of service according to Teacher Retirement System regulations. - I. Sick leave can only be used while employed as a full-time or part-time employee and will be lost if employee terminates or goes to provisional status.

DISTRICT EMPLOYEE SICK LEAVE BANK AND INDIVIDUAL SICK LEAVE DONATION PROGRAM

A. District Employee Sick Leave Bank

A Sick Leave Bank consisting of sick leave days donated by employees of the district shall be established. The guidelines for administering this bank shall be established and carried out by the Sick Leave Bank Committee.

The Sick Leave Bank Committee shall maintain records and submit a report by the end of each fiscal year to the Chief Financial Officer which provides an accounting of the number of days donated, number of days authorized for use, and remaining available balance of the bank. The report shall also list the names of the bank members.

B. Purpose

To provide a bank of sick leave days from which qualifying members of the sick leave bank may request donations for extraordinary or severe illness, injury, impairment or physical or mental condition or pregnancy or recovery from childbirth that has caused or will cause the employee to exhaust all accumulated sick leave earned pursuant to the School Laws of Oklahoma.

C. Membership

All full-time and part-time district employees (certified, support, associate and administrative) may become members of the sick leave bank upon employment, provided they contribute days to the bank. Members may not access sick bank days until the employee has been a member of the sick leave bank for one (1) year.

1. The committee will notify all new full-time and part-time employees of this benefit.
2. Employees are responsible for initiating the sign-up process and may enroll in the sick leave bank within sixty (60) days of employment date or at an annual open enrollment for benefits.
3. Full-time employees shall contribute at least one (1) day of sick leave upon becoming members of the sick leave bank. Part-time employees must contribute five (5) hours of sick leave upon becoming members of the sick leave bank. Employees (full-time and part-time) may not contribute more than ten (10) days per year to the bank.
4. The minimum number of days in the bank shall be one hundred (100). Should the number of days drop below this minimum, each member shall be required to contribute another day in order to remain a member of the bank. Any member of the sick leave bank who has no sick leave days accumulated when these days are assessed may remain a member of the sick leave bank for the remainder of the current school year and shall contribute two (2) days at the beginning of the next school year.
5. Days contributed or assessed become the property of the sick leave bank and no longer count toward the individual member's accumulated or current sick leave. Days contributed shall remain in the sick leave bank until exhausted.
6. Only qualifying members of the Sick Leave Bank may receive donations under this policy.

D. Operation

1. The operation and administration of the sick leave bank shall be by the Executive Director of Human Resources (or the Associate Director of Human Resources), the UCTA President (or delegate), the USPA President (or delegate), Benefits Manager or Specialist and a registered nurse. Such individuals shall constitute the Sick Leave Bank Committee. The Executive Director of Human Resources (or the Associate Director of Human Resources) shall be the Chairman of the Sick Leave Bank Committee.
2. Eligibility for donation and number of sick leave days shall be decided by a majority vote of the Sick Leave Bank Committee. In the case of a tie vote, the Chairman of the committee shall make the final decision.

3. Sick leave bank days cannot be used until all paid compensatory time, sick leave, vacation and personal leave days (support employees) and all sick leave, personal leave and sub-deduct days (teachers) have been exhausted by the employee. Employees may not be reimbursed for sub-deduct costs under this policy.
4. Application must be made in writing to the Sick Leave Bank Committee through the Executive Director of Human Resources. Employees who are eligible to be members of UCTA or USPA should send a copy of the application to the appropriate union president. An employee may be eligible to receive donations if the Committee determines the employee meets the criteria described in this policy and the employee has followed district policies regarding the use of sick leave.
5. In order for the Sick Leave Bank Committee to evaluate whether an application for donation for sick leave bank days qualifies under this policy, the employee must sign a release stating that members of the Sick Leave Bank Committee will be authorized to receive information regarding the nature and extent of the applicant's condition or the condition of the household member for which leave is requested. Applications for sick leave donation from the bank will not be considered until a release has been received from the employee. The Sick Leave Bank Committee members will be required to sign an agreement to keep all such information confidential.
6. The employee will be required to submit a medical certificate from a physician verifying the severe or extraordinary nature and expected duration of the condition, and may be required to provide additional certifications to verify the continued severe or extraordinary nature of the condition and expected duration. "Severe or extraordinary" may include severe conditions resulting in non-elective surgery, as well as life-threatening conditions, but does not include ongoing or sudden conditions that are not severe, extraordinary or life threatening and does not include routine or non-threatening chronic conditions.
7. Sick leave received by the bank will be paid at the daily rate of the receiving district employee. The sick leave received by a district employee from the bank will be designated as donated sick leave and will be maintained separately from all other sick leave.
8. Sick leave received by an employee pursuant to an application for donation from the bank can only be used for the condition verified by the physician pursuant to that particular application and any unused days will be returned to the bank.
9. Pursuant to State law, members who have not abided by district policies regarding the use of sick leave are prohibited from utilizing sick bank days.
10. Use of days:
 - a. The maximum number of days granted per application shall be limited to the equivalent of the employee's thirty (30) workdays donated from the bank per school year.
 - b. In case of extreme or unusual circumstances, the employee may appeal to the Sick Leave Bank Committee for consideration to extend beyond the thirty- (30-) day per school year limit.
 - c. During his/her employment with the district, the employee shall be limited to the equivalent of the employee's ninety (90) workdays donated from the bank.
 - d. A qualifying employee who has exhausted his/her availability of donated leave under the Sick Leave Bank policy may utilize sick days donated by individual employees as per the Individual Sick Leave Donation Program below.
 - e. Donations from the bank will not be permitted for employees who have been paid for any portion of the workday.
 - f. As of the effective date an employee is approved for payment(s) under the long-term disability policy provided by the district, the employee will cease to qualify to utilize sick bank days.

All donated sick leave must be given voluntarily. No employee shall be coerced, threatened, intimidated, or financially induced into donating sick leave for purposes of this program.

This policy shall be reevaluated and/or revised annually by the Sick Leave Bank Committee.

E. Individual Sick Leave Donation Program

This program provides a method for full-time and part-time employees who have been employed with the district for three (3) consecutive years to receive donations for extraordinary or severe illness, injury, impairment or physical or mental condition or pregnancy or recovery from childbirth that has caused or will cause the employee to exhaust all accumulated sick leave earned pursuant to the School Laws of Oklahoma. Requests for donations under this program must be submitted to the Sick Bank Committee for review to determine if employee qualifies for donation under this policy. A USPA/UCTA representative will, if request for donation is approved, distribute information to facilitate donations under this policy.

In order for an employee to donate sick leave to another employee under this program, the donating employee must meet the following conditions:

1. The donating employee must be a full-time or part-time employee and may not donate more than ten (10) sick leave days in any one school year.
2. The donating employee may not donate:
 - a. Sick leave brought in from other districts.

3. The donating employee may not donate sick leave under this program if such donation would cause his/her available sick leave balance to drop below 80 hours (10 days).
4. The donating employee must submit a signed, dated form to Human Resources, after designating the number of days he/she agrees to donate and the naming individual to receive the donation. The donating employee will further agree, by signing the form, that he/she will donate any days not used by the individual to the sick leave bank. Any days donated to the sick leave bank become the property of the bank and will remain in the bank until exhausted. If the donating employee does not agree to donate the days unused by the individual to the sick leave bank, sick days cannot be donated to the individual.
5. The donating employee may only donate sick leave to employees qualifying under this policy. An employee may receive donations after the Sick Leave Bank Committee determines that the employee meets the criteria described in this policy and the employee has followed district policies regarding the use of sick leave.

In order to qualify to receive donations of sick leave from an individual, an employee must meet the following conditions:

1. The receiving employee must be a full-time or part-time employee and must have been employed with the district for three (3) consecutive full years (determined by the employee's start date).

3. The receiving employee must have exhausted his/her sick leave, vacation and personal leave days (support employees) and sick leave, personal leave and sub-deduct days (teachers). Employees may not be reimbursed for sub-deduct costs under this policy.
4. The receiving employee must have submitted to the Executive Director of Human Resources a certificate from a physician verifying the severe or extraordinary nature and expected duration of the condition.

5. In order for the Sick Leave Bank Committee to evaluate whether an application for donation for sick leave bank days qualifies under this policy, the employee must sign a release stating that members of the Sick Leave Bank Committee will be authorized to receive information regarding the nature and extent of the applicant's condition or the condition of the household member for which leave is requested, and may be required to provide additional certifications to verify the continued severe or extraordinary nature of the condition and expected duration. Applications for sick leave donation from the bank will not be considered until a release has been received from the employee. The Sick Leave Bank Committee members will be required to sign an agreement to keep all such information confidential.
6. The employee will be required to submit a medical certificate from a physician verifying the severe or extraordinary nature and expected duration of the condition, and may be required to provide additional certifications to verify the continued severe or extraordinary nature of the condition and expected duration. "Severe or extraordinary" may include severe conditions resulting in non-elective surgery, as well as life-threatening conditions, but does not include ongoing or sudden conditions that are not severe, extraordinary or life threatening and does not include routine or non-threatening chronic condition.
7. The receiving employee may only utilize the donated days for which he/she qualifies by virtue of the employee's condition or the condition of a household member for which the donation was specifically made. Days not utilized by the receiving employee will not be retained by the employee for future use.
8. During his/her employment with the district, the employee shall be limited to the equivalent of the employee's ninety (90) workdays of sick leave donations from individual(s) under this program.
9. Sick leave received by the employee pursuant to this program will be paid at the daily rate of the receiving district employee. The sick leave received by a district employee from the donating individual will be designated as donated sick leave and will be maintained separately from all other sick leave.
10. Pursuant to State law, members who have not abided by district policies regarding the use of sick leave are prohibited from utilizing sick bank days.
11. Donations under this program will not be permitted for employees who have been released to work for any portion of the workday.

HEALTH, DENTAL, DISABILITY & VISION INSURANCE

- A. 1. After two (2) full months of continuous employment, the district will pay the amount necessary to pay the differential between the State flexible allowance amount and the single premium rate of health, dental and vision insurance for regular and temporary full-time support employees. The district may change the flexible benefit allowance amount mid-year in the event the State Department changes its flexible benefit allowance amount.

Beginning with the health insurance premiums in June of 2009 for Health Insurance Coverage for the 2009-2010 fiscal year, the district will pay up to the differential between the State flexible allowance amount and the single premium rate of the district’s Self-Insured Medical Indemnity Plan (PPO) towards the full-time support employee’s choice of a district-offered health insurance plan. The district will also pay the single premium for dental and vision insurance for full-time support employees.

2. State Flexible Monthly Benefit Allowance - The state is expected to pay to the district a monthly flexible benefit allowance (State FBA-B) in the amount of not to exceed \$189.70 for each regular and temporary full-time (6 hours or more per day) support employee for the purpose of purchasing health insurance. In addition, the state is expected to pay the district a second monthly flexible benefit allowance (State FBA-A) which will only be granted to full-time employees who have district health insurance. The dollar amount of the second State FBA-A is set by the State of Oklahoma. In accordance with the elections made by the district’s employees with respect to the district’s plan under Section 125 of the Internal Revenue Code (the “125 Plan”), the district will apply the monthly State FBA-A & B toward the payment of health coverage premiums for those employees who have district health insurance coverage. Any portion of the monthly State FBA-B allowance of \$189.70 which such employees do not apply for the purchase of insurance coverage under the district’s 125 Plan will be paid to the employees as additional cash compensation, subject to all applicable withholdings. The State FBA A & B does not qualify as compensation for purposes of the Teachers’ Retirement System. The bill requires the money be pretaxed if it is used for insurance so the district can use the state’s money to pay for insurance.

- B. The Board and the health insurance provider shall determine the provisions and participation requirements for the plan.
 - C. Family coverage shall be offered at the employee's expense.
 - D. If husband and wife are both employed by the district, both single premiums can be applied toward family coverage.
 - E. Employees who work between twenty (20) and thirty (30) hours per week and who are on district-offered health insurance as of June 30, 2003, shall have access to the individual health insurance provided for regular and temporary full-time support employees. Employees accessing this plan will be responsible for paying their own individual monthly premiums to the third party administrator. Effective July 1, 2002, other employees working between twenty (20) and thirty (30) hours per week will not be eligible to access the district-sponsored health and dental plans.
 - F. After two (2) full months of continuous employment, the district will pay the individual premium for disability insurance for full-time employees.
 - G. Failure to attend mandatory new employee orientation may result in the employee being ineligible to waive health insurance benefits until the next open enrollment period and may result in the employee being auto-enrolled in Union's health insurance plan.

EMPLOYEE PENSION PLAN

The Board shall cause all employee contributions of support personnel to the regular retirement plan maintained by the Teachers' Retirement System (TRS) to be "picked up." F.I.C.A. taxes shall be withheld from such contributions.

WAGES AND BENEFITS

- A. Employees will be paid on their appropriate grade on the salary schedule. Current salary at all steps and grades is reflected in the salary schedules which appear as Attachment C. If at any time Federal and/or State minimum wage requirements exceed any step on the USPA salary schedules, minimum wage requirements will be met. If at any time Federal and/or State laws change requiring changes to a position classification (hourly versus salaried) or pay levels, those requirements will be met. The Executive Director of Human Resources will make the changes required to be in compliance with the law(s).
- B. Employees who receive, after being employed with the district, a bachelor's, associate's or master's degree (from an accredited college or university) in an area specifically related to current job functions may be considered for advancement on the salary schedule. The appropriate form and official transcript(s) must be received by the Executive Director of Human Resources prior to September 1 of the school year. If salary advancement is determined to be warranted, pay increase will be applied going forward, but will not be retroactive.
- C. The Chief Financial Officer, Executive Director of Human Resources, President of USPA and Vice President of USPA shall have the flexibility to recommend adjustments to an individual employee's step placement when it is determined that the step placement at hiring was significantly misplaced on the schedule. Employee must request to the Human Resources Department for a review in writing within 36 months of placement.
- D. Non-recurring, one-time 2018-2019 funds have been accrued through employees' conscientious efforts to control spending and to collect revenue due to the district. The accrued funds were allocated to the UCTA, USPA and administrator/associate employee groups with the primary intention of utilizing the funds for employee retention. Any stipend paid to any employee eligible for membership in the bargaining unit from the 2018-2019 fiscal year funds shall be paid for that fiscal year only. In addition, any stipend paid to any employee eligible for membership in the bargaining unit from the 2018-2019 fiscal year shall NOT be included in the definition of "salary" or "salary level" or "benefits" or "compensation" in determining any employee's salary or salary level or benefits or compensation under any statute of the state or under any current or future collective bargaining agreement between the parties. Applicable teachers' retirement and all other legally required withholding and matching payments will be made on all stipends paid. The one-time stipends will be payable from the appropriate 2018-2019 General, Building and/or Child Nutrition funds.

For temporary employees for which Human Resources has not received the rehire HR-100 for the 2019-2020 school year by June 25, if the HR-100 to rehire the temporary employee is received in the Human Resources Department by August 19, the employee can file an appeal in writing to the Executive Director of Human Resources no later than August 23, 2019.

The district administration and/or Board of Education reserve the right to change the total dollar amount and/or percentage allocated for the 2018-2019 stipend and associated benefits for UCTA, USPA and administrative/associate employees by June 30 as necessary to accommodate changes in anticipated revenues or expenditures for fiscal year 2018-2019. The change to the total dollar amount and/or percentage allocated may be either increased or decreased. Any changes made to the total dollar amount and/or percentage allocated for year-end stipends will be reallocated proportionately.

Checks issued in 2019 for the one-time, non-recurring 2018-2019 stipend which are not cashed by September 27, 2019, will be cancelled and not reissued.

Recommendations for 2018-2019 one-time stipends of 5.0% will be paid for qualifying full- and part-time* USPA employees who meet all the following eligibility requirements:

- The support employee must be (1) on active, full- or part-time* employment status with Union during the 2018-2019 school year, and (2) received a 2018-2019 paycheck dated June 2019, and (3) complete his/her

contract through and including the date at the end of their annual primary 2018-2019 contract, and

(4) intend to return to Union Public Schools for the 2019-2020 school year. Individuals who otherwise qualify but who are on approved military leave, FMLA, or Workers Compensation leave qualify.

- Employees who otherwise qualify but who retire through ERI or TRS must complete their scheduled 2018-2019 contract work calendar in order to receive a stipend.
- Support employees who are classified in their primary job code as “certified” on the March 10, 2019, paycheck are not eligible for this one-time support stipend.
- The stipend payment for an employee who otherwise qualifies as an eligible employee and received a regular March 10 paycheck but is deceased at the time of distribution will be paid to the employee’s estate.
- Employees who resign or are not returning for the 2019-2020 school year are not eligible for the 2018-2019 retention stipend.
- Employees who meet the above criteria, except who started full-time or part-time employment on or after February 15, 2019, do not qualify to receive the 2018-2019 stipend.
- Prior to receiving their 2018-2019 retention stipend, eligible employees will sign an employment contract obligating them to return for the 2019-2020 school year and must sign an agreement to pay back the stipend if the employee resigns prior to September 30, 2019. This agreement will also authorize payroll deduction of the stipend amount from any remaining paycheck(s) if resignation* occurs prior to September 30, 2019. Other payment methods may be arranged if there is no paycheck from which to deduct the stipend amount.
- *The district is not obligated to accept an employee resignation during the contract year and will only release an employee from his/her contract at the district’s discretion. If a release from contract is granted prior to September 30, 2019, the employee will be required to pay back the retention stipend.
- All eligible employees must pick up (in person), show ID, and sign for the one-time stipend at the designated payroll pickup at the Education Service Center during business hours on the following dates in July 2019: Tuesday through Thursday, July 9-11, and Monday through Thursday, July 15-17. Stipend checks will not be mailed except for retirees. Any current Union Public Schools employee who has a special situation preventing him/her from picking up his/her stipend check on one of these specified July dates may request authorization for a later pickup date by submitting his/her explanation in writing to the Executive Director of Human Resources by July 26, 2019. Any stipend checks not distributed prior to August 1, 2019, will be voided and the individual will have forfeited receipt of the stipend, other than checks for active employees or retirees who have received authorization for late pickup. If the employee does not come by the date authorized as the late pickup date by the Executive Director of Human Resources, the stipend check will be voided and the individual will have forfeited receipt of the stipend.
- Any employee wishing to file an appeal regarding receipt (or other aspect) of the stipend, must do so in writing to the Executive Director of Human Resources, and the written appeal must be received by the Executive Director of Human Resources no later than 5:00 p.m. on August 23, 2019. If an appeal is granted, TRS contributions may be adversely affected for reissued checks.

The one-time stipend of 5.0% of the 2018-2019 calculated salary is calculated according to the following formula:

- Base pay is that which is paid on the 2018-2019 USPA annual pay table or the employee’s daily hours indicated on the HR-100 in effect for the pay period of the March 10, 2019, paycheck for his/her primary support job code, not including overtime. The daily hours multiplied by the hourly rate of pay as of the March 10, 2019, paycheck multiplied by the number of days per the 2018-2019 support employee work schedule for his/her primary job is used to determine a calculated base pay. The base pay amount is then multiplied by the stipend percentage. For employees who qualify but were hired after July 1, 2018, but before February 15, 2019, the stipend will be calculated on the prorated contract time for 2018-2019.

- The formula excludes stipends, state flex benefit, disability pay, state flex retro pay, overtime, one-time pay, insurance refunds and retirements, workers compensation pay, or any other non-base schedule pay.

If an error has been identified regarding the list of individuals qualifying for the one-time stipend, the Executive Director of Human Resources has the authority to specifically delete, add or modify an individual's name or amount on the list and will notify the USPA President of changes.

- * A full-time position includes a "full-time combo" position, which has officially combined two part-time positions into one full-time position on the HR-100.

EARLY RETIREMENT INCENTIVE PROGRAM - SUPPORT EMPLOYEES

PURPOSE:

The purpose of the Early Retirement Incentive (ERI) program is to serve the needs of this school district. Benefits that may come to an individual employee are, in fact, incidental to the program. The provisions of this program are therefore purposely restrictive and intended to favor the needs of the district, rather than the prospective retiree. The Board may or may not elect to offer a plan in any given school year, and based on the cost to offer the program and other considerations, the Board may or may not elect to approve the plan in any given year. This program would be considered effective June 30, 2013.

CONDITIONS FOR PARTICIPATION:

1. A. Applicants must be eligible for full service retirement benefits with 80 points (for members who joined TRS before July 1, 1992) or 90 points (for members who joined TRS after June 30, 1992), approved disability retirement through the Teachers' Retirement System of Oklahoma, AND have worked a minimum of the last ten consecutive years as a full-time support employee of the district. In order to receive benefits under this policy, the participant must retire under TRS. All of these qualifications must be met by June 30 of the fiscal year in which the support employee is requesting participation in the ERI program.
- B. Applicants who have not met the 80 or 90 points, but who have met all other qualifications for full service retirement under TRS due to reaching the age of 62 or 65 whichever is legally applicable under TRS rules for full, unreduced retirement through the Teachers' Retirement System of Oklahoma, and have worked a minimum of the last ten consecutive years as a full-time support employee of the district. In order to receive benefits under this policy, the participant must retire under TRS. All of these qualifications must be met by June 30 of the fiscal year in which the employee is requesting participation in the ERI program.
2. In order to receive benefits under this policy, a participant must retire under TRS at the conclusion of the fiscal year. All paperwork must be completed and turned in to TRS before the end of the fiscal year.
3. Eligibility for participation is only available to those whose retirement date is planned to coincide with the completion of the fiscal year or completion of the employee's work calendar, if the employee's work calendar is completed for the fiscal year.
4. A written request from employee to participate in the ERI program, beginning in August of the next fiscal year must be received by the Office of Human Resources no later than February 1. It is the employee's responsibility to confirm request was received by Human Resources by February 1. Contingent upon any necessary Board approval prior to the end of the fiscal year, the Superintendent may waive the provisions of this section if it is determined to be in the best interest of the district. The Superintendent has the discretion to move ERI participation request to a December 1 deadline, when early planning for budget and staffing is in the best interest of the district. Employees will be notified by Human Resources if the deadline is changed.
5. To receive benefits under this program, applicants for the ERI program must sign the ERI release and waiver agreement acknowledgement provided by the Human Resources Department, and return these signed documents to the Human Resources Department by the deadline stated in the agreement. The release and waiver/acknowledgement document will outline the applicant's legal rights and the timeline to review the documents and deadline to revoke (if the applicant should choose to revoke).
6. If a request to participate in the program has been received by February 1, the request may not be revoked (pending Board approval of the ERI program) unless the applicant revokes his/her participation in writing to the Human Resources Department by the deadline stated in the ERI release and waiver/acknowledgement. After the revocation deadline, the employee may appeal to the Superintendent to waive the obligation to retire.
7. In the event of death prior to the end of the maximum benefit period, all benefits will cease immediately.

-
-
8. Benefits will permanently and immediately cease if participants accept employment with any school district in the State of Oklahoma, except that employment shall be permitted at Union Public Schools as a substitute teacher or a provisional employee. Without prior approval from the Superintendent or designee, a retiree will not be rehired as a substitute teacher or provisional employee at Union Public Schools.
 9. In the event participants become employed where health insurance is provided as a benefit, the Union Public Schools' health care program will become the secondary carrier of health care benefits. Failure to notify the district of health insurance provided by other employers will result in the revocation of all health care benefits provided by this program.

BENEFITS:

The benefits under this ERI program are:

1. Insurance – Premiums will be paid up to the full cost of single PPO health, dental, vision, and district-provided life insurance* up to twenty-four (24) consecutive months beginning in August of the retirement year. Medicare eligible retirees can choose to select Medicare Supplement plans offered through Union Public Schools in lieu of the district health plans, and those premiums will be paid up to the cost of the single PPO amount. Disability insurance and Flexible Benefits are excluded.
2. Approved ERI participants who are 9/10 month employees will have the cost of single, health, dental, and vision insurance benefits bridged until benefits start in August.
3. The employee shall have the option to continue dependent insurance coverage that is in force at the time of retirement. The cost of dependent coverage will be the responsibility of the employee, and retirees will be required to sign up at each annual open enrollment to maintain eligibility. The cost of this coverage is subject to change annually, but will reflect coverage that is available to all eligible employees of the school district.

NOTE: When participants in Union's health insurance plans ("plan members") turn 65, Part A of Medicare is available at no cost from the federal government. When plan members are both 65 AND retired (or on ERI), they must activate Part B of Medicare with the federal government and pay the associated premium to the federal government in order to avoid a late penalty. If plan members do not activate Part B when they are first eligible, they could be penalized. These rules also apply to a dependent on the member's plan.

When plan members retire and are 65, Medicare A & B will pay primary to any Union Schools Plan, regardless of who is paying the premium for the insurance and regardless of whether you have Early Retirement Status or not. If plan members do not activate Medicare Part B, Union Plans will only pay what they would have paid had Part B been activated. Union plans will not pay the part B portion.

If a plan member remains on one of Union's HMO or PPO plans, they do not need to activate Part D for prescriptions. Unions HMO and PPO plans have creditable coverage and satisfy the government requirements. However, should the plan member move off those plans to a Retiree Medicare Supplement, they will need to active Part D Prescription Drug Coverage. For further information or clarification, please contact the Social Security Administration and/or Medicare.

4. Monthly payment – The minimum benefit will begin in August of the retirement year and be paid up to twenty-four (24) consecutive months beginning in August of the retirement year. Only full-time years of service for Union Public Schools qualify.

Years of Service	Monthly Benefit
10-19 years	\$100
20-29 years	\$200
30+ years	\$300

* as per the life insurance company rules, life insurance payout may decrease at certain age levels for employees and retirees.

II. RECOGNITION

2.1 This Agreement is made and entered into by and between the Union Support Personnel Association, hereinafter termed "USPA" and the Board of Education of the Union Public Schools, hereinafter termed the "Board."

2.2 The Board hereby recognizes USPA as the exclusive representative for the bargaining unit consisting of all non-certified, non-administrative, non-provisional employees. The following non-certified, confidential positions shall be excluded from the bargaining unit: Executive Administrative Assistant to the Superintendent, Executive Administrative Assistant to the Chief Financial Officer, Senior Administrative Assistant to Assistant Superintendent/Executive Director, Administrative Assistant to Cabinet Director, Board Administrative Assistant/Publications Editor, Assistant Treasurer, Finance/Budget/Payroll Supervisor, Finance/Budget/Payroll Specialist, Payroll/Accounting Associate, Payroll Associate, Payroll/Financial Clerk, Senior Financial Clerk as designated, Systems Analyst, Secretary for Accounting, Secretary for Human Resources, Human Resources/Benefits Specialist/Supervisor/Manager, Human Resources and Benefits Assistant/Representative, UMAC Marketing, UMAC Events Coordinator, Computer Specialist, Computer Repair Specialist, Operations Manager, and employees in the Carrera program. The Board and USPA agree not to recognize any other employee organization as the representative of the members of the bargaining unit for the duration of this Agreement. The Board and USPA agree not to discriminate against any member of the bargaining unit because of his/her affiliation or non-affiliation, or participation or non-participation in USPA.

III. SCOPE OF BARGAINING

3.1 The Board and USPA agree to negotiate in good faith on wages, hours, fringe benefits, and other terms and conditions of employment.

3.2 The Board retains and reserves unto itself, all powers, rights, and authority conferred upon and vested in it by State and Federal law, including the right to make policy, rules, and regulations which are not inconsistent with the provisions of the Negotiated Agreement.

3.3 There shall be no negotiations on inherent managerial rights.

IV. NEGOTIATIONS PROCEDURES

4.1 Negotiation Teams

4.1.1 The Board and USPA shall each designate in writing, at the first negotiation session, the names of not more than seven (7) persons who shall serve as their respective representatives for negotiations pursuant to the provisions of this Agreement. Each party shall also designate the person on its team who will serve as chief negotiator. Each party may also designate up to two (2) persons to serve as alternates in the place of absent regular team members.

4.2 Opening Negotiations

4.2.1 Between May 1 and May 31 of each ensuing year, either USPA or the Board shall submit a written request for negotiations to commence to the other party, if it desires there to be negotiations for that year. If no such request is made during the time period above, negotiations will not take place for the ensuing year. In the duration of this Agreement, both parties may mutually agree to reopen negotiations to review intent and/or clarify language.

Procedural Agreement (Continued)

4.2.2 The first negotiations session shall occur on a mutually agreeable date not more than thirty (30) days from the date of the written request to open negotiations.

4.2.3 USPA and the Board shall submit all of their respective negotiations proposals at the first session. Subsequent proposals may only be submitted upon mutual agreement of the parties.

4.3 Negotiations Sessions

4.3.1 All negotiations shall take place between the parties in regularly scheduled negotiation sessions. Only members of the respective negotiation teams may be present during negotiation sessions. Other parties may be present only by mutual agreement of the parties.

4.3.2 Information discussed during the negotiations process is considered confidential. No recording or official transcripts of the negotiations process and/or of any tentative agreements reached during the process shall be made or disclosed without the mutual written consent of both parties. Any information released to parties outside of the bargaining teams must be from joint statements signed by the chief negotiator of the association and the Superintendent, except that the association team may discuss negotiations with its executive committee and the OEA advocate, and the Board may discuss negotiations with the Superintendent's cabinet and the Board of Education.

4.3.3 Negotiations will be conducted at the times, dates, and places mutually agreed upon by the parties. The time, date, place, and agenda of subsequent sessions will be set by mutual agreement of the parties prior to the close of each negotiation session.

4.3.4 While it is not the intention of either party that negotiations meetings be scheduled at times which interfere with the employee work day and the educational programs of the district, if such meetings are scheduled, USPA shall pay the cost of any substitutes needed to replace members of their bargaining team.

4.3.5 News releases will only be made by mutual agreement of the parties.

4.4 Tentative Agreement

4.4.1 Both parties agree that it is their mutual responsibility to empower their respective representatives with the necessary authority to make proposals, to consider proposals, and counter proposals in the course of negotiations, and to reach tentative agreements subject to ratification by the Board and USPA.

4.4.2 When tentative agreement is reached on any item, it shall be reduced to writing, and signed and dated by the chief negotiator of each team. When tentative agreement is reached on all items, they shall be submitted first to the membership of USPA for ratification and then to the Board for ratification. Items that have received tentative agreement cannot be reconsidered unless mutually agreed upon by both parties.

V. IMPASSE

5.1 If negotiations are not successfully concluded by the first day of school, an impasse shall exist. At any earlier time following the initial negotiation session, either party may declare an impasse, or, by mutual agreement of the parties, the date for declaring impasse may be extended beyond the first day of school.

5.2 Within three (3) days of such declaration, the parties may, by mutual agreement, request the services of the Federal Mediation and Conciliation Service.

5.3 If the mediation process has been utilized and has failed to bring about agreement on all items, or if the mediation process was not utilized, the unresolved items shall be submitted to fact finding as follows:

5.3.1 A fact-finding committee consisting of three (3) members shall be formed. One (1) member shall be selected by USPA and one (1) member shall be selected by the Board within five (5) days. The third member shall be selected by the first two (2) members within fifteen (15) days as follows: The parties shall notify the State Superintendent of Public Instruction that a fact finder is needed and

Procedural Agreement (Continued)

request a list of five (5) potential fact finders. If no name is agreeable to both parties, a coin toss shall occur with the party winning the toss having the right to strike a name from the list. The parties will then continue alternately striking names off the list until only one (1) name remains. The remaining name shall be considered as the parties' selection as the third member and shall be the chairperson of the fact-finding committee.

5.3.2 The committee shall meet with the Board's designated representatives and with USPA's designated representatives for the purpose of fact finding.

5.3.3 Within five (5) days after the selection of a chairperson, the representatives of the parties shall meet to exchange written language on each item at impasse. The exchanged documents shall be furnished to the chairperson and other members of the committee. Each item being submitted to fact finding shall show the last position taken by each negotiating team.

5.3.4 The cost for the services of the fact-finding committee including per diem expenses, if any, and actual and necessary travel expenses shall be shared in the following manner: The Board shall assume the expenses of the representative selected by the Board, USPA shall assume the expenses of the representative selected by their organization, and the expenses of the third member shall be shared equally by the Board and USPA.

5.3.5 The fact-finding committee shall have authority to establish procedural rules, conduct investigations, and hold hearings during which each party shall be given an opportunity to present its case with supporting evidence.

5.3.6 All hearings by the fact-finding committee shall be conducted in closed session.

5.3.7 The chairperson shall convene the committee for fact finding. The committee shall meet with the representative of both parties and, within twenty (20) days after the fact-finding hearing, shall present its written recommendation to the Board and USPA. The report shall set forth findings of fact and recommendations on the issues submitted.

5.3.8 If either party decides it must reject one or more of the committee's recommendations, said party must, within seven (7) days after the committee has presented its recommendations, request a meeting of the representatives who have been negotiating for the Board and USPA. The parties shall meet within seven (7) days of the request, unless both parties deem it unnecessary. At such meeting, the parties shall exchange written statements expressing each party's rationale for rejecting each recommendation found unacceptable and shall attempt to clarify any remaining differences. The representatives shall then resume a good faith effort to resolve differences; provided, after fourteen (14) days after the exchange of written statements, as provided for by this section, either party may discontinue such effort.

VI. NO STRIKE CLAUSE

6.1 The procedure provided for herein for resolving impasse shall be the exclusive recourse of USPA. It shall be illegal for USPA to strike or threaten to strike as a means of resolving differences with the Board. Any member of USPA engaging in a strike shall be denied the full amount of his/her wages during the period of such violation. If USPA or its members engage in a strike, then USPA shall cease to be recognized as the representative of the bargaining unit and the Board shall be relieved of the duty to negotiate with USPA.

VII. SAVINGS CLAUSE

7.1 Should any part of this Agreement be found contrary to law, including the repeal of any statute affecting the terms of this Agreement, said part shall be automatically deleted from the Agreement to the extent that it violated the law. The remaining provisions shall remain in full force and effect for the duration of the Agreement if not affected by the deleted part(s). Upon receipt of notification of the final legal action, the Board and USPA shall commence negotiations within thirty (30) calendar days for the purpose of arriving at a legally permissible replacement for the deleted part.

Procedural Agreement (Continued)

VIII. DURATION OF PROCEDURAL AGREEMENT

8.1 This Agreement shall continue in effect for successive fiscal year periods unless notice is given, in writing, between May 1 and May 31 of any year, by either party, that the party desires to modify, amend, or terminate this Agreement. Once such notice is given, negotiations related to changes in this Agreement shall commence on a mutually agreeable date within thirty (30) days of such notice. In the event of an extreme disaster that interferes with the operations of the district, the terms and conditions of this Agreement may be suspended. Agreement terms and conditions would remain suspended for the duration of the declared disaster.

POLICY ON ALCOHOL AND ILLEGAL CHEMICAL SUBSTANCE

The Board of Education, with the intent that all employees have notice and knowledge of the ramifications concerning alcohol and illegal chemical substance use, possession, purchase, sale, or distribution when the employee is on duty or on school property, does hereby adopt the following policy on testing employees and applicants for employment (other than bus drivers) with regard to the use of alcohol and illegal chemical substances.

STATEMENT OF PURPOSE AND INTENT

- A. The safety of students and employees of the district is of paramount concern to the Board of Education.
- B. Employees who are under the influence of alcohol or an illegal chemical substance when on duty or on school property pose serious safety risks to students and other employees.
- C. The use of alcohol and illegal chemical substances has a direct and adverse effect on the safety, personal health, attendance, productivity and quality of work of all employees and the safety of all students.
- D. Recent scientific studies demonstrate that the use of alcohol and illegal chemical substances reduces an employee's ability to perform his/her job beyond the time period of immediate consumption or use.
- E. The Board of Education recognizes that all employees have certain personal rights guaranteed by the Constitution of the United States of America and by the Constitution of the State of Oklahoma as well as by the Oklahoma Standards for Workplace Drug and Alcohol Testing Act, Okla. Stat. Tit. 40, Section 551 et seq. (Supp. 1994). This policy will not infringe on those rights.
- F. As part of this policy, the Board of Education has adopted an Employee Assistance Program in which employees may be referred to third-party providers who will provide the employee, at the employee's expense, a confidential drug and alcohol dependency evaluation and referral service for substance abuse counseling, treatment or rehabilitation. The Board of Education encourages employees who have chemical dependency problems to seek professional assistance.
- G. Due to the devastating impact the use of alcohol and illegal chemical substances can have on the safety of students and employees and their adverse effect on an employee's ability to perform his/her job, the Board of Education will not tolerate employees who use, possess, distribute, purchase, sell or are under the influence (as defined in the policy) of alcohol or illegal chemical substances when on duty or while on school property.
- H. This policy will apply to all employees of the district regardless of position, title or seniority, except that for bus/CDL (commercial driver's license) drivers, the primary policy for alcohol or illegal chemical substances is Board Policy #4028 - Alcohol and Drug Testing for Bus/CDL Drivers and the federal Omnibus Transportation Act of 1991. The district may also apply any or all of the requirements of this policy to bus/CDL drivers, and specifically may apply post-accident testing requirements under this policy to bus/CDL drivers.
- I. Violations of this policy will subject the employee to disciplinary action, including termination.

DEFINITIONS

- A. Applicant: A person who has applied for a position with the district and received a conditional offer of employment.
- B. Illegal chemical substance: Any substance which an individual may not sell, possess, use, distribute, or purchase under either federal or Oklahoma law. Illegal chemical substance includes, but is not limited to, all scheduled drugs as defined by the Oklahoma Uniform Controlled Dangerous Substances Act, all prescription drugs obtained without authorization, and all prescribed drugs and over-the-counter drugs being used for an abusive purpose. By this policy, applicants and employees are placed on notice that the school district may test individuals for drugs and alcohol.
- C. Alcohol: Ethyl alcohol or ethanol.

- D. Under the influence: Any employee of the district or applicant for employment with the district who has any alcohol or illegal chemical substance or the metabolites thereof present in the body in any amount which is considered to be “positive” for such alcohol or drug or drug metabolites, using any scientifically substantiated drug-use screen test and drug-use confirm test.
- E. Positive: When referring to an alcohol or drug-use test administered under this policy, means a toxicological test result which is considered to demonstrate the presence of alcohol or an illegal chemical substance or the metabolites thereof using the cutoff standards or levels determined by the State Board of Health or, in the absence of such State Board cutoff levels, using the cutoff standards customarily established by the testing laboratory administering the alcohol or drug-use test.
- F. School property: Any property owned, leased or rented by the district including, but not limited to, school buildings, parking lots and motor vehicles.
- G. Drug or alcohol test: A chemical test administered for the purpose of determining the presence or absence of alcohol or illegal chemical substances or their metabolites in a person’s blood, bodily tissue, fluids, or products. Adulteration of a specimen or of a drug or alcohol test shall be considered as a refusal to test.
- H. Employee: Any person who supplies labor for remuneration to the district and shall not include an independent contractor, subcontractor, or employees of an independent contractor; provided, however, an independent contractor, subcontractor, or employees of an independent contractor may be subject to a workplace drug or alcohol testing policy under the terms of the contractual agreement when the drug or alcohol testing policy applies to other workers at the job site or workers who are in the same or similar classification or group.
- I. On duty: Any time during which an employee is acting in an official capacity for the district or performing tasks within the employee’s job description, including the taking of an annual physical examination.
- J. Bus driver: A district employee who is required to have a commercial driver’s license (CDL) to perform the employee’s duties; employees of independent contractors who are required to have a CDL, owner-operators, leased drivers, and occasional drivers.
- K. To the extent not specifically defined herein, the definition of any term, word, or phrase found in this policy shall be as set forth in the Oklahoma Standards for Workplace Drug and Alcohol Testing Act.

PROCEDURES FOR ALCOHOL OR ILLEGAL CHEMICAL SUBSTANCE TESTING

- A. Any alcohol or drug-use test administered under the terms of this policy will be administered by or at the direction of a testing facility licensed by the Oklahoma State Department of Health and using scientifically validated toxicological methods that comply with rules promulgated by the State Department of Health. Testing facilities shall be required to have detailed written specifications to assure chain of custody of the samples, proper labeling, proper laboratory control and scientific testing. All aspects of the alcohol and drug-use testing program, including the taking of samples, will be conducted so as to safeguard the personal and privacy rights of employees and applicants. The test sample shall be obtained in a manner which minimizes its intrusiveness.

In the case of urine samples, the sample must be collected in a restroom or other private facility behind a closed stall; a sample shall be collected in sufficient quantity for splitting into two (2) separate samples, pursuant to rules of the State Board of Health, to provide for any subsequent independent analysis in the event of a challenge of the test results of the main sample. The test monitor shall not observe any applicant or employee while the sample is being produced, but the test monitor may be present outside the stall to listen for the normal sounds of urination in order to guard against tampered samples and to ensure an accurate chain of custody. The test monitor may verify the normal warmth and the appearance of the sample. If, at any time during the testing procedure, the test monitor has reason to believe or suspect that an applicant or employee is tampering with the sample, the test monitor may stop the procedure and inform the test coordinator. The test monitor shall be of the same gender as the applicant or employee giving the sample.

The test monitor shall give each applicant or employee a form on which the applicant or employee may, but shall not be required to, list any medications he/she has taken, or any other legitimate reasons for having been in recent contact with alcohol or illegal chemical substances.

- B. If the initial drug-use test is positive for the presence of an illegal chemical substance or the metabolites thereof, the initial test result will be subject to confirmation by a second and different test of the same sample. The second test will use the gas chromatography/mass spectrometry technique or an equivalent scientifically accepted method of equal or greater accuracy as approved by rules of the State Board of Health at the cutoff levels determined by Board of Health rules. An applicant for employment will not be denied employment or an employee will not be subject to disciplinary procedures unless the second test is positive for the presence of illegal chemical substances or the metabolites thereof.
- C. If an initial alcohol-use test is positive for the presence of alcohol, the initial test result will be subject to confirmation by a second and different test using any scientifically accepted method approved by the State Board of Health, at the cutoff levels determined by the Board of Health rules.
- D. A written record of the chain of custody of the sample shall be maintained from the time of the collection of the sample until the sample is no longer required.
- E. Any applicant for employment or employee who is subject to disciplinary action as a result of being under the influence of alcohol or an illegal chemical substance, as and for an appeal procedure, will be given a reasonable opportunity, in confidence, to explain or rebut the alcohol or drug-use test results. If the applicant or employee asserts that the positive test results are caused by other than consumption of alcohol or an illegal chemical substance by the applicant or employee, then the applicant or employee will be given an opportunity to present evidence that the positive test result was produced by other than consumption of alcohol or an illegal chemical substance. The district will rely on the opinion of the district's testing facility which performed the tests in determining whether the positive test result was produced by other than consumption of alcohol or an illegal chemical substance.
- F. In the case of drug-use testing, the applicant or employee will have a right to have a second gas chromatography /mass spectroscopy test performed on the same test sample at the expense of the applicant or employee. In the case of alcohol testing, the applicant or employee will have a right to have a second test performed on the same test sample using any scientifically accepted method approved by rules of the State Board of Health, at the cutoff levels determined by Board of Health rules. The request for the second test must be made within twenty-four (24) hours of receiving notice of a positive test in order to challenge the results of a positive test and subject to approval by the district's testing facility that (1) the facility selected by the applicant or employee for the second test meets the qualifications required for a testing facility under the Oklahoma Standards for Workplace Drug and Alcohol Testing Act and (2) the testing methodology used by the facility selected by the applicant or employee conforms to scientifically accepted analytical methods and procedures, including the cutoff levels, as determined by the State Board of Health. If the re-test reverses the findings of the challenged positive result, then the district will reimburse the applicant or employee for the costs of the re-test. A proper chain of custody shall be maintained at all times in transmitting the sample to and from a second testing facility.
- G. The district may permit testing for drugs or alcohol by other methods reasonably calculated to detect the presence of drugs or alcohol, including but not limited to breathalyzer testing, testing by use of a single-use test device, known as onsite or quick testing devices, to collect, handle, store, and ship a sample collected for testing. However, a breathalyzer test shall not be grounds for immediate termination absent a confirmation test.
- H. The testing facility reports and results of alcohol and drug-use testing will be maintained on a confidential basis except as otherwise required by law. The laboratory performing alcohol or drug-use tests for the district will not report or disclose to the district any physical or mental condition affecting an employment applicant or employee which may be discovered in the examination of a sample other than the presence of alcohol or illegal chemical substances or the metabolites thereof. The use of samples to test for any other substances will not be permitted.

APPLICANT AND EMPLOYEE ALCOHOL AND DRUG-USE TEST REQUIREMENTS

The district is authorized to conduct drug and alcohol testing in accordance with the Standards for Workplace Drug and Alcohol Testing Act. The district has chosen to conduct drug or alcohol testing under the following circumstances:

- A. Applicant testing: The district will require an applicant, as defined above, to undergo drug or alcohol testing and may use a refusal to undergo testing or a positive test result as a basis for refusal to hire;
- B. For-cause testing: The district will require an employee to undergo drug or alcohol testing at any time the Superintendent or designee reasonably believes that the employee may be under the influence of drugs or alcohol, including, but not limited to, the following circumstances:
 - 1. drugs or alcohol on or about the employee's person or in the employee's vicinity,
 - 2. conduct on the employee's part that suggests impairment or influence of drugs or alcohol,
 - 3. a report of drug or alcohol use while at work or on duty,
 - 4. information that an employee has tampered with drug or alcohol testing at any time,
 - 5. negative performance patterns, or
 - 6. excessive or unexplained absenteeism or tardiness.
- C. Post-accident testing: The district may require an employee to undergo drug or alcohol testing if the employee or another person has sustained an injury while at work or the employer's property has been damaged, including damage to equipment. For purposes of workers' compensation, no employee who tests positive for the presence of substances defined and consumed pursuant to Section 465.20 of Title 63 of the Oklahoma Statutes, alcohol, illegal drugs, or illegally used chemicals, or refuses to take a drug or alcohol test required by the employer, shall be eligible for such compensation;
- D. Scheduled, periodic testing: The district may require an employee to undergo drug or alcohol testing as a routine part of a routinely scheduled employee fitness-for-duty medical examination of employees who:
 - 1. are police or peace officers, have drug interdiction responsibilities, or are authorized to carry firearms, or
 - 2. may be determined to be engaged in activities which directly affect the safety of others, including but not limited to school vehicle mechanics.
- E. Post-rehabilitation testing: The district may request or require an employee to undergo drug or alcohol testing for a period of up to two (2) years commencing with the employee's return to work, following a positive test or following participation in a drug or alcohol dependency treatment program.
- F. Any employee who refuses to take an alcohol or drug-use test when so required under the provisions of this policy may be deemed to have committed an act of insubordination or willful neglect of duty which will be the basis for disciplinary action, including termination.

EMPLOYEE USE, SALE, POSSESSION, DISTRIBUTION, PURCHASE OR BEING UNDER THE INFLUENCE OF ALCOHOL OR ILLEGAL CHEMICAL SUBSTANCE

Any employee who possesses, uses, distributes, purchases, sells or is confirmed by alcohol or drug-use tests to be under the influence (as defined by this policy) of alcohol or an illegal chemical substance while on duty, while on school property or as a result of alcohol or drug-use tests conducted under this policy will be subject to disciplinary action, including termination.

ALCOHOL AND DRUG-USE TESTS OF APPLICANTS FOR EMPLOYMENT - WHEN REQUIRED

All applicants for employment will be required to submit to alcohol and/or drug-use testing after a conditional offer of employment has been made to the applicant. All applicants will be notified that alcohol and/or drug-use testing will occur if they are offered a conditional offer of employment. Any applicant who refuses to submit to an alcohol or drug-use test after a conditional offer of employment will not be hired.

APPLICANTS UNDER THE INFLUENCE OF ALCOHOL OR AN ILLEGAL CHEMICAL SUBSTANCE

Any applicant who is confirmed by alcohol or drug-use tests to be under the influence (as defined by this policy) of alcohol or an illegal chemical substance will not be hired.

PERSON AUTHORIZED TO ORDER ALCOHOL OR DRUG TESTING

- A. The Superintendent.
- B. Any employee designated for such purposes by the Superintendent or the Board of Education.

RELEASE OF INFORMATION

- A. Upon written request, the applicant for employment or the employee will be provided, without charge, a copy of all information and records related to the individuals' testing. All test records and results will be confidential and kept in files separate from the applicant's or employee's personnel records.
- B. The district shall not release such records to any person other than the applicant, employee or the district's review officer unless the applicant or employee, in writing following receipt of the test results, has expressly granted permission for the district to release such records in order to comply with a valid judicial or administrative order.
- C. The testing facility, of any agent, representative or designee of the facility, or any review officer, shall not disclose to any employer, based on the analysis of a sample collected from an applicant or employee for the purpose of testing for the presence of drugs or alcohol, any information relating to the general health, pregnancy, or other physical or mental condition of the applicant or employee.
- D. The testing facility shall release the results of the drug or alcohol test, and any analysis and information related thereto, to the individual tested upon request.
- E. This policy does not preclude the district, when contracting with another employer, from sharing drug or alcohol testing results of any tested person who works pursuant to a contractual agreement.

NOTICE OF POLICY

This policy shall be given broad circulation to all employees of the school district which shall include prominent posting at various places in the district. Each employee shall be given a copy of this policy and each applicant shall be given a copy of this policy upon the tender of a conditional offer of employment. A driver will not be permitted to report to duty or to remain on duty requiring the performance of a safety-sensitive function if any of the following is present:

A. Alcohol:

1. The driver has an alcohol concentration of 0.02 or more as measured on a breath test.
2. If the driver:
 - a. Has an alcohol concentration of 0.04 or more as measured on a breath test.
 - b. Possesses alcohol at work.
 - c. Uses alcohol at work.
 - d. Reports for duty within four hours after alcohol use.
 - e. Uses alcohol within eight hours after an accident.
 - f. Refuses to submit to a required alcohol test, the driver cannot return to a safety-sensitive function until:
 - (1) Evaluated.
 - (2) Treated, if required, by a substance-abuse professional.
 - (3) Retested with a result below 0.02.
3. After testing from 0.02 to 0.039 concentration during a pre-employment, post-accident, random, reasonable suspicion, return-to-work or follow-up test, until:
 - a. The next scheduled duty period if at least 24 hours have elapsed, or
 - b. A retest shows the alcohol concentration has fallen below 0.02.
4. The driver displays behavior or appearance characteristic of alcohol misuse.
5. The driver is under the influence of or is impaired by alcohol, as shown by behavioral speech and performance indicators of alcohol misuse.
6. The driver possesses alcohol while on duty.
7. The driver uses alcohol during duty performance.
8. The driver has used alcohol within the four hours previous to performing duties.
9. The driver has had an accident within the last eight hours and has not taken a breath test showing clearance from prohibited alcohol levels.
10. The driver has refused to take a breath test for alcohol use.

B. Controlled substances:

1. The driver uses any controlled substance, unless the use is pursuant to a physician's written certification stating that the use does not adversely affect the driver's ability to safely operate a motor vehicle.
2. A supervisor or administrative employee has actual knowledge that a driver has used a controlled substance.
3. The driver has a positive confirmed test for a controlled substance.
4. The driver displays behavior or appearance characteristic of controlled-substance use.

C. Medication:

1. The driver is taking any prescription or non-prescription medication containing alcohol, even if the driver has notified the driver's supervisor of the medication use.

REQUIRED TESTING

The following testing is required of all drivers:

A. Pre-employment testing:

1. Alcohol: A driver must pass a test prior to performing a safety-sensitive function. The test will be made during the hiring process or immediately before the driver first performs a safety-sensitive function. A driver may not commence the driver's duties unless the test shows a concentration of less than 0.04. If the test shows a concentration of between 0.02 and 0.04, no safety-sensitive duties may be performed for at least 24 hours. A pre-employment alcohol test will not be required if:
 - a. The driver has undergone an alcohol test required by the Federal Act within the previous six weeks and tested under 0.04, and
 - b. The driver provides evidence that no prior employer of the driver has records of alcohol misuse within the previous six months.
2. Controlled substances: The driver must receive a confirmed negative controlled-substance test result from a medical officer, except that no testing is required if:
 - a. The driver has participated within the previous 30 days in a drug-testing program meeting the requirements of the Federal Act.
 - b. While participating in the program, either:
 - (1) Was tested for controlled substances within six months prior to the date of employment application.
 - (2) Participated in a random controlled-substance testing program for the 12 months prior to the date of the employment application, and
 - c. The driver provides evidence that no prior employer of the driver has records of a violation of controlled-substance use rules within the previous six months.

B. Post-accident testing:

As soon as practical after an accident, the following tests will be administered:

1. Alcohol:
 - a. Each surviving driver who was performing safety-sensitive functions with respect to the vehicle, if the accident involves loss of life, regardless of whether the driver was at fault.
 - b. Each driver who received a moving traffic violation arising from the accident.
 - c. The test is to be administered within two hours of the accident. If the test is not administered within that time, the driver's supervisor shall cease attempts to administer an alcohol test and shall prepare a written report as to why a test was not given.
 - d. Drivers shall remain readily available for testing. A driver leaving the scene of an accident without a valid reason prior to submission to the test may be deemed to have refused to submit to testing.
 - e. A breath or blood alcohol test conducted by a law enforcement agency will be considered to meet these requirements if the test meets the requirement of the Federal Act and the results are obtained by the district.
2. Controlled substances:
 - a. A test for controlled substances will be administered to those drivers for whom an alcohol test is required within 32 hours following an accident. If no test is made within that time period, then no test will be made and the driver's supervisor will prepare a written report stating the reasons for not administering a prompt test.
 - b. A urine test for controlled substances administered by a law enforcement agency will be considered to meet these requirements if the test meets the requirements of the Federal Act and the results are obtained by the district.

C. Random testing:

Random testing of drivers will be conducted throughout the year. Selection of the drivers to be tested

will be made by a scientifically valid method, such as random-number table or a computer-based random-generator matched with drivers' social security numbers, payroll identification numbers or other comparable identifying numbers. Dates for administering unannounced testing shall be unpredictable and spread reasonably through-out a 12-month period. Drivers are to be tested while performing safety-sensitive functions, just before performing those functions, or just after ceasing those functions.

1. Alcohol: The minimum annual percentage rate for random alcohol testing will be ten percent (10%) of the average number of driver positions, subject to adjustment of the percentage by the Federal Highway Administration.
2. Controlled substances: The minimum annual percentage rate for random testing for controlled substances will be 50 percent of the average number of driver positions.

D. Reasonable suspicion testing:

Alcohol and controlled-substance testing will be conducted when there is reasonable suspicion to believe that a driver has violated the prohibitions under Prohibitions of this policy. Reasonable suspicion shall be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the driver. Reasonable suspicion for controlled-substance use may also include indications of the chronic and withdrawal effects of controlled substances.

1. Alcohol testing is authorized only if the observations are made during, just preceding or just after the period of the work day that the driver is performing a safety-sensitive function.
2. Persons designated to determine whether reasonable suspicion exists must receive at least 60 minutes of training on performance indicators of probable alcohol misuse.
3. The required observations shall be made by a supervisor who has received training in detecting the symptoms of alcohol/controlled-substance misuse. The supervisor who makes the determination that reasonable suspicion exists shall not conduct the alcohol test.
4. A written record must be made as to why an alcohol test was not made within two hours following a determination of reasonable suspicion of misuse. No test is to be made if eight hours passed after the determination.
5. A written record will be made of the observations leading to a controlled-substance reasonable-suspicion test. The record will be signed by the supervisor who made the observations. The record will be made within 24 hours of the observed behavior or before the test results are received, whichever is earlier.

E. Return-to-duty testing:

No one suspected of being under the influence of, or impaired by, alcohol will be permitted to perform a safety-sensitive function until:

1. An alcohol test shows a concentration of less than 0.02, or
2. Twenty-four hours have elapsed following a determination that there was reasonable suspicion to believe the driver has violated the rules in this policy against alcohol use.

A driver engaging in conduct prohibited under Prohibitions of this policy shall not return to a safety-sensitive function without first passing a breath test with a result of alcohol concentration of 0.02 or less.

F. Follow-up testing:

A driver who has been identified by a substance abuse professional as needing assistance in resolving problems with alcohol/controlled-substance misuse, and who has returned to duty involving the performance of a safety-sensitive function, will be subject to a minimum of six unannounced follow-up alcohol/controlled-substance tests over the following 12 months. The substance abuse professional can direct additional testing during this period or for an additional period up to a maximum of 60 months.

TEST PROCEDURES

Testing methodology will comply with the requirements of the Oklahoma Act, except that the requirements of the Federal Act stated in Test Procedures supersede the provisions of the Oklahoma Act.

- A. Alcohol breath testing must be performed by a qualified breath alcohol technician (BAT) who has completed a course of instruction approved by the federal Department of Transportation. The district will establish and retain documentation of the training and proficiency of each BAT. The demonstrated proficiency must be specific as to particular breath testing models. A BAT-qualified supervisor of a driver may conduct an alcohol test for that driver only if another BAT is not available to perform the test in a timely manner.
- B. Law enforcement officers certified by their agencies to conduct breath alcohol testing are deemed to be qualified as BATs.
- C. If a non-employee BAT other than a law enforcement officer is used for a breath alcohol test, the non-employee BAT must furnish a certificate that the BAT has completed a course of instruction approved by the federal Department of Transportation for the particular breath testing device.
- D. EBTs which do not meet the requirements for confirmation tests (sequential numbering and print-out capability) may be used for screening tests. Non-evidential breath screening devices (breath tubes) may not be used. If an EBT used for screening does not meet all of the requirements for a confirmation EBT device, a log book must be used with the screening EBT.
- E. EBTs used for confirmation testing must be capable of: providing triplicate copies of each test; assigning a unique and sequential number to each test; being read by the BAT and the employee before each test and the test result being printed out on each copy; and printing out on each copy the manufacturer's name for the device, the device's serial number, and time of the test. The device must be able to distinguish alcohol from acetone at the 0.02 alcohol concentration level. The EBT must be capable of performing an external calibration check.
- F. A screening or confirmation EBT must have a quality assurance plan developed by the manufacturer. The district will comply with the plan. This will involve: external calibration checks; removing the EBT from service if it fails a check; and maintaining records of external calibration. The external calibration must be performed by the manufacturer or a state health agency. If the EBT is owned by a third party, the district will require a written certification that the third party is familiar with these requirements and will be responsible for compliance. The district will require that the third party's compliance records will be available for inspection by representatives of the district.
- G. Alcohol testing must be conducted in a location that provides visual and aural privacy to the driver, sufficient to prevent unauthorized persons from seeing or hearing the test. When the driver enters the testing location, the BAT will require the driver to provide positive identification. If the driver requests, the BAT will provide positive identification. The BAT will explain the testing procedure. An individually-sealed mouthpiece is opened in the view of the driver and attached to the EBT. The driver will then blow into the mouthpiece for at least six seconds. If the EBT does not provide a printed result, the BAT will record the test number, date, BAT's name, location and test result in a log book. The driver will initial the log book. If the EBT provides a printed result, the result is either:
 - 1. Printed on the testing form, or
 - 2. Affixed to the form with tamper-evident tape.

If the test result is less than 0.02, the BAT will transmit the result in a confidential manner to a district representative designated by the Board of Education or the Superintendent for the purpose of receiving and handling alcohol test results in a confidential manner.

- H. Refusal to take a required test has the same consequences as if the employee had tested 0.04 or more. The following also constitute refusal to take a test: failure to provide adequate breath for testing without a valid medical explanation; engaging in conduct that clearly obstructs the testing process; failure to sign the alcohol testing form; leaving the scene of an accident before being tested (except when reasonably necessary to receive medical treatment); or refusal to take a confirmation test after an initial positive screening test.
- I. If the breath test is 0.02 or more, a confirmation test is required. The confirmation test must be conducted within 20 minutes of the initial test. Before a confirmation test is given, the BAT must conduct a "blank" test on the EBT to obtain a reading of 0.00. Confirmation testing for controlled substances will be performed in accordance with the Oklahoma Act, except that gas chromatography/mass spectrometry is the only acceptable confirmation method for cocaine, marijuana, opiates, amphetamines, and phencyclidine.

- J. Testing urine samples for controlled substances must be performed by a laboratory certified by the federal Department of Health and Human Services. If the driver requests a test of a split specimen, the first laboratory will ship the unopened split sample to a second DHHS-approved laboratory for testing. If the test of the split sample fails to confirm the presence of a controlled substance, the entire test is canceled.
- K. A confirmed positive controlled-substance test must be reviewed by a medical review officer before the test results are transmitted to the district. The medical review officer must be a licensed physician (M.D. or D.O.) who has knowledge of substance abuse disorders and has appropriate medical training to interpret and evaluate the test results, the driver's medical history, and any other relevant biomedical information, including possible alternative medical explanations.

REFERRAL AND TREATMENT

Drivers testing for more than 0.04 alcohol concentration, possessing alcohol at work, using alcohol at work, working within four hours after alcohol use, using alcohol within eight hours after an accident, refusing to submit to required alcohol or controlled-substance tests or showing use of controlled substances shall be advised of the resources available to the driver in evaluating and resolving problems associated with alcohol/controlled-substance misuse, including the names, addresses and phone numbers of substance abuse professionals and counseling and treatment programs. These drivers will be evaluated by a substance abuse professional who shall determine what assistance, if any, the driver needs in resolving problems associated with alcohol/controlled-substance misuse. The driver will not be permitted to return to work until receiving a test result of less than 0.02 alcohol concentration if the conduct involved alcohol, or a controlled-substance test with a confirmed negative result if the conduct involved substance abuse. If the driver is identified as needing assistance in resolving problems associated with alcohol/controlled-substance misuse, the driver must be evaluated by a substance abuse professional to determine that the driver has properly followed the prescribed rehabilitation program, and the driver must be subject to unannounced follow-up alcohol and controlled-substance tests on return to duty as stated above.

These requirements do not apply to drivers refusing to be tested or drivers having a pre-employment test of 0.04 or more.

MANAGEMENT INFORMATION SYSTEM

The district will prepare an annual calendar year summary of its alcohol testing program. The report will be submitted in accordance with the Federal Act by March 15 for the prior year. The report will contain the statistical data required by the Federal Act.

EDUCATIONAL MATERIALS

Each driver must receive educational materials that explain the alcohol misuse prevention requirements; the district's policies and procedures; the identity of a contact person knowledgeable about the materials; factual information on the effects of alcohol/controlled-substance misuse on personal life, health and safety; where help can be obtained, including the district's Employee Assistance Program; categories of employees subject to testing; what functions are covered by the policy; a description of prohibited conduct and the circumstances that trigger testing, testing procedures and safeguards; what constitutes a refusal to submit to testing and the consequences; signs and symbols of an alcohol/controlled-substance problem; consequences for drivers with an alcohol test level of 0.02 or more but less than 0.04; and the consequences of violating the rules. The staff will prepare appropriate educational materials.

MAINTENANCE OF RECORDS

The district shall maintain records of its alcohol/controlled-substance misuse prevention program. The period of retention for these records shall be:

- A. Five years:

Records of driver alcohol/controlled-substance tests with confirmed positive results; documentation of refusal to take required tests; calibration tests for EBTs; and driver evaluation and referrals.

B. Two years:

Records relating to controlled-substance collection and training.

C. One year:

Records of negative controlled-substance test results.

Upon written request, a driver is entitled to obtain copies of any district records concerning the driver's use of alcohol/controlled substances, including test results.

DISCIPLINARY ACTION

Employees who violate the prohibitions in the Prohibitions section of this policy or have a confirmed alcohol breath test of 0.02 or more while performing safety-sensitive functions or who have a confirmed positive controlled-substance test will be subject to disciplinary action, including termination.

OTHER POLICIES

This policy does not supersede any other district policy pertaining to alcohol or controlled-substance use by district employees, except to the extent that this policy is specific to drivers performing safety-sensitive functions. To the extent permitted by federal law, this policy is to be interpreted consistent with the Oklahoma Act.
